

**LOUISIANA REVISED STATUTES
TITLE 49. STATE ADMINISTRATION
CHAPTER 13. ADMINISTRATIVE PROCEDURE**

Current through 2006 Regular Session

§ 950. Title and form of citation

This Chapter shall be known as the Administrative Procedure Act and may be cited as the Administrative Procedure Act.

§ 951. Definitions

As used in the Chapter:

(1) "Adjudication" means agency process for the formulation of a decision or order.

(2) "Agency" means each state board, commission, department, agency, officer, or other entity which makes rules, regulations, or policy, or formulates, or issues decisions or orders pursuant to, or as directed by, or in implementation of the constitution or laws of the United States or the constitution and statutes of Louisiana, except the legislature or any branch, committee, or officer thereof, any political subdivision, as defined in Article VI, Section 44 of the Louisiana Constitution, and any board, commission, department, agency, officer, or other entity thereof, and the courts.

(3) "Decision" or "order" means the whole or any part of the final disposition (whether affirmative, negative, injunctive, or declaratory in form) of any agency, in any matter other than rulemaking, required by constitution or statute to be determined on the record after notice and opportunity for an agency hearing, and including non-revenue licensing, when the grant, denial, or renewal of a license is required by constitution or statute to be preceded by notice and opportunity for hearing.

(4) "Party" means each person or agency named or admitted as a party, or properly seeking and entitled as of right to be admitted as a party.

(5) "Person" means any individual, partnership, corporation, association, governmental subdivision, or public or private organization of any character other than an agency, except that an agency is a "person" for the purpose of appealing an administrative ruling in a disciplinary action brought pursuant to Title 37 of the Louisiana Revised Statutes of 1950 prior to the final adjudication of such disciplinary action.

(6) "Rule" means each agency statement, guide, or requirement for conduct or action, exclusive of those regulating only the internal management of the agency and those purporting to adopt, increase, or decrease any fees imposed on the affairs, actions, or persons regulated by the agency, which has general applicability and the effect of implementing or interpreting substantive law or policy, or which prescribes the procedure or practice requirements of the agency. "Rule" includes, but is not limited to, any provision for fines, prices or penalties, the attainment or loss of preferential status, and the criteria or qualifications for licensure or certification by an agency. A rule may be of general applicability even though it may not apply to the entire state, provided its form is general and it is capable of being applied to every member of an identifiable class. The term includes the amendment or repeal of an existing rule but does not include declaratory rulings or

orders or any fees.

(7) "Rulemaking" means the process employed by an agency for the formulation of a rule. Except where the context clearly provides otherwise, the procedures for adoption of rules and of emergency rules as provided in R.S. 49:953 shall also apply to adoption of fees. The fact that a statement of policy or an interpretation of a statute is made in the decision of a case or in an agency decision upon or disposition of a particular matter as applied to a specific set of facts involved does not render the same a rule within this definition or constitute specific adoption thereof by the agency so as to be required to be issued and filed as provided in this Subsection.

§ 952. Public information; adoption of rules; availability of rules and orders

Each agency which engages in rulemaking shall:

(1) File with the Department of the State Register a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information or make submissions or requests.

(2) Adopt rules of practice setting forth the nature and requirements of all formal and informal procedures available.

(3) Make available for public inspection all rules, preambles, responses to comments, and submissions and all other written statements of policy or interpretations formulated, adopted, or used by the agency in the discharge of its functions and publish an index of such rules, preambles, responses to comments, submissions, statements, and interpretations on a regular basis.

(4) Make available for public inspection all final orders, decisions, and opinions.

§ 953. Procedure for adoption of rules

A. Prior to the adoption, amendment, or repeal of any rule, the agency shall:

(1) (a) Give notice of its intended action and a copy of the proposed rules at least ninety days prior to taking action on the rule. The notice shall include:

(i) A statement of either the terms or substance of the intended action or a description of the subjects and issues involved;

(ii) A statement, approved by the legislative fiscal office, of the fiscal impact of the intended action, if any; or a statement, approved by the legislative fiscal office, that no fiscal impact will result from such proposed action;

(iii) A statement, approved by the legislative fiscal office, of the economic impact of the intended action, if any; or a statement, approved by the legislative fiscal office, that no economic impact will result from such proposed action;

(iv) The name of the person within the agency who has the responsibility for responding to inquiries about the intended action;

(v) The time when, the place where, and the manner in which interested persons may present their views thereon; and

(vi) A statement that the intended action complies with the statutory law administered by the agency, including a citation of the enabling legislation.

(vii) A statement indicating whether the agency has prepared a preamble which explains the basis and rationale for the intended action, summarizes the information and data supporting the intended action, and provides information concerning how the preamble may be obtained.

(viii) A statement concerning the impact on family formation, stability, and autonomy as set forth in R.S. 49:972.

(b) (i) The notice shall be published at least once in the Louisiana Register and shall be submitted with a full text of the proposed rule to the Louisiana Register at least one hundred days prior to the date the agency will take action on the rule.

(ii) Upon publication of the notice, copies of the full text of the proposed rule shall be available from the agency proposing the rule upon written request within two working days.

(c) Notice of the intent of an agency to adopt, amend, or repeal any rule and the approved fiscal and economic impact statements, as provided for in this Subsection, shall be mailed to all persons who have made timely request of the agency for such notice, which notice and statements shall be mailed at the earliest possible date, and in no case later than ten days after the date when the proposed rule change is submitted to the Louisiana Register.

(d) For the purpose of timely notice as required by this Paragraph, the date of notice shall be deemed to be the date of publication of the issue of the Louisiana Register in which the notice appears, such publication date to be the publication date as stated on the outside cover or the first page of said issue.

(2) (a) Afford all interested persons reasonable opportunity to submit data, views, comments, or arguments, orally or in writing. In case of substantive rules, opportunity for oral presentation or argument must be granted if requested within twenty days after publication of the rule as provided in this Subsection, by twenty-five persons, by a governmental subdivision or agency, by an association having not less than twenty-five members, or by a committee of either house of the legislature to which the proposed rule change has been referred under the provisions of R.S. 49:968.

(b) (i) Make available to all interested persons copies of any rule intended for adoption, amendment, or repeal from the time the notice of its intended action is published in the Louisiana Register. Any hearing pursuant to the provisions of this Paragraph shall be held no earlier than thirty-five days and no later than forty days after the publication of the Louisiana Register in which the notice of the intended action appears. The agency shall consider fully all written and oral comments and submissions respecting the proposed rule.

(ii) The agency shall issue a response to comments and submissions describing the principal reasons for and against adoption of any amendments or changes suggested in the written or oral comments and submissions. In addition to the response to comments, the agency may prepare a preamble explaining the basis and rationale for the rule, identifying the data and evidence upon which the rule is based, and responding to comments and submissions. Such preamble and response to comments and submissions shall be furnished to the respective legislative oversight subcommittees at least five days prior to the day the legislative oversight subcommittee hearing is to be held on the proposed rule, and shall be made available to interested persons no later than one day following their submission to the appropriate legislative oversight subcommittee. If no legislative oversight hearing is to be held, the agency shall issue a response

to comments and submissions and preamble, if any, to any person who presented comments or submissions on the rule and to any requesting person not later than fifteen days prior to the time of publication of the final rule.

(iii) The agency shall, upon request, make available to interested persons the report submitted pursuant to R.S. 49:968(D) no later than one working day following the submittal of such report to the legislative oversight subcommittees.

(3) (a) For the purposes of this Subsection, the statement of fiscal impact shall be prepared by the proposing agency and submitted to the Legislative Fiscal Office for its approval. Such fiscal impact statement shall include a statement of the receipt, expenditure, or allocation of state funds or funds of any political subdivision of the state.

