D. (1) Whenever the commission receives a protest pursuant to the provisions of this Section, the commission shall consider the following in determining whether there is good cause to issue a license:

(a) Whether the community or territory can support an additional dealership.

(b) Notwithstanding the provisions of R.S. 32:1251 to the contrary, the financial impact on both the applicant and the existing dealership or dealerships.

(c) Whether the existing motor vehicle dealerships of the same line makes, models, or classifications in the dealership's community or territory are providing adequate representation and convenient consumer care for the motor vehicles of the same line makes, models, or classifications located within that area.

(d) Whether the issuance of the license would increase competition or be in the public interest, or both.

(2) The applicant and manufacturer or distributor shall have the burden of proof in demonstrating good cause by a preponderance of the evidence.

§1258. Denial, revocation, grounds, imposition of a civil penalty, or suspension of license; grounds; expiration

A. The commission may, in addition to imposing a civil penalty pursuant to the provisions of this Chapter, deny an application for a license or revoke or suspend a license after it has been granted for any of the following reasons:

(1) On satisfactory proof of unfitness of the applicant or the licensee, as the case may be, under the standards established and set out in this Chapter.

(2) For fraud practiced or any material misstatement made by an applicant in any application for license under the provisions of this Chapter.

(3) For any failure to comply with any provision of this Chapter or with any rule or regulation adopted and promulgated by the commission under authority vested in it by this Chapter.

(4) Change of condition after license is granted or failure to maintain the qualifications for license.

(5) Continued or flagrant violation of any of the rules or regulations of the commission.

(6) For any violation of any law relating to the sale, lease, rental, distribution, or financing of vehicles.

(7) Should the applicant have been convicted of a felony or entered a plea of guilty or nolo contendere to a felony charge under the law of the United States or of this or any other state.

(8) Upon a finding that, considering the matters set forth in the applicable paragraphs of R.S. 32:1254, the public interest is not served by the issuance of the license sought or continuance of the license previously granted.

(9) Failure to provide any bond or insurance required by this Chapter.

(10) Whenever a marine dealer intentionally removes marine engines from a boat package for the purpose of selling those engines separately in violation of a full-line marine engine dealer's area of responsibility, except that which may be done by a full-line dealer of that particular engine as it may be permitted under his full-line franchise agreement.

B. The commission may without prior notice deny the application for a license within thirty days after receipt thereof by written notice to the applicant stating the grounds for such denial. Upon request by the applicant whose license has been so denied, the commission shall set the time and place of hearing a review of such denial, the same to be heard with reasonable promptness.

C. The commission may suspend or revoke a license issued or impose a civil penalty only after a hearing of which the licensee affected shall be given at least ten days written notice specifying the grounds or reasons for suspension, revocation, or penalty. Such notice may be served as provided by law for the service of notices or by mailing a copy by registered or certified mail to the last known residence or business address of such licensee.

D. (1) The hearing on denial of a license, suspension or revocation of a license, or imposition of a civil penalty shall be at such time and place as the commission may prescribe and the affected applicant or licensee shall be notified of such time and place at least ten days prior to the date of hearing. The hearing shall be scheduled to be held within sixty days of notification to the licensee or applicant of the violation. The commission shall in like manner also notify the person, firm, association, corporation, or trust with whom the applicant or licensee is associated, or in whose association he is about to enter. The commission shall have the power to compel the production of records and papers bearing upon the application or complaints. The commission shall have the power to subpoena and bring before it any person in this state, or take testimony of any such person by deposition in the same manner as prescribed by law in judicial procedure before courts of the state in civil cases. Any party to such hearing shall have the right to procure the attendance of witnesses in his behalf upon designating to the commission the person or persons sought to be subpoenaed.

(2) If the commissioner shall determine that any applicant is not qualified to receive a license, a license shall not be granted to said applicant, and if the commission shall determine that any licensee is guilty of a violation of any of the provisions of this Chapter or the rules and regulations of the commission his or its license may be suspended or revoked, or a civil penalty may be imposed, or both.

E. All licenses shall be granted or refused within thirty days after application therefor, and shall expire as provided in this Chapter, unless sooner revoked or suspended, except that where a complaint of unfair cancellation of a dealer franchise is in process of being heard, no replacement application for such franchise shall be considered until a decision is rendered by the commission.

