The Executive Director presented to the Commission Members the following e-mail from Commissioner Jim Hicks:

"This letter is to inform you and the commission that I have signed a Letter of Intent to sell Southern RV, LLC effective Jan 7,2016. A new dealer application should be in your office in the next few days for Camping World which will include both Southern RV Louisiana locations. (Lafayette and Bossier). Unlike the last time, I am not in charge of this process so this is about all I know. Southern is involved in securing all new manufacturer / dealer agreements and those should all be completed this week which we will forward to Camping World to add to their applications. These will include 100% of our existing product lines and possibly a few new brands.

With this sale I'm also retiring so please accept this as my resignation from the commission. I have enjoyed my relationship with you and staff as well as commission members from around the state. I feel like we've accomplished a lot and have come a long way since the La Motor Vehicle Commission had the forced adoption of the recreational products dealers. The recreational products dealers are much better off today than when all this started and dealers are in fair and very capable hands!"

The Executive Director stated Commissioner Hicks had also forwarded a copy of his e-mail to Boards and Commissions within the Office of the Governor stating:

"I have sold my RV business and retiring Jan 7,2016. Please accept my resignation from the Louisiana Motor Vehicle Commission effective immediately. I have already informed the Executive Director, Lessie House."

**JUDGMENT & INCORPORATED REASONS**

This matter came before the Court on the 20<sup>th</sup> day of August, 2015, upon a Motion for Summary Judgment filed by the plaintiff, Brunswick Corporation.. The Court took the matter under advisement.

Present: Craig L. Caesar, Attorney for the Plaintiff, Brunswick Corportion; and  
Kay Guidry, Attorney for Defendant, Northlake Marine, Inc.

After hearing the arguments of counsel, reviewing all memoranda, the pleadings and facts and considering the law and the evidence, the Court hereby finds the following:

This motion comes before the Court as part of an appeal of an administrative decision by the Louisiana Motor Vehicle Commission. The sole issued presented is whether La.R.S. 32:1270.5(J) requires the “manufacturer” of marine products to repurchase the inventory of an associated marine “dealer” when the dealer voluntarily terminates its operation through no fault of the manufacturer.

Brunswick Corporation d/b/a Mercury Marine Division (hereinafter "Mercury") is a manufacturer of marine products. Northlake Marine, Inc. (Hereinafter "Northlake") was, until recently, an authorized dealer of Mercury products. It was stipulated that Northlake voluntarily and permanently ceased its operation through no fault of, and based on no action by, Mercury. As part of the winding down of its operation, Northlake requested Mercury repurchase its stock of Mercury products pursuant to La.R.S. 32:1270.5. Mercury refused Northlake's repurchase request arguing that repurchase is only required when the franchise is terminated as a result of some action taken by the manufacturer. Northlake filed a grievance with the Louisiana Motor Vehicle Commission. After due proceedings, The Louisiana Motor Vehicle Division sided with Northlake, found that R.S. 32:1270.5(J) required repurchase, and ordered Mercury to repurchase Northlake's inventory of Mercury marine product. Mercury filed its Petition for Judicial Review of Agency Decision on February 6, 2015.

## **LAW & ANALYSIS**

The statute at issue is Louisiana Revised Statute 32:1270.5, relative to the repurchase of marine products. It provides in part:

A. If any marine dealer enters into a franchise with a manufacturer, distributor, or wholesaler wherein the marine dealer agrees to maintain an inventory of marine products or repair parts, the manufacturer, distributor, or wholesaler shall not terminate or fail to renew such franchise unless there is a breach of the franchise by the marine dealer and until ninety days after notice of such intention to terminate, including the breach of the franchise, has been sent by certified mail, return receipt requested, or commercial delivery service with verification of receipt, to the marine dealer and the marine dealer has failed to correct the breach within such period.

B. If the franchise is terminated as a result of any action by the marine dealer and the manufacturer, distributor, or wholesaler has not given due cause, as provided in this Section, for termination of such franchise, the manufacturer, distributor, or wholesaler shall not be required to repurchase the inventory as provided in this Section; however, if the franchise is terminated as a result of any action by the marine dealer and the manufacturer, distributor, or wholesaler has given the marine dealer due cause, as provided in this Section, to terminate the franchise, the manufacturer, distributor, or wholesaler shall be required to repurchase that inventory previously purchased from them, including any new and unused marine products of the current and immediate prior model or program year and new and unused parts inventory as provided in this Section.

C. It shall be unlawful for the manufacturer, wholesaler, or distributor, without due cause and pursuant to its own initiating action, to terminate or fail to renew a franchise, unless the manufacturer, wholesaler, or distributor repurchases the new and unused inventory as provided for in this Section.

D. It shall not be unlawful for the marine dealer with due cause and pursuant to the marine dealer's own initiating action to terminate or fail to renew a franchise with a manufacturer, wholesaler, or distributor, and the manufacturer, wholesaler, or distributor shall repurchase inventory as provided by this Section. To determine what constitutes due cause for a marine dealer to terminate or fail to renew a franchise, the following factors regarding the manufacturer, wholesaler, distributor or representative of one of the so named shall include whether the manufacturer, wholesaler, distributor, or one of the so named:

- (1) Has made a material misrepresentation in accepting or acting under the franchise.
- (2) Has engaged in an unfair business practice.
- (3) Has engaged in conduct which is injurious or detrimental to public welfare.
- (4) Has failed to comply with any applicable Section of this Chapter.
- (5) Has been convicted of a crime, the effect of which would be detrimental to the marine dealership or dealer.
- (6) Has violated the Louisiana marine dealers area of responsibility.