(b) For the purposes of this Subsection, the statement of economic impact shall be prepared by the proposing agency and submitted to the Legislative Fiscal Office for its approval. Such economic impact statements shall include an estimate of the cost to the agency to implement the proposed action, including the estimated amount of paperwork; an estimate of the cost or economic benefit to all persons directly affected by the proposed action; an estimate of the impact of the proposed action on competition and the open market for employment, if applicable; and a detailed statement of the data, assumptions, and methods used in making each of the above estimates.

B. (1) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon shorter notice than that provided in Subsection A of this Section and within five days of adoption states in writing to the governor of the state of Louisiana, the attorney general of Louisiana, the speaker of the House of Representatives, the president of the Senate, and the Department of the State Register, its reasons for that finding, it may proceed without prior notice or hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt an emergency rule. The provisions of this Paragraph also shall apply to the extent necessary to avoid sanctions or penalties from the United States, or to avoid a budget deficit in the case of medical assistance programs or to secure new or enhanced federal funding in medical assistance programs. The agency statement of its reason for finding it necessary to adopt an emergency rule shall include specific reasons why the failure to adopt the rule on an emergency basis would result in imminent peril to the public health, safety, or welfare, or specific reasons why the emergency rule meets other criteria provided in this Paragraph for adoption of an emergency rule.

(2) Notice of the emergency rule shall be mailed to all persons who have made timely request of the agency for notice of rule changes, which notice shall be mailed within five days of adoption of the emergency rule. The office of the state register may omit from the Louisiana Register any emergency rule the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if the emergency rule in printed or processed form is made available on application to the adopting agency, and if the Louisiana Register contains a notice stating the general subject matter of the omitted emergency rule, the reasons for the finding of the emergency submitted by the agency, and stating how a copy thereof may be obtained.

(3) The validity of an emergency rule or fee may be determined in an action for declaratory judgment in the district court of the parish in which the agency is located. The agency shall be made a party to the action. An action for a declaratory judgment under this Paragraph may be brought only by a person to whom such rule or fee is applicable or who would be adversely affected by such rule or fee and only on the grounds that the rule or fee does not meet the criteria for adoption of an emergency rule as provided in Paragraph (1) of this Subsection. The court shall declare the rule or fee invalid if it finds that there is not sufficient evidence that such rule or fee must be adopted on an emergency basis for one or more of the reasons for adoption of an

emergency rule as provided in Paragraph (1) of this Subsection. Notwithstanding any other provision of law to the contrary, the emergency rule or fee shall remain in effect until such declaratory judgment is rendered. The provisions of R.S. 49:963 shall not apply to any action brought pursuant to this Paragraph. The provisions of this Paragraph are in addition to R.S. 49:963 and shall not limit any action pursuant to R.S. 49:963.

(4) (a) Within sixty days after adoption of an emergency rule or fee, an oversight subcommittee of either house may conduct a hearing to review the emergency rule or fee and make a determination of whether such rule or fee meets the criteria for an emergency rule or fee as provided in Paragraph (1) of this Subsection and those determinations as provided in R.S. 49:968(D)(3). If within such time period an oversight subcommittee finds an emergency rule or fee unacceptable, it shall prepare a written report containing a copy of the proposed rule or proposed fee action and a summary of the determinations made by the committee and transmit copies thereof as provided in R.S. 49:968(F)(2).

(b) Within sixty days after adoption of an emergency rule or fee, the governor may review such rule or fee and make the determinations as provided in Subparagraph (a) of this Paragraph. If within such time period the governor finds an emergency rule or fee unacceptable, he shall prepare a written report as provided in Subparagraph (a) and transmit copies thereof to the agency proposing the rule change and the Louisiana Register no later than four days after the governor makes his determination.

(c) Upon receipt by the agency of a report as provided in either Subparagraph (a) or (b) of this Paragraph, the rule or fee shall be nullified and shall be without effect.

C. An interested person may petition an agency requesting the adoption, amendment, or repeal of a rule. Each agency shall prescribe by rule the form for petitions and the procedure for their submission, considerations, and disposition. Within ninety days after submission of a petition, the agency shall either deny the petition in writing, stating reasons for the denial, or shall initiate rule making proceedings in accordance with this Chapter.

D. When a rule is adopted, amended, or repealed in compliance with federal regulations, the adopting agency's notice of intent and the actual text of the rule as published in the Louisiana Register, must be accompanied by a citation of the Federal Register issue in which the determining federal regulation is published, such citation to be by volume, number, date, and page number.

E. Beginning January 1, 1987, no agency shall adopt, amend, or repeal any rule if the accompanying fiscal impact statement approved by the Legislative Fiscal Office indicates that said rule change would result in any increase in the expenditure of state funds, unless said rule is adopted as an emergency rule pursuant to the requirements of this Section or unless the legislature has specifically appropriated the funds necessary for the expenditures associated with said rule change.

F. (1) Notwithstanding any other provision of this Chapter to the contrary, if the Department of Environmental Quality proposes a rule that is not identical to a federal law or regulation or is not required for compliance with a federal law or regulation, the Department of Environmental Quality shall adopt and promulgate such proposed rule separately from any proposed rule or set of proposed rules that is identical to a federal law or regulation or required for compliance with a federal law or regulation. However, if the only difference between the proposed rule or set of proposed rules and the corresponding federal law or regulation is a proposed fee, the Department of Environmental Quality shall not be required to adopt and promulgate such proposed rule or set of proposed rules separately. For purposes of this Subsection, the term "identical" shall mean that the proposed rule has the same content and meaning as the corresponding federal law or regulation.

(2) When the Department of Environmental Quality proposes a rule that is not identical to a corresponding federal law or regulation, or is not required for compliance with a federal law or regulation, the Department of Environmental Quality shall provide a brief summary which explains the basis and rationale for the proposed rule, identifies the data and evidence, if any, upon which the rule is based, and identifies any portions of the proposed rule that differ from federal law or regulation if there is a federal law or regulation which is not identical but which corresponds substantially to the proposed rule. Such summary shall be provided along with the notice of intent and shall be published in the Louisiana Register or made available along with the proposed rule as provided in Item A(1)(b)(ii) of this Section. The Department of Environmental Quality may also provide such a summary when proposing a rule identical to a corresponding federal law or regulation or proposing a rule which is required for compliance with federal law or regulation to explain the basis and rationale for the proposed rule.

(3) Notwithstanding any other provision of this Chapter to the contrary, when the Department of Environmental Quality proposes a rule that is identical to a federal law or regulation applicable in Louisiana, except as provided in Paragraph (4) of this Subsection, it may use the following procedure for the adoption of the rule:

(a) The department shall publish a notice of the proposed rule at least sixty days prior to taking action on the rule as provided below. The notice, which may include an explanation of the basis and rationale for the proposed rule, shall include all of the following:

(i) A statement of either the terms or substance of the intended action or a description of the subjects and issues involved.

(ii) A statement that no fiscal or economic impact will result from the proposed rule.

(iii) The name of the person within the department who has responsibility for responding to inquiries about the intended action.

(iv) The time, place, and manner in which interested persons may present their views thereon including the notice for a public hearing required by R.S. 30:2011(D)(1).

(v) A statement that the intended action complies with the law administered by the department, including a citation of the specific provision, or provisions, of law which authorize the proposed rule.

(b) Notice of the proposed rule shall be published at least once in the Louisiana Register and shall be submitted with a full text of the proposed rule to the Louisiana Register at least seventy days prior to the date the department proposes to formally adopt the rule. The office of the state register may omit from the Louisiana Register any such proposed rule the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if the Louisiana Register contains a notice stating the general subject matter of the omitted proposed rule, the process being employed by the department for adoption of the proposed rule, and stating how a copy of the proposed rule may be obtained.

