The Executive Director advised the Commission Members the following bond waiver request had been received on February 20, 2013 from Jon R. Robertson, Chief Operations Officer of Suzuki Motor of America, Inc., along with copies of its balance sheets:

"As you know, American Suzuki Motor Corporation (ASMC) filed Chapter 11 Bankruptcy on November 5, 2012. At that time, ASMC announced its withdrawal from the U.S. market for new automotive sales. ASMC also announced its plan to sell its remaining assets to a buyer approved by the Bankruptcy Court and that the buyer would assume all vehicle warranties. Additionally, ASMC announced that the buyer would purchase ASMC's motorcycle/ATV and marine divisions, and would continue those businesses.

Recently, Suzuki Motor Corporation (SMC) in Japan established a new U.S. entity to purchase all of the assets from ASMC, and to serve as the new authorized distributor of Suzuki products in the U.S. The new entity is **Suzuki Motor of America, Inc. (SMAI)**. As noted, SMAI will not distribute or sell new automobiles in the U.S. SMAI, however, will honor all warranties on all vehicles, and will continue to distribute motorcycle, ATV and marine products, which will be sold and serviced through authorized and licensed dealers in Louisiana.

SMAI has now registered with the Secretary of State to do business in Louisiana.

Although SMAI will not distribute new motor vehicle in continental U.S. including Louisiana, we understand that a motor vehicle distributor license may be required for SMAI to authorize dealers to offer Suzuki automobile warranty service and parts to consumers in Louisiana. For this reason, we are submitting SMAI's application for a motor vehicle distributor license, along with what we believe to be all required documentation. Enclosed with this letter you will find such documentation, including a Table of Contents identifying the corresponding Tab for each document.

Also, SMAI respectfully requests that it not be required to post the \$1,000,000 bond sometimes imposed in connection with the issuance of motor vehicle distributor licenses. It is our understanding that this requirement sometimes is suspended at the discretion of the Executive Director and/or the Commission, and in fact such bond was not required for ASMC, SMAI's predecessor distributor of Suzuki automobiles. SMAI will not be wholesaling or distributing any new motor vehicles in Louisiana, and it is not asking any dealer continuing with service and parts sales to maintain wholesale foolines or construct new or remodeled facilities. We respectfully submit that there is no reason to required such a bond from SMAI given its very limited motor vehicle activity (service and parts only), and that such a bond would be a financial burden for the company.

Please note that SMAI is submitting under separate cover its completed application for a license to distribute Suzuki motorcycle, ATV and marine products. We are submitting these applications under separate cover in order to avoid any possible delay of one license in the event there is a delay in processing the other.

Once distributor license have been approved, SMAI will proceed with application for its representatives in Louisiana as may be required.

Please mail SMAI's recreational vehicle distributor license to the following:

Suzuki Motor America, Inc.  
3251 E. Imperial Hwy, #GRD Lic.  
Brea, California 92821-6795

If you have any questions regarding this application or the supplemental information provided, please feel free to contact Tracy Earle at [tracy.earle@suz.com](mailto:tracy.earle@suz.com) or call 714-996-7040 ext 2215. For additional assistance, you also may contact Bob Alsip at [robert.asop@suz.com](mailto:robert.asop@suz.com) or at 714-996-7040 ext 2315."

At this time, the Chairman opened the floor for Patricia R. Britton, attorney for Suzuki Motor America, Inc., to address the Commission Members regarding Suzuki Motor America, Inc's financial statement. Ms. Britton responded to the questions posed by the Commission Members regarding Suzuki's operations after their bankruptcy and its financials. After a brief discussion, Commissioner Hargroder made a motion to waive the bond requirement of LSA-R.S. 32:1254D(6)(a) for Suzuki Motor America, Inc. Commissioner Hicks seconded this motion and it was unanimously approved. The Executive Director and staff were informed by attorneys of Suzuki motor America, Inc. that the recreation products line of Louisiana dealer list would not be changed after the bankruptcy.

The Executive Director presented to the Commission Members correspondence from James Lauderdale, Partner of Bill Hood Ford, L.L.C. DBA Bill Hood Ford Lincoln, received by the Commission on March 1, 2013, requesting approval for off-site vehicle storage:

"We would like to request an authorization from the Commission to allow our company an offsite new vehicle storage privilege during peak inventory periods. The property referenced is located 100 feet from our Ford new car display lot, directly across North Morrison Boulevard, and is owned by our company. The property address is 1507 North Morrison and we will utilize approximately one acre. No selling activity will occur on this overflow lot.

I have attached photos of the referenced property and the approval letter from Ford Motor Company.

The consideration of this request is greatly appreciated and hopefully will meet with your approval."

A brief discussion ensued after the Commission Members reviewed Bill Hood Ford, L.L.C. DBA Bill Hood Ford Lincoln request and the approval of Ford Motor Company. Commissioner LeBlanc suggested that once the manufacturer approved the dealer's request and added the storage site to the dealer's franchise agreement, the staff should add the information to the dealer's records. Commissioner LeBlanc also suggested that each off-site storage request should be consider individually at the Commission meeting. Commissioner LeBlanc made a motion to approve Bill Hood Ford, L.L.C. DBA Bill Hood Ford Lincoln's off-site storage request based on the above said reasons and as stated in Mr. Lauderdale's letter. Commissioner Hargroder seconded this motion and it was unanimously approved.

## DIGEST

Present law defines the term "community or territory" or "area of responsibility".

Proposed law removes from the definition of "community or territory" or "area of responsibility" the requirement that the area of responsibility for a motorcycle or all-terrain vehicle dealership be an area within at least a thirty-mile radius of the location of his dealership.

Present law requires the Louisiana Motor Vehicle Commission (commission) to notify existing licensed motorcycle or all-terrain vehicle dealership or dealerships selling the same-line makes, models, or classifications if a new dealership or relocation of an existing dealership is within the existing dealer's area of responsibility.

Proposed law changes criteria to determine which existing dealership or dealerships the commission must notify if a new dealership or if an existing dealership relocates in a particular area. The new criteria will be based on a thirty-mile radius of the proposed new dealership or the proposed relocation address of a dealership.

Effective August 1, 2013.

(Amends R.S. 32:1252(7) and 1270.10(A) and (B))

LSA-R.S. 32:1261A.(1)(t) prohibits a manufacturer or distributor to authorize anyone other than a franchised licensed motor vehicle dealer to perform warranty repairs.<sup>1</sup>

This letter is to notify you that the commission intends to investigate this claim and asks for your cooperation in advance. Please provide our agency with the names and addresses of any and all parties in the state of Louisiana whom your company pays for warranty service other than Louisiana motor vehicle dealers.

We look forward to working with you as we investigate this matter."