(7) Has failed to operate in the normal course of business for thirty consecutive days.

(8) Has failed to comply with the terms of the franchise with the marine dealer.

(9) Has materially misrepresented the performance or fitness for sale or use of a product line or products covered by the franchise. . .

F. As required by this Section, the manufacturer, distributor, or wholesaler shall repurchase the inventory which can be verified as previously purchased from them, including all new and unused marine products of the current and immediate prior model or program year and new and unused parts on hand and held by the marine dealer on the date of termination of the contract. The manufacturer, distributor, or wholesaler shall pay an amount equivalent to the cost actually paid by the marine dealer, including discounts given and rebates paid per unit for any new, unused, undamaged, and unaltered from original invoice and delivery, and complete marine product. The manufacturer, distributor, or wholesaler shall also pay an amount equal to the price paid by the marine dealer for any new, unused, and undamaged repair parts and accessories which are listed in the manufacturer's, distributor's, or wholesaler's prevailing parts list or were delivered in the past forty-eight months and are in their original packaging.

G. The provisions of this Section shall not require the repurchase from a marine dealer of:

- (1) Any repair part which has a limited storage life or is otherwise subject to deterioration. . .

H. Upon termination of the franchise, the marine dealer shall submit a final inventory of marine products and parts on hand to the manufacturer, distributor, or wholesaler by certified mail, return receipt requested, or commercial delivery service with verification of receipt. If a manufacturer, distributor, or wholesaler fails or refuses to repurchase as required by this Section within thirty days of the receipt of the inventory, without just cause, the manufacturer, distributor, or wholesaler shall be subjected to a penalty of the marine dealer's reasonable attorney fees, court costs, and interest on the inventory value of returnable marine products and parts required to be purchased computed at the rate of one and one-half percent per month from the thirty-first day, as long as such repurchase is not made.

I. Notwithstanding any other provision of law to the contrary, it shall be unlawful for a manufacturer, distributor, or wholesaler, either by contract or practice, to assess repurchase or restocking charges, freight charges except for return charges, reimbursement of interest charges paid, and any similar charges to the marine dealer.

**J. If a marine dealer completes a bona fide, orderly, and permanent closure of the marine dealership, which does not involve a sale of the dealership, and provides at least ninety days notice to the manufacturer, wholesaler, or distributor, the marine products and parts inventory shall be repurchased by the manufacturer, wholesaler, or distributor in the manner provided for in this Section, when a franchise is terminated as result of action by the manufacturer, wholesaler, or distributor.**

(emphasis added).

Mercury argues that under a direct reading of subsection "J" a marine manufacturer is only required to repurchase marine goods when "a franchise is terminated as a result of action by the manufacturer." Specifically, Mercury argues that the comma between the phrase "shall be purchased. . . in the manner provided for in this Section" and phrase "when a franchise is terminated as result of action by the manufacturer" indicates that the legislature intended the two phrases be read independently. Northlake replies that when the subsection is read in its entirety, it becomes clear that the ending phrase merely refers to the procedure used in repurchase. Specifically they argue that the phrase "the. . . inventory shall be repurchased by the manufacturer. . . in the manner provided for in this Section, when a franchise is terminated as result of action by the manufacturer . . ." specifies that inventory will be repurchased using the method outlined in other sub sections of the statute.

Regarding statutory interpretation, the Louisiana Supreme Court has stated:

The fundamental question in all cases involving statutory interpretation is legislative intent. Further, according to the general rules of statutory interpretation, our interpretation of any statutory provision begins with the language of the statute itself. While the Official Revision Comments are not the law, they may be helpful in determining legislative intent.

We recently reiterated many of the rules of statutory interpretation, stating:

When [a] provision is clear and unambiguous and its application does not lead to absurd consequences, its language must be given effect, and its provisions must be construed so as to give effect to the purpose indicated by a fair interpretation of the language used. Unequivocal provisions are not subject to judicial construction and should be supplied by giving words their generally understood meaning.

Words and phrases must be read with their context and construed according to the common and approved usage of the language. . . . Further, every word, sentence, or provision in a law is presumed to be intended to serve some useful purpose, that some effect is given to each such provision, and that no unnecessary words or provisions were employed. Consequently, courts are bound, if possible, to give effect to all parts of a statute and to construe no sentence, clause, or word as meaningless and surplusage if a construction giving force to and preserving all words can legitimately be found.

*Arabie v. CITGO Petroleum Corp.*, 89 So.3d 307, 312 (La.2012) (citation omitted).

After reviewing La. R.S. 32:1270.5 in its entirety, this Court concludes that the Louisiana Motor Vehicle Commission correctly interpreted the statutory repurchase program. The statute provides a framework whereby repurchase may or may not be required based upon the "due cause," or bad actions, of the parties to a marine franchise agreement. Northlake's interpretation of subsection J is more consistent with the statute as a whole, which provides that a dealer acting in good faith will not bear the burden of maintaining inventory at termination of a franchise agreement. The statutory interpretation urged by Mercury also results in a logical inconsistency in that supposes the idea of a dealer going through a "bona fide, orderly and permanent closure" which is the result of some "due cause" by the manufacturer.

For the forgoing reasons, **IT IS ORDERED, ADJUDGED AND DECREED** that the Motion for Summary Judgment filed by the plaintiff, Brunswick Corporation, is hereby **DENIED**.