(c) Notice of the intent of the department to adopt the rule shall be mailed to all persons who have made timely request for such notice, which notice shall be mailed at the earliest possible date, and in no case later than ten days after the date when the proposed rule is submitted to the Louisiana Register.

(d) For the purpose of timely notice as required by this Paragraph, the date of notice shall be deemed to be the date of publication of the issue of the Louisiana Register in which the

notice appears, such publication date to be the publication date as stated on the outside cover or the first page of said issue.

(e) The department shall afford all interested persons an opportunity to submit data, views, comments, or arguments related to the proposed rule, in writing, during a period of no less than thirty days. The department shall consider fully all written comments and submissions respecting the proposed rule.

(f) The department shall make available to all interested persons copies of the proposed rule from the time the notice of its adoption is published in the Louisiana Register.

(g) The department shall issue a response to comments and submissions describing the principal reasons for and against adoption of any amendments or changes suggested in the written comments and submissions and specifically addressing any assertion that the proposed rule is not identical to the federal law or regulation upon which it is based. The department shall issue such response to comments and submissions to any person who presented comments or submissions on the rule and to any requesting person no later than fifteen days prior to the time of publication of the final rule.

(h) No later than fifteen days prior to the time of publication of the final rule in the Louisiana Register, the secretary or any authorized assistant secretary of the department shall (i) certify, under oath, to the governor of the state of Louisiana, the attorney general of Louisiana, the speaker of the House of Representatives, the president of the Senate, the chairman of the House Committee on the Environment, the chairman of the Senate Committee on Environmental Quality, and the office of the state register that the proposed rule is identical to a specified federal law or regulation applicable in Louisiana and (ii) furnish the chairman of the Senate Committee on Environmental Quality and the chairman of the House Committee on the Environment the response to comments and submissions required under Subparagraph (g) of this Paragraph, together with a copy of the notice required under Subparagraph (a) of this Paragraph.

(i) Unless specifically requested, in writing, by the chairman of the House Committee on the Environment or the chairman of the Senate Committee on Environmental Quality within ten days of the certification provided under Subparagraph (h) of this Paragraph, there shall be no legislative oversight of the proposed rule. If, however, legislative oversight is properly requested, R.S. 49:968 and Items A(2)(b)(ii) and (iii) of this Section, shall thereafter apply with respect to the proposed rule.

(j) In the absence of legislative oversight, the proposed rule may be adopted by the Department of Environmental Quality no earlier than sixty days, nor later than twelve months, after the official notice of the proposed rule was published in the Louisiana Register; provided, however, that the proposed rule shall be effective upon its publication in the Louisiana Register, said publication to be subsequent to the act of adoption.

(4) The procedures set forth in Paragraph (3) of this Subsection for the adoption by the Department of Environmental Quality of rules identical to federal laws or regulations applicable in Louisiana shall not be available for the adoption of any rules creating or increasing fees.

G. (1) Prior to or concurrent with publishing notice of any proposed policy, standard, or regulation pursuant to Subsection A of this Section and prior to promulgating any policy, standard, or final regulation whether pursuant to R.S. 49:954 or otherwise under the authority of the Louisiana Environmental Quality Act, R.S. 30:2001 et seq., the Department of Environmental Quality, after August 15, 1995, shall publish a report, or a summary of the report, in the Louisiana Register which includes:

(a) A statement identifying the specific risks being addressed by the policy, standard, or regulation and any published, peer-reviewed scientific literature used by the department to characterize the risks.

(b) A comparative analysis of the risks addressed by the policy, standard, or regulation relative to other risks of a similar or analogous nature to which the public is routinely exposed.

(c) An analysis based upon published, readily available peer-reviewed scientific literature, describing how the proposed and final policy, standard, or regulation will advance the purpose of protecting human health or the environment against the specified identified risks.

(d) An analysis and statement that, based on the best readily available data, the proposed or final policy, standard, or regulation presents the most cost-effective method practically achievable to produce the benefits intended regarding the risks identified in Subparagraph (a) of this Paragraph.

(2) No regulation shall become effective until the secretary complies with the requirements of Paragraph (1) of this Subsection.

(3) This provision shall not apply in those cases where the policy, standard, or regulation:

(a) Is required for compliance with a federal law or regulation.

(b) Is identical to a federal law or regulation applicable in Louisiana.

(c) Will cost the state and affected persons less than one million dollars, in the aggregate, to implement.

(d) Is an emergency rule under Subsection B of this Section.

(4) For purposes of this Subsection, the term "identical" shall mean that the proposed rule has the same content and meaning as the corresponding federal law or regulation.

(5) In complying with this Section, the department shall consider any scientific and economic studies or data timely provided by interested parties which are relevant to the issues addressed herein and the proposed policy, standard, or regulation being considered.

§ 954. Filing; taking effect of rules

A. No rule adopted on or after January 1, 1975, is valid unless adopted in substantial compliance with this Chapter. Each rule making agency shall file a certified copy of its rules with the Department of the State Register. No rule, whether adopted before, on, or after January 1, 1975, shall be effective, nor may it be enforced, unless it has been properly filed with the Department of the State Register. No rule, adopted on or after November 1, 1978, shall be effective, nor may it be enforced, unless prior to its adoption a report relative to the proposed rule change is submitted to the appropriate standing committee of the legislature or to the presiding officers of the respective houses as provided in R.S. 49:968. No rule, adopted on or after September 12, 1980, shall be effective, nor may it be enforced, unless the approved economic and fiscal impact statements, as provided in R.S. 49:953A, have been filed with the Department of State Register and published in the Louisiana Register. The inadvertent failure to mail notice and statements to persons making request for such mail notice, as provided in R.S. 49:953, shall not

invalidate any rule adopted hereunder. A proceeding under R.S. 49:963 to contest any rule on the grounds of noncompliance with the procedures for adoption, as given in this Chapter, must be commenced within two years from the date upon which the rule became effective.

B. Each rule hereafter adopted shall be effective upon its publication in the Louisiana Register, said publication to be subsequent to the act of adoption, except that:

(1) If a later date is required by statute or specified in the rule, the later day is the effective date.

(2) Subject to applicable constitutional or statutory provisions, an emergency rule shall become effective on the date of its adoption, or on a date specified by the agency to be not more than sixty days future from the date of its adoption, provided written notice is given within five days of the date of adoption to the governor of Louisiana, the attorney general of Louisiana, the speaker of the House of Representatives, and the president of the Senate, and the Department of the State Register as provided in R.S. 49:953(B). Such emergency rule shall not remain in effect beyond the publication date of the Louisiana Register published in the month following the month in which the emergency rule is adopted, unless such rule and the reasons for adoption thereof are published in said issue; provided, however, that any emergency rule so published shall not be effective for a period longer than one hundred twenty days, except as provided by R.S. 49:967(D), but the adoption of an identical rule under Paragraphs (1), (2) and (3) of Subsection A of R.S. 49:953 is not precluded. The agency shall take appropriate measures to make emergency rules known to the persons who may be affected by them.

§ 954.1. Louisiana Administrative Code and Louisiana Register; publication; distribution; copies; index; interagency rules

A. The Department of the State Register shall compile, index, and publish a publication to be known as the Louisiana Administrative Code, containing all effective rules adopted by each agency subject to the provisions of this Chapter, and all boards, commissions, agencies and departments of the executive branch, notwithstanding any other provision of law to the contrary. The Louisiana Administrative Code shall also contain all executive orders issued by the governor on or after May 9, 1972, which are in effect at the time the Louisiana Administrative Code is published. The Louisiana Administrative Code shall be supplemented or revised as often as necessary and at least once every two years.