§1259. Injunctions; cease and desist orders

A. The commission is hereby authorized without posting of cost, bond, or deposit to institute an injunctive action in the district court for the parish in which the commission office is located or the district court for the parish in which the alleged offender is domiciled to enforce the provisions of this Chapter and any other law, rule, or regulation relating to the business for which a license is granted under this Chapter.

B. (1) If it appears to the commission at any time that a person is violating the provisions of this Chapter or any rule or order of the commission issued pursuant to this Chapter, it shall notify the person engaged in such conduct to appear and show cause why a cease and desist order should not be issued prohibiting the proscribed conduct. An interlocutory cease and desist order may be granted with or without bond or other undertaking if one of the following occurs:

(a) Such an order is necessary to the performance of the duties delegated to the commission by this Chapter or is otherwise necessary or convenient to maintaining the status quo between two or more adverse parties before the commission.

(b) A party before the commission is entitled to relief demanded of the commission and all or part of the relief requires the restraint of some act prejudicial to the party.

(c) A person is performing or is about to perform or is procuring or allowing the performance of an act relating to the subject of a contested case pending before the commission, in violation of the rights of a party before the commission, and the act would tend to render the commission's order in that case ineffectual.

(d) Substantial injury to the rights of a person subject to the commission's jurisdiction is

threatened irrespective of any remedy at law.

(2) Interlocutory cease and desist orders shall remain in effect until vacated or until incorporated into a final commission order. Permanent cease and desist orders may issue without regard to the enumerations in Paragraph (1) of this Subsection, but only in accordance with the provisions of this Chapter pertaining to the issuance of final commission orders. Appeal of any interlocutory cease and desist order shall be made to the commission prior to seeking judicial review under the provisions of this Chapter. Appeal of a permanent cease and desist order shall be conducted pursuant to the provisions of this Chapter pertaining to judicial review of final orders.

§1260. Penalties; other relief

A. (1) No civil penalty imposed for the violation of the provisions of this Chapter or the rules and regulations of the commission shall exceed five thousand dollars for each day such violation continues.

(2) On a second or subsequent violation, no civil penalty imposed shall exceed ten thousand dollars for each day such second or subsequent violation continues.

(3) In order to constitute a second or subsequent violation there must occur a lapse of at least one day following the first or previous violation.

(4) Any civil penalty imposed by the commission may, in the discretion of the commission, be suspended in whole or in part.

(5) No civil penalty imposed for the negligent filing or the untimely updating of information as required under the provisions of this Chapter or under the rules and regulations of the commission shall exceed one hundred dollars per day.

B. (1) In addition to the penalties provided under this Chapter, the commission is expressly empowered and authorized to order the renewal or reinstatement, as the case may be, of any franchise of a licensee which, after following the procedures under this Chapter, is found by the commission to have been unfairly cancelled or not renewed due to lack of just provocation or cause.

(2) The commission's authority to order a renewal or reinstatement, as the case may be, shall be consistent with the terms of the unfairly canceled franchise agreement.

(3) The commission shall order the renewal for an additional full franchise term or reinstatement for the remaining term of the franchise, as the case may be, under the franchise agreement.

(4) In addition to the penalties provided under this Chapter, the commission is expressly empowered and authorized, after following the procedures of this Chapter, to order the issuance of a franchise to a qualified transferee, whose application for transfer, sale, or exchange has been unreasonably withheld by a manufacturer, distributor, or converter and who meets the criteria generally applied by the manufacturer in approving new motor vehicle or specialty vehicle dealers and who agrees to be bound by all the terms and conditions of the standard franchise.

C. The commission may render judgment for costs, or any part thereof, against any party to proceedings held or court reporter fees, commission attorney fees, the mileage and per diem of the commissioners, and other applicable and reasonable costs.

D. If the commission finds that it is necessary and appropriate for the protection of prospective motor vehicle or specialty vehicle dealers, because a distributor has failed to demonstrate that adequate arrangements have been made to fulfill the distributor obligations under the franchise to provide motor vehicles, equipment, signage, or other items included in the franchise, the commission may by order require the escrow of all fees, deposits, and other funds paid by the motor vehicle or specialty vehicle dealer until such

obligations have been satisfied.

