At this time, the Executive Director advised the Commission Members Commissioner Tarver had expressed concerns regarding several advertising campaigns being utilized at this time. The Chairman opened the floor for Commissioner Tarver who brought up the issues regarding advertising of “supplier’s pricing” and manufacturer’s advertisement on vehicle lease price, copies of examples of these types of advertising are below. Commissioner Tarver stated he feels the advertising of “supplier’s price” is in violation of §757. Fleet Prices: A. Terms such as “fleet prices,” “fleet sales,” suppliers prices,” or other terms implying that retail individual customers will be afforded the same price and/or discount as multi-purchase commercial businesses shall not be used in advertising. the “invoice” from manufacturer. After a brief discussion, Commissioner Tarver made a motion to that advertising with “supplier’s pricing” is misleading and not in compliance with Louisiana Administrative Code Title 46. Part V. Subpart 1. Chapter 5. § 757 Fleet Prices. Commissioner LeBlanc seconded this motion. The motion passed. Commissioners Duhon, Guidry and Hargroder voted against the motion.

Proposed law defines "fleet owner or governmental entity" as a person or unit of government who owns or leases for its own use or a renting or leasing company who rents to a third party, 10 or more motor vehicles with a gross vehicle weight rating of 12,000 lbs or more manufactured or sold by the manufacturer or distributor who authorizes the warranty repairs to be performed.