B. The Department of the State Register shall publish at least once each month a bulletin to be known as the Louisiana Register which shall set forth the text of all rules filed during the preceding month and such notices as shall have been submitted pursuant to this Chapter. It shall also set forth all executive orders of the governor issued during the preceding month and a summary or digest of and fiscal note prepared for each such order as required by the provisions of R.S. 49:215. In addition, the Department of the State Register may include in the Louisiana Register digests or summaries of new or proposed rules; however, if any conflict should arise between the written digest of a rule and the rule, the rule shall take precedence over the written digest.

C. The Department of the State Register shall publish such rules, notices, statements, and other such matters as submitted by the rulemaking agency without regard to their validity. However, the State Register may omit from the Louisiana Register or Louisiana Administrative Code any rule the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if the rule in printed or processed form is made available on application to the adopting agency, and if the Louisiana Register or Louisiana Administrative Code, as the case may be, contains a notice stating the general subject matter of the omitted rule and stating how a copy thereof may be

obtained.

D. One copy, or multiple copies if practical, of the Louisiana Register and Louisiana Administrative Code shall be made available upon request to state depository libraries free of charge, and to other agencies or persons at prices fixed by the department of the state register to recover all or a portion of the mailing and publication costs. Notwithstanding the provisions of R.S. 49:951(2) of this Chapter to the contrary, the department of the state register shall provide free copies of the Louisiana Register and the Louisiana Administrative Code to the David R. Poynter Legislative Research Library, the Senate Law Library, and the Huey P. Long Memorial Law Library.

E. The Department of the State Register shall prescribe a uniform system of indexing, numbering, arrangement of text and citation of authority and history notes for the Louisiana Administrative Code.

F. The Department of the State Register may publish advertisements for bids and other legal notices in the Louisiana Register in addition to other publications thereof required by law.

G. The Department of the State Register is hereby authorized and empowered to promulgate and enforce interagency rules for the implementation and administration of this Section.

H. The governor shall be the publisher of the Louisiana Administrative Code and Louisiana Register provided for through the Department of the State Register.

§ 954.2 Repealed by Acts 2004, No. 220, § 1.

§ 954.3. Environmental Regulatory Code

The Department of Environmental Quality shall codify its rules and regulations in effect on March 1, 1992, in the Environmental Regulatory Code, and thereafter, shall update such codification of its rules and regulations on a quarterly basis. The secretary shall complete and offer for sale at cost the initial codification within one hundred and eighty days from March 1, 1992.

§ 955. Adjudication; notice; hearing; records

A. In an adjudication, all parties who do not waive their rights shall be afforded an opportunity for hearing after reasonable notice.

B. The notice shall include:

- (1) A statement of the time, place, and nature of the hearing;
- (2) A statement of the legal authority and jurisdiction under which the hearing is to be held;
- (3) A reference to the particular sections of the statutes and rules involved;
- (4) A short and plain statement of the matters asserted.

If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter, upon application, a more definite and detailed statement shall be furnished.

C. Opportunity shall be afforded all parties to respond and present evidence on all issues of fact involved and argument on all issues of law and policy involved and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

D. Unless precluded by law, informal disposition may be made of any case of adjudication by stipulation, agreed settlement, consent order, or default.

E. The record in a case of adjudication shall include:

- (1) All pleadings, motions, intermediate rulings;
- (2) Evidence received or considered or a resume thereof if not transcribed;
- (3) A statement of matters officially noticed except matters so obvious that statement of them would serve no useful purpose;
- (4) Offers of proof, objections, and rulings thereon;
- (5) Proposed findings and exceptions;
- (6) Any decision, opinion, or report by the officer presiding at the hearing.

F. The agency shall make a full transcript of all proceedings before it when the statute governing it requires it, and, in the absence of such requirement, shall, at the request of any party or person, have prepared and furnish him with a copy of the transcript or any part thereof upon payment of the cost thereof unless the governing statute or constitution provides that it shall be furnished without cost.

G. Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

§ 956. Rules of evidence; official notice; oaths and affirmations; subpoenas; depositions and discovery; and confidential privileged information

In adjudication proceedings:

(1) Agencies may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent men in the conduct of their affairs. They shall give effect to the rules of privilege recognized by law. Agencies may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form.

(2) All evidence, including records and documents in the possession of the agency of which it desires to avail itself, shall be offered and made a part of the record, and all such documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference. In case of incorporation by reference, the materials so incorporated shall be available for examination by the parties before being received in evidence.

(3) Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports

or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(4) Any agency or its subordinate presiding officer conducting a proceeding subject to this Chapter shall have the power to administer oaths and affirmations, regulate the course of the hearings, set the time and place for continued hearings, fix the time for filing of briefs and other documents, and direct the parties to appear and confer to consider the simplification of the issues.

(5) (a) Any agency or its subordinate presiding officer shall have power to sign and issue subpoenas in the name of the agency requiring attendance and giving of testimony by witnesses and the production of books, papers, and other documentary evidence. No subpoena shall be issued until the party who wishes to subpoena the witness first deposits with the agency a sum of money sufficient to pay all fees and expenses to which a witness in a civil case is entitled pursuant to R.S. 13:3661 and R.S. 13:3671.

(b) A subpoena issued pursuant to this Section shall be served by any agent of the agency, by the sheriff, by any other officer authorized by law to serve process in this state, by certified mail, return receipt requested, or by any person who is not a party and who is at least eighteen years of age. Witnesses subpoenaed to testify before an agency only to an opinion founded on special study or experience in any branch of science, or to make scientific or professional examinations, and to state the results thereof, shall receive such additional compensation from the party who wishes to subpoena such witness as may be fixed by the agency with reference to the value of the time employed and the degree of learning or skill required.

(c) Whenever any person summoned under this Section neglects or refuses to obey such summons, or to produce books, papers, records, or other data, or to give testimony, as required, the agency may apply to the judge of the district court for the district within which the person so summoned resides or is found, for an attachment against him as for a contempt. It shall be the duty of the judge to hear the application, and, if satisfactory proof is made, to issue an attachment, directed to some proper officer, for the arrest of such person, and upon his being brought before him, to proceed to a hearing of the case; and upon such hearing, the judge shall have power to make such order as he shall deem proper, not inconsistent with the law for the punishment of contempts, to enforce obedience to the requirements of the summons and to punish such person for his default or disobedience.

(6) The agency or a subordinate presiding officer or any party to a proceeding before it may take the depositions of witnesses, within or without the state and may conduct discovery in all manners as provided by law in civil actions. Depositions so taken and admissions, responses, and evidence produced pursuant to discovery shall be admissible in any proceeding affected by this Chapter. The admission of such depositions, admissions, responses, and evidence may be objected to at the time of hearing and may be received in evidence or excluded from the evidence by the agency or presiding officer in accordance with the rules of evidence provided in this Chapter.

(7) Repealed by Acts 1995, No. 760, §2, eff. June 27, 1995.

(a) Records and documents, in the possession of any agency or of any officer or employee thereof including any written conclusions drawn therefrom, which are deemed confidential and privileged shall not be made available for adjudication proceedings of that agency and shall not be subject to subpoena by any person or other state or federal agency.

(b) Such records or documents shall only include any private contracts, geological and geophysical information and data, trade secrets and commercial or financial data, which are obtained by an agency through a voluntary agreement between the agency and any person, which

said records and documents are designated as confidential and privileged by the parties when obtained, or records and documents which are specifically exempt from disclosure by statute.

(c) Any violation of this prohibition shall be a waiver of governmental immunity from suit for damage resulting from any such disclosure.

