Act 393 also requires a public entity subject to the Open Meetings Law to adopt a policy to accommodate a person who has a disability recognized by the ADA to participate in meetings electronically. In that regard, Executive Director Casey asked the Commission Members for approval to start the process of promulgation of Open Meeting rules as required by Act 393.

Since Counselor LaPeyronnie conducted legal research, Executive Director Casey asked Counselor LaPeyronnie to brief the Commission members on his research. A lengthy discussion ensued regarding this topic.

Executive Director Casey presented to the Commission Members an e-mail from Court Williams Courtesy Automotive Group, Inc. DBA Courtesy Buick GMC, dated December 5, 2023, to Neil Rogers, Commission Investigator, wherein Mr. Williams requesting an approval for off-site storage:

*"I am requesting permission to park inventory that belongs to Courtesy Buick GMC of Lafayette, LA at our Courtesy Chevrolet Buick GMC of Breaux Bridge, LA.*

*We are requesting this only in the event that we have too much inventory to fit on the lot in Lafayette. In full disclosure we currently have a location in Lafayette that is approved, but we have not parked a vehicle on this property since prior to Covid. We would like to end this lease since we are not using the property in turn we need to have a plan in the event General Motors increases our inventory. The only brands we would park in the event of over flow would be GMC or Buick.*

*Thank you for your consideration in this matter."*

Executive Director Casey also presented to the Commission Members an e-mail from Kevin Broussard, Commission Investigator, dated December 8, 2023:

*"On December 7, 2023, I traveled to Breaux Bridge to investigate the proposed off-site storage lot for Courtesy Automotive Group, Inc., DBA Courtesy Buick GMC N-2023-00306).*

The location is a fenced-in lot, owned by the Courtesy Automotive Group, located at 657 Enterprise Parkway in Breaux Bridge. The location is approximately 15 miles from the dealership, and is not in the dealerships' defined area of responsibility. The location is, however, across the street from Courtesy Motors Vermilion, L.L.C., DBA Courtesy Chevrolet Buick GMC (N-2023-00305), which is operated by the same ownership (See attached map). The lot is currently used to operate the detailing and preparation center for Courtesy Chevrolet Buick GMC, as well as the two other Courtesy dealerships located on the same property, Courtesy of Acadiana, L.L.C., DBA Courtesy Chrysler Dodge Jeep RAM FIAT (N-2023-00307), and St. Martin Parish Acquisitions, L.L.C., DBA Courtesy Ford (N-2023-00304). It also provides parking for employees of the three dealerships. Those dealerships face Interstate 10, but the entrances are on Enterprise Parkway, across from the proposed location (See attached map).

There were vehicles in the lot at the time of my visit, as there were two trucks which were unloading vehicles to be processed and parked on the retail lots of the three Breaux Bridge dealerships. The location backs up to an open field, and the preparation building backs up to the Courtesy employee parking lot. The proposed location, as well as the preparation and detail area, are completely fenced in (See attached photographs).

I was advised vehicles stored by Courtesy Buick GMC would be stored toward the back of the lot, outlined in yellow on the provided map, and kept away from vehicles awaiting detail and preparation, and kept away from employees' personal vehicles."

After a brief discussion, Chairman Lala instructed the Commission Investigator to find out more information on this topic. And we will re-visit this topic in the next meeting.

\*\*\*\*\*

Executive Director Casey advised the Commission Members that the commission investigators received inquiries from dealers regarding advertise using "employee pricing". In that regard, Executive Director Casey asked the Commission Members for approval on the verbiage. At this time, Executive Director Casey asked Investigator Supervisor Landreneau to report in details. Investigator Supervisor Landreneau stated that according to the policy adopted by the Commission Members a few years ago, it allowed dealers to advertise at the same time period when their manufacturers were advertising "supplier pricing" was available, whereas, there is no definitive definition for dealership's "employee pricing" and it might be misleading. A lengthy discussion ensued regarding this topic.

At the conclusion of the discussion, Commissioner Lane made a motion to deny dealer to advertise using "employee pricing". And the policy for "supplier pricing" remain in effect. Commissioner Smith seconded this motion and it was unanimously approved.

\*\*\*\*\*

A brief discussion ensued.