(d) Notwithstanding the provisions of Subparagraphs (a) and (c) of this Paragraph the state boards and agencies identified in R.S. 13:3715.1(J) may make available and use records and documents, including any written conclusions drawn therefrom, which are otherwise deemed confidential or privileged and which are in the possession of such board or agency or any officer, employee, or agent thereof, or any attorney acting on its behalf in any adjudication proceedings of such agency, provided that in any case involving medical or patient records, the identity of any patient shall be maintained in confidence. Any such records shall be altered so as to prevent the disclosure of the identity of the patient to whom such records or testimony relates. Disclosure by such board or agency or any officer, employee, agent, or attorney acting on behalf of any of them, of any material otherwise deemed privileged or confidential under state law, which is made in response to a federal subpoena, shall not constitute a waiver of governmental immunity from suit for damages resulting from such disclosure. Such boards and agencies, including their officers, employees, agents, and attorneys, shall nevertheless assert any privilege which is recognized and applicable under federal law when responding to any such federal subpoena.

§ 956.1 Administrative proceedings; member of the legislature as witness (Acts 2006, No. 690, §3, eff. June 29, 2006)

An application for an order compelling discovery to a member of the legislature in his capacity as a state lawmaker when the legislature or either body thereof is not a party to the proceeding may be made to the agency in which the action is pending, but no order compelling discovery shall issue except in strict conformity with the provisions of R.S. 13:3667.3(C). (Acts 2006, No. 690, §3, eff. June 29, 2006)

§ 957. Examination of evidence by agency

When in an adjudication proceeding a majority of the officials of the agency who are to render the final decision have not heard the case or read the record, or the proposed order is not prepared by a member of the agency, the decision, if adverse to a party to the proceeding other than the agency itself, shall not be made final until a proposed order is served upon the parties, and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision. The proposed order shall be accompanied by a statement of the reasons therefor and of the disposition of each issue of fact or law necessary to the proposed order, prepared by the person who conducted the hearing or by one who has read the record. No sanction shall be imposed or order be issued except upon consideration of the whole record and as supported by and in accordance with the reliable, probative, and substantial evidence. The parties by written stipulation may waive, and the agency in the event there is no contest may eliminate, compliance with this Section.

§ 958. Decisions and orders

A final decision or order adverse to a party in an adjudication proceeding shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a

party submitted proposed findings of fact, the decision shall include a ruling upon each proposed finding. Parties shall be notified either personally or by mail of any decision or order. Upon request, a copy of the decision or order shall be delivered or mailed forthwith to each party and to his attorney of record. The parties by written stipulation may waive, and the agency in the event there is no contest may eliminate, compliance with this Section.

§ 959. Rehearings

A. A decision or order in a case of adjudication shall be subject to rehearing, reopening, or reconsideration by the agency, within ten days from the date of its entry. The grounds for such action shall be either that:

- (1) The decision or order is clearly contrary to the law and the evidence;
- (2) The party has discovered since the hearing evidence important to the issues which he could not have with due diligence obtained before or during the hearing;
- (3) There is a showing that issues not previously considered ought to be examined in order properly to dispose of the matter; or
- (4) There is other good ground for further consideration of the issues and the evidence in the public interest.

B. The petition of a party for rehearing, reconsideration, or review, and the order of the agency granting it, shall set forth the grounds which justify such action. Nothing in this Section shall prevent rehearing, reopening or reconsideration of a matter by any agency in accordance with other statutory provisions applicable to such agency, or, at any time, on the ground of fraud practiced by the prevailing party or of procurement of the order by perjured testimony or fictitious evidence. On reconsideration, reopening, or rehearing, the matter may be heard by the agency, or it may be referred to a subordinate deciding officer. The hearing shall be confined to those grounds upon which the reconsideration, reopening, or rehearing was ordered. If an application for rehearing shall be timely filed, the period within which judicial review, under the applicable statute, must be sought, shall run from the final disposition of such application.

§ 960. Ex parte consultations and recusations

A. Unless required for the disposition of ex parte matters authorized by law, members or employees of an agency assigned to render a decision or to make findings of fact and conclusions of law in a case of adjudication noticed and docketed for hearing shall not communicate, directly or indirectly, in connection with any issue of fact or law, with any party or his representative, or with any officer, employee, or agent engaged in the performance of investigative, prosecuting, or advocating functions, except upon notice and opportunity for all parties to participate.

B. A subordinate deciding officer or agency member shall withdraw from any adjudicative proceeding in which he cannot accord a fair and impartial hearing or consideration. Any party may request the disqualification of a subordinate deciding officer or agency member, on the ground of his inability to give a fair and impartial hearing, by filing an affidavit, promptly upon discovery of the alleged disqualification, stating with particularity the grounds upon which it is claimed that a fair and impartial hearing cannot be accorded. The issue shall be determined promptly by the agency, or, if it affects a member or members of the agency, by the remaining members thereof, if a quorum. Upon the entry of an order of disqualification affecting a subordinate deciding officer, the agency shall assign another in his stead or shall conduct the hearing itself. Upon the disqualification of a

member of an agency, the governor immediately shall appoint a member pro tem to sit in place of the disqualified member in that proceeding. In further action, after the disqualification of a member of an agency, the provisions of R.S. 49:957 shall apply.

§ 961. Licenses

A. When the grant, denial, or renewal of a license is required to be preceded by notice and opportunity for hearing, the provisions of this Chapter concerning adjudication shall apply.

B. When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license shall not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

C. No revocation, suspension, annulment, or withdrawal of any license is lawful unless, prior to the institution of agency proceedings, the agency gives notice by mail to the licensee of facts or conduct which warrant the intended action, and the licensee is given an opportunity to show compliance with all lawful requirements for the retention of the license. If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

§ 962. Declaratory orders and rulings

Each agency shall provide by rule for the filing and prompt disposition of petitions for declaratory orders and rulings as to the applicability of any statutory provision or of any rule or order of the agency. Declaratory orders and rulings shall have the same status as agency decisions or orders in adjudicated cases.

§ 962.1. Judicial review, rule to show cause for permit applicants

A. If the secretary does not grant or deny a permit, license, registration, variance, or compliance schedule for which the applicant had applied within the time period as provided for in R.S. 30:26 and 2022(C), R.S. 49:214.30(C)(2), and R.S. 56:6(26), the applicant has the authority, on motion in a court of competent jurisdiction, to take a rule on the secretary to show cause in not less than two nor more than thirty days, exclusive of holidays, why the applicant should not be granted the permit, license, registration, variance, or compliance schedule for which the applicant had applied. The rule may be tried out of term and in chambers.

B. In any trial or hearing on the rule, the applicant shall be entitled to a presumption that the facts as stated in the affidavit of the applicant, which shall be attached to the rule are true. The rule of the applicant shall be denied by the court only if the secretary provides clear and convincing evidence of an unavoidable cause for the delay. However, in denying the rule, the court shall decree that the secretary shall grant or deny the application within a time set by the court, or the application shall be granted without further action of the secretary or the court.

C. If the rule is made absolute, the order rendered thereon shall be considered a judgment in favor of the applicant granting the applicant the permit, license, registration, variance, or compliance schedule for which the applicant had applied.

D. The provisions of Subsections A, B, and C of this Section shall not apply to permit applications submitted under the Louisiana Pollutant Discharge Elimination System (LPDES) program under the Louisiana Department of Environmental Quality.

§ 963. Judicial review of validity or applicability of rules

A. (1) The validity or applicability of a rule may be determined in an action for declaratory judgment in the district court of the parish in which the agency is located.

(2) The agency shall be made a party to the action.

B. (1) If, before the date set for hearing, application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court.

(2) The agency may modify its findings and decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

C. The court shall declare the rule invalid or inapplicable if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without substantial compliance with required rulemaking procedures.

D. An action for a declaratory judgment under this Section may be brought only after the plaintiff has requested the agency to pass upon the validity or applicability of the rule in question and only upon a showing that review of the validity and applicability of the rule in conjunction with review of a final agency decision in a contested adjudicated case would not provide an adequate remedy and would inflict irreparable injury.

E. Upon a determination by the court that any statement, guide, requirement, circular, directive, explanation, interpretation, guideline, or similar measure constitutes a rule as defined by R.S. 49:951(6) and that such measure has not been properly adopted and promulgated pursuant to this Chapter, the court shall declare the measure invalid and inapplicable. It shall not be necessary that all administrative remedies be exhausted.

§ 964. Judicial review of adjudication

A. (1) Except as provided in R.S. 15:1171 through 1177, a person who is aggrieved by a final decision or order in an adjudication proceeding is entitled to judicial review under this Chapter whether or not he has applied to the agency for rehearing, without limiting, however, utilization of or the scope of judicial review available under other means of review, redress, relief, or trial de novo provided by law. A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final agency decision would not provide an adequate remedy and would inflict irreparable injury.

(2) No agency or official thereof, or other person acting on behalf of an agency or official thereof shall be entitled to judicial review under this Chapter.

B. Proceedings for review may be instituted by filing a petition in the district court of the parish in which the agency is located within thirty days after mailing of notice of the final decision

by the agency or, if a rehearing is requested, within thirty days after the decision thereon. Copies of the petition shall be served upon the agency and all parties of record.

C. The filing of the petition does not itself stay enforcement of the agency decision. The agency may grant, or the reviewing court may order, a stay ex parte upon appropriate terms, except as otherwise provided by Title 37 of the Louisiana Revised Statutes of 1950, relative to professions and occupations. The court may require that the stay be granted in accordance with the local rules of the reviewing court pertaining to injunctive relief and the issuance of temporary restraining orders.

D. Within thirty days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record.

E. If, before the date set for hearing, application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court. The agency may modify its findings and decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

F. The review shall be conducted by the court without a jury and shall be confined to the record. In cases of alleged irregularities in procedure before the agency, not shown in the record, proof thereon may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

G. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

- (1) In violation of constitutional or statutory provisions;
- (2) In excess of the statutory authority of the agency;
- (3) Made upon unlawful procedure;
- (4) Affected by other error of law;
- (5) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion; or

(6) Not supported and sustainable by a preponderance of evidence as determined by the reviewing court. In the application of this rule, the court shall make its own determination and conclusions of fact by a preponderance of evidence based upon its own evaluation of the record reviewed in its entirety upon judicial review. In the application of the rule, where the agency has the opportunity to judge the credibility of witnesses by first-hand observation of demeanor on the witness stand and the reviewing court does not, due regard shall be given to the agency's determination of credibility issues.

§964.1. Judicial review; attorney fees; court costs; report

A. If an agency or official thereof, or other person acting on behalf of an agency or official thereof, files a petition for judicial review of a final decision or order in an adjudication proceeding and such agency, official, or person does not prevail in the final disposition of the judicial review, the agency shall be responsible for the payment of reasonable attorney fees and court costs of the other party.

B. Notwithstanding any provision of R.S. 13:4521 to the contrary, an agency or official thereof, or other person acting on behalf of an agency or official thereof, which files a petition for judicial review of a final decision or order in an adjudication proceeding shall be required to pay court costs.

C. All payments for litigation expenses required by this Section shall be paid from the agency's regular operating budget. Each agency which has paid such litigation expenses shall submit a detailed report of all such payments from the prior fiscal year to its legislative oversight committees and to the Joint Legislative Committee on the Budget no later than November fifteenth of each year. For the purposes of this Subsection and of R.S. 49:992(H), the term "litigation expenses" shall mean court costs and attorney fees of the agency and of any other party if the agency was required to pay such costs and fees.

§ 965. Appeals

An aggrieved party may obtain a review of any final judgment of the district court by appeal to the appropriate circuit court of appeal. The appeal shall be taken as in other civil cases.

§ 965.1. Expenses of administrative proceedings; right to recover

A. When a small business files a petition seeking: (1) relief from the application or enforcement of an agency rule or regulation, (2) judicial review of the validity or applicability of an agency rule, (3) judicial review of an adverse declaratory order or ruling, or (4) judicial review of a final decision or order in an adjudication proceeding, the petition may include a claim against the agency for the recovery of reasonable litigation expenses. If the small business prevails and the court determines that the agency acted without substantial justification, the court may award such expenses, in addition to granting any other appropriate relief.

B. A small business shall be deemed to have prevailed in an action when, in the final disposition, its position with respect to the agency rule or declaratory order or ruling is maintained, or when there is no adjudication, stipulation, or acceptance of liability on its part. However, a small business shall not be deemed to have prevailed, if the action was commenced at the instance of, or on the basis of a complaint by, anyone other than an officer, agent, or employee of the agency and was dismissed by the agency on a finding of no cause for the action or settled without a finding of fault on the part of the small business.

C. An agency shall pay any award made against it pursuant to this Section from funds in its regular operating budget and shall, at the time of its submission of its proposed annual budget, submit to the division of administration and to the presiding officer of each house of the legislature a report of all such awards paid during the previous fiscal year.

D. As used in this Section:

(1) "Reasonable litigation expenses" means any expenses, not exceeding seven thousand five hundred dollars in connection with any one claim, reasonably incurred in opposing or contesting the agency action, including costs and expenses incurred in both the administrative proceeding and the judicial proceeding, fees and expenses of expert or other witnesses, and attorney fees.

(2) "Small business" means a small business as defined by the Small Business Administration, which for purposes of size eligibility or other factors, meets the applicable criteria set forth in 13 Code of Federal Regulations, Part 121, as amended.

§ 966. Construction and effect; judicial cognizance

A. Nothing in this Chapter shall be held to diminish the constitutional rights of any person or to limit or repeal additional requirements imposed by statute or otherwise recognized by law. Except as otherwise required by law, all requirements or privileges relating to evidence or procedure shall apply equally to agencies and persons. Every agency is granted all authority necessary to comply with the requirements of this Chapter through the issuance of rules or otherwise.

No subsequent legislation shall be held to supersede or modify the provisions of this Chapter except to the extent that such legislation shall do so expressly.

(24) In addition to the submission of a report relative to a proposed rule change or fee adoption, increase, or decrease by an agency to the appropriate standing committee as specified in Paragraphs (1) through (23) of this Subsection, whenever the fiscal impact of the rule or fee adoption, increase, or decrease, as indicated by the statement of fiscal impact required by R.S. 49:968(C)(5), exceeds one million dollars, the report on the proposed rule change or fee adoption, increase, or decrease shall also be submitted to the Senate Committee on Finance and the House Committee on Appropriations and shall be subject to review by those committees in the same manner and to the same extent as the review of the standing committees provided for in Paragraphs (1) through (23) of this Subsection.

C. The report, as provided for in Subsection B of this Section, shall contain:

(1) A copy of the rule as it is proposed for adoption, amendment, or repeal and a statement of the amount of the fee to be adopted or the amount of the proposed increase or decrease. The rule shall be coded with any new rule or language that is to be added to an existing agency rule underscored and any language that is to be deleted from an existing agency rule in struck-through type.

(2) A statement of the proposed action, that is, whether the rule is proposed for adoption, amendment, or repeal; a brief summary of the content of the rule if proposed for adoption or repeal; and a brief summary of the change in the rule if proposed for amendment.

(4) A statement of the circumstances which require adoption, amending, or repeal of the rule or the adoption, increasing, or decreasing of the fee.

(5) A statement of the fiscal impact of the proposed action and a statement of the economic impact of the proposed action, both approved by the Legislative Fiscal Office.

D. (1) (a) The chairman of each standing committee to which reports are submitted shall appoint an oversight subcommittee, which may conduct hearings on all rules that are proposed for adoption, amendment, or repeal and on all proposed fee adoptions, increases, or decreases. Any such hearing shall be conducted after any hearing is conducted by the agency pursuant to R.S. 49:953(A)(2).

(b) The agency shall submit a report to the subcommittee, in the same manner as

the submittal of the report provided for in Subsection B of this Section, which shall include:

(i) A summary of all testimony at any hearing conducted pursuant to R.S. 49:953(A)(2).

(ii) A summary of all comments received by the agency, a copy of the agency's response to the summarized comments, and a statement of any tentative or proposed action of the agency resulting from oral or written comments received.

(iii) A revision of the proposed rule if any changes to the rule have been made since the report provided for in Subsection B of this Section was submitted, or a statement that no changes have been made.

(iv) A concise statement of the principal reasons for and against adoption of any amendments or changes suggested.

(2) (a) Except as provided in Paragraph H(2) of this Section, any subcommittee hearing on a proposed rule shall be held no earlier than five days and no later than thirty days following the day the report required by Subparagraph (1)(b) of this Subsection is received by the subcommittee.

(b) The oversight subcommittee may consist of the entire membership of the standing committee and shall consist of at least a majority of the membership of the standing committee, at the discretion of the chairman of the standing committee, with the concurrence of the speaker of the House of Representatives or the president of the Senate. House and Senate oversight subcommittees may meet jointly or separately to conduct hearings for purposes of rules review.

(3) At such hearings, the oversight subcommittees shall:

(a) Determine whether the rule change or action on fees is in conformity with the intent and scope of the enabling legislation purporting to authorize the adoption thereof.

(b) Determine whether the rule change or action on fees is in conformity and not contrary to all applicable provisions of law and of the constitution.

(c) Determine the advisability or relative merit of the rule change or action on fees.

(d) Determine whether the rule change or action on fees is acceptable or unacceptable to the oversight subcommittee.

E. (1) (a) Each such determination shall be made by the respective subcommittees of each house acting separately. Action by a subcommittee shall require the favorable vote of a majority of the members of the subcommittee who are present and voting, provided a quorum is present.

(b) No later than three weeks before the deadline for legislative oversight action, the chairman of the subcommittee may request, by letter, the consent of the subcommittee members to have a mail ballot instead of a meeting to consider a proposed rule or proposed fee action. If no objection is received within ten days of the chairman's request, the chairman shall cause a mail ballot to be sent to the members of the subcommittee. In order for the subcommittee to reject a proposed rule or proposed fee action, a majority of ballots returned to the chairman at least twenty-four hours prior to the deadline for legislative oversight action must disapprove the change. Any determination by the subcommittee shall be made within the period provided for oversight hearings in Paragraph D(2) of this Section.

(2) Failure of a subcommittee to conduct a hearing or to make a determination regarding any rule proposed for adoption, amendment, or repeal shall not affect the validity of a rule otherwise adopted in compliance with this Chapter.

F. (1) If either the House or Senate oversight subcommittee determines that a proposed rule change or proposed fee action is unacceptable, the respective subcommittee shall provide a written report which contains the following:

(a) A copy of the proposed rule or a statement of the amount of the proposed fee action.

(b) A summary of the determinations made by the subcommittee in accordance with Subsections D and E of this Section.

(2) The written report shall be delivered to the governor, the agency proposing the rule change, and the Louisiana Register no later than four days after the committee makes its determination.

G. After receipt of the report of the subcommittee, the governor shall have ten calendar days in which to disapprove the action taken by the subcommittee. If the action of the subcommittee is not disapproved by the governor within ten calendar days from the day the subcommittee report is delivered to him, the rule change shall not be adopted by the agency until it has been changed or modified and subsequently found acceptable by the subcommittee, or has been approved by the standing committee, or by the legislature by concurrent resolution. If a proposed rule change is determined to be unacceptable by an oversight committee and such determination is not disapproved by the governor as provided in this Section, the agency shall not propose a rule change or emergency rule that is the same or substantially similar to such disapproved proposed rule change nor shall the agency adopt an emergency rule that is the same or substantially similar to such disapproved proposed rule change within four months after issuance of a written report by the subcommittee as provided in Subsection F of this Section nor more than once during the interim between regular sessions of the legislature.

H. (1) If both the House and Senate oversight subcommittees fail to find a proposed rule change unacceptable as provided herein, or if the governor disapproves the action of an oversight subcommittee within the time provided in R.S. 49:968(G), the proposed rule change may be adopted by the agency in the identical form proposed by the agency or with technical changes or with changes suggested by the subcommittee, provided at least ninety days and no more than twelve months have elapsed since notice of intent was published in the State Register.

(2) Substantive changes to a rule proposed for adoption, amendment, or repeal occur if the nature of the proposed rule is altered or if such changes affect additional or different substantive matters or issues not included in the notice required by R.S. 49:953(A)(1). Whenever an agency seeks to substantively change a proposed rule after notice of intent has been published in the Louisiana Register pursuant to R.S. 49:953(A)(1), the agency shall hold a public hearing on the substantive changes preceded by an announcement of the hearing in the Louisiana Register. A notice of the hearing shall be mailed within ten days after the date the announcement is submitted to the Louisiana Register to all persons who have made request of the agency for such notice. Any hearing by the agency pursuant to this Paragraph shall be held no earlier than thirty days after the publication of the announcement in the Louisiana Register. The agency hearing shall conform to R.S. 49:953(A)(2)(b), and a report on the hearing shall be made to the oversight committees in accordance with Subparagraph D(1)(b) of this Section. The agency shall make available to interested persons a copy of such report no later than one working day following the submittal of such report to the oversight committees. Any determination as to the rule by the oversight committees, prior to gubernatorial review as provided in Subsection G of this Section,

shall be made no earlier than five days and no later than thirty days following the day the report required by this Paragraph is received from the agency.

(3) If a rule or part of a rule that is severable from a larger rule or body of rules proposed as a unit is found unacceptable, the rules or parts thereof found acceptable may be adopted by the agency in accordance with Paragraph (1) of this Subsection.

I. If the governor disapproves the action of an oversight subcommittee, he shall state written reasons for his action and shall deliver a copy of his reasons to the House and Senate oversight subcommittees, the agency proposing the rule change, and the State Register.

J. The State Register shall publish a copy of the written report of an oversight subcommittee and the written report of the governor in disapproving any such action, or if unduly cumbersome, expensive, or otherwise inexpedient, a notice stating the general subject matter of the omitted report and stating how a copy thereof may be obtained.

K. Each year, thirty days prior to the beginning of the regular session of the legislature, each agency which has proposed the adoption, amendment, or repeal of any rule or the adoption, increase, or decrease of any fee during the previous year, shall submit a report to the appropriate committees as provided for in Subsection B of this Section. This report shall contain a statement of the action taken by the agency with respect to adoption, amendment, or repeal of each rule proposed for adoption, amendment, or repeal and a report of the action taken by the agency with respect to any proposed fee adoption, increase, or decrease.

L. After submission of the report to the standing committee, a public hearing may be held by the committee for the purpose of reviewing the report with representatives of the proposing agency.

M. No later than the second legislative day of the regular session of the legislature, a standing committee to which proposed rule changes or proposed fee changes are submitted may submit a report to the legislature. This report shall contain a summary of all action taken by the committee or the oversight subcommittee with respect to agency rules and fees during the preceding twelve months. The report shall also contain any recommendations of the committee for statutory changes concerning the agency, particularly in statutes authorizing the making and promulgation of rules and fees of the agency.

N. A standing committee may, at any time, exercise the powers granted to an oversight subcommittee under the provisions of this Section.

§ 969. Legislative veto, amendment, or suspension of rules, regulations, and fees

In addition to the procedures provided in R.S. 49:968 for review of the exercise of the rulemaking authority delegated by the legislature to state agencies, as defined by this Chapter, the legislature, by Concurrent Resolution, may suspend, amend, or repeal any rule or regulation or body of rules or regulations, or any fee or any increase, decrease, or repeal of any fee, adopted by a state department, agency, board, or commission. The Louisiana Register shall publish a brief summary of any Concurrent Resolution adopted by the legislature pursuant to this Section. Such summary shall be published not later than forty-five days after signing of such Resolution by the presiding officers of the legislature.

§ 970. Gubernatorial suspension or veto of rules and regulations

The governor, by executive order, may suspend or veto any rule or regulation or body of rules or regulations adopted by a state department, agency, board or commission, except as provided in R.S. 49:967, within thirty days of their adoption. Upon the execution of such an order, the governor shall transmit copies thereof to the speaker of the House of Representatives and president of the Senate.

§ 971. Rejection of agency fee adoption, increases, or decreases; prohibition against fee increases and new fees; exceptions

A. (1) If either the House or Senate oversight subcommittees appointed pursuant to R.S. 49:968 determines that a proposed fee adoption, increase, or decrease is unacceptable, the respective subcommittee shall provide a written report containing the reasons therefor to the governor, the agency proposing the fee adoption, increase, or decrease, and the other house of the legislature. If the oversight subcommittee of the other house of the legislature likewise determines that the proposed fee adoption, increase, or decrease is unacceptable the fee action shall not be adopted by the agency.

(2) If a proposed fee adoption, increase, or decrease is found unacceptable as provided in this Section, the agency shall not propose a fee or a fee change or an emergency fee or an emergency fee change that is the same or substantially similar to the disapproved fee action nor shall the agency adopt an emergency fee or fee change that is the same or substantially similar to the disapproved fee action within four months after issuance of the subcommittee report nor more than once during the interim between regular sessions of the legislature.

(3) However, no state agency which has the authority to impose or assess fees shall increase any existing fee or impose any new fee unless the fee increase or fee adoption is expressly authorized pursuant to a fee schedule established by statute or specifically authorized by a federal law, rules, or regulations for the purpose of satisfying an express mandate of such federal law, rule, or regulation. No state agency shall adjust, modify or change the formula for any authorized fee in a manner that would increase the fee paid by any person by more than five percent of the relevant fee paid by such person in the previous fiscal year. Proposed fee increases of less than five percent shall be subject to oversight as required by R.S. 49:968.

(4) (a) The provisions of Paragraph (3) of this Subsection shall not apply to any department which is constitutionally created and headed by an officer who is duly elected by a majority vote of the electorate of the state.

(b) The provisions of Paragraph (3) of this Subsection shall not apply to any state professional and occupational licensing boards.

B. Action by a subcommittee shall require the favorable vote of a majority of the members of the subcommittee who are present and voting, provided a quorum is present.

§972. Family impact statement; issues to be considered; procedure; penalty

A. Prior to the adoption and implementation of rules, each state agency shall consider and state in writing the impact of such rules on family formation, stability, and autonomy. This written consideration shall be known as the "family impact statement".

B. The family impact statement will consider and respond in writing to the following regarding the proposed rule:

D. For the purposes of this Section, "family" shall mean a group of individuals related by blood, marriage, or adoption who live together as a single household.

There shall also be incorporated therein, in an appropriate place and classification, the text of all the new rules of a general and public nature, assigning to these rules an appropriate title, part, chapter, and section number, and indicating the statutory authority of the rules from which they are taken.

The secretary or administrative officer shall be notified of the proposed correction. If no written disapproval of the secretary or administrative officer, or his designee, of the proposed correction is received by the office of the state register within seven days after the secretary or administrative officer receives the notice, the office of the state register shall then direct the printer to incorporate into the Louisiana Administrative Code the text of the provision

A. In preparing the Louisiana Register or the Louisiana Administrative Code as provided for in R.S. 49:981, the office of the state register shall not alter the sense, meaning, or effect of any rule properly promulgated under the Administrative Procedure Act, but it may:

B. The office of the state register shall notify the secretary or administrative officer charged with promulgation of the rule prior to making any proposed revision authorized by this Section. If no written disapproval of the secretary or administrative officer, or his designee, of the proposed revision is received by the office of the state register within seven days after the secretary or administrative officer receives the notice, the office of the state register shall proceed with the revision.

§ 984. Alphabetical or numerical sequence of laws

A. Whenever a rule defines terms, enumerates provisions or items, or otherwise sets forth provisions of a rule in a numerical or alphabetical listing or sequence, and such provision, as promulgated, fails to establish or fails to maintain an existing alphabetical or numerical sequence, the office of the state register, in preparing the Louisiana Register and the Louisiana Administrative Code as provided for by R.S. 49:983, shall rearrange and renumber or redesignate the provisions to the extent necessary to place all of them in consistent order.

B. The office of the state register shall notify the secretary or administrative officer charged with promulgation of the rule prior to making any proposed revision authorized by this Section. If no written disapproval of the secretary or administrative officer, or his designee, is received by the office of the state register within seven days after the secretary or administrative officer receives the notice, the office of the state register shall proceed with the revision.

The office of the state register shall order the printing of an edition sufficient in number to supply the demand. When the edition has been printed, the office of the state register shall affix to one copy of the printed edition the office of the state register's original certificate and file the same for record in his office. All other copies of the same edition may contain a printed facsimile of the office's certificate.

§ 987. Printing and publication of Louisiana Register; proof of certified edition

The office of the state register may enter into contracts with private publishers for the printing, publication, sale, and distribution of any edition of the Louisiana Register and the Louisiana Administrative Code prepared by the office of the state register and certified by it pursuant to the provisions of this Chapter. A copy of the written determination and order of the administrative law judge or the issuing agency and a certified transcript of all proceedings had, if any, shall be filed with the court at the same time as the petition of the enforcing authority.

(2) The holder of the license or permit that has been ordered suspended may also file a petition requesting that the order of the administrative law judge or the issuing agency be set aside at any time after it is issued.

B. (1) After or in conjunction with the filing of a petition as provided for in Subsection A of this Section, the holder of the license or permit that has been ordered suspended may file an application with the court with supporting affidavits requesting the court to make an initial determination as to whether the suspension of the license or permit by the administrative law judge or the issuing agency should be upheld.

(2) The court shall assign a hearing on the application for the initial determination not less than two nor more than ten days after the filing of such application, in open court or in chambers.

(3) The court shall review the written determination and order of the administrative law judge or issuing agency, any affidavits which were filed with the application, and the transcript of the proceedings, if any.

(4) If the court upon a review of such documents and consideration of the issues involved finds both that it is not probable that the order of the administrative law judge or the issuing agency will be upheld and that the suspension of the license or permit will result in irreparable injury, loss, or damage to the holder of the license or permit, the court shall issue an order enjoining the suspension until it renders a final judgment on the matter.

C. (1) Except for the procedure as provided in Subsection B of this Section, all of the cases provided for in this Section shall be tried in the same manner as civil cases and shall be heard and determined as speedily as possible.

(2) If the court finds that the action of the administrative law judge or the issuing agency is in accordance with the facts and law, the court shall render a judgment upholding the order of the administrative law judge or the issuing agency and revoking the license or permit of the holder. If not, the court shall either dismiss the order of the administrative law judge or the issuing agency and enjoin the suspension of the license or permit, or it shall remand the case to the administrative law judge or the issuing agency for further proceedings either with or without maintaining the suspension of the license or permit.