E. In addition to the penalties provided pursuant to this Chapter, the commission is expressly empowered and authorized, after following the procedures of this Chapter, to order the repurchase of all vehicles, signs, special tools, and automotive equipment and pay the costs to the licensee for the cost of transporting, handling, packing, and loading of vehicles, parts, signs, tools, and equipment subject to the repurchase requirements of R.S. 32:1268.

F. Upon the failure of any person to comply with any order of the commission issued as a result of a violation of this Chapter, or a rule or regulation adopted by the commission, the commission is authorized to file civil proceedings to enforce its order in the Twenty-Fourth Judicial District Court for the parish of Jefferson by rule to show cause conducted pursuant to the relevant provisions of the Louisiana Code of Civil Procedure. The commission shall be entitled to recover from such party all costs of the proceeding, including but not limited to court costs, discovery costs, and reasonable attorney fees incurred by the commission in enforcing its order.

§1261. Unauthorized acts

A. It shall be a violation of this Chapter:

(1) For a manufacturer, a distributor, a wholesaler, distributor branch, factory branch, converter or officer, agent, or other representative thereof:

(a) To induce or coerce, or attempt to induce or coerce, any licensee:

(i) To order or accept delivery of any recreational product, motor vehicle or vehicles, appliances, equipment, parts or accessories therefor, or any other commodity or commodities which shall not have been voluntarily ordered.

(ii) To order or accept delivery of any vehicle with special features, appliances, accessories, or equipment not included in the list price of said vehicles as publicly advertised.

(iii) To order for any person any parts, accessories, equipment, machinery, tools, appliances, or any commodity whatsoever.

(iv) To assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by law, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation between a manufacturer, distributor, wholesaler, distributor branch or factory branch, or officer, agent, or other representative thereof.

(v) To enter into a franchise with a licensee or during the franchise term, use any written instrument, agreement, release, assignment, novation, estoppel, or waiver, to attempt to nullify or modify any provision of this Chapter, or to require any controversy between a dealer and a manufacturer to be referred to any person or entity other than the commission, or duly constituted courts of this state or the United States, if such referral would be binding upon the dealer. Such instruments are null and void, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation.

(vi) To waive the right to a jury trial.

(vii) To participate in an advertising group or to participate monetarily in an advertising campaign or contest or to purchase any promotional materials, showroom, or other display decorations or materials at the expense of such motor vehicle dealer or specialty dealer.

(viii) To adhere to performance standards that are not applied uniformly to other similarly situated motor vehicle dealers or specialty dealers. Any such performance standards shall be fair, reasonable, equitable, and based on accurate information. If dealership performance standards are based on a survey, the manufacturer, converter, distributor, wholesaler, distributor branch, or factory branch shall establish the objectivity of the survey process and provide this information to any motor vehicle dealer or specialty vehicle dealer of the same line make covered by the survey request. Each response to a survey used by a manufacturer in preparing an evaluation or performance-rating of a motor vehicle dealer shall be made available to that motor vehicle dealer, or it cannot be used by the manufacturer. However, if a customer requests that the manufacturer or distributor not disclose the consumer's identity to the dealer, the manufacturer may withhold the consumer's identity in providing the survey response to the dealer, and the manufacturer may use the response. Any survey used must have the following characteristics:

(aa) It was designed by experts.

(bb) The proper universe was examined.

(cc) A representative sample was chosen.

(dd) The data was accurately reported.

(ix) To release, convey, or otherwise provide customer information, if to do so is unlawful or if the customer objects in writing. This does not include information that is necessary for the manufacturer to meet its obligations to the dealer or consumers in regard to contractual responsibilities, vehicle recalls, or other requirements imposed by state or federal law. The manufacturer is further prohibited from providing any consumer information received from the dealer to any unaffiliated third party.

(x) To pay the attorney fees of the manufacturer or distributor related to hearings and appeals brought under this Chapter.

(b) To refuse to deliver to any licensee having a franchise or contractual arrangement for the retail sale of vehicles sold or distributed by such manufacturer, distributor, wholesaler, distributor branch or factory branch, any motor vehicle, publicly advertised for immediate delivery, within sixty days after such dealer's order shall have been received.

(c) To threaten to cancel any franchise or any contractual agreement existing between such manufacturer, distributor, wholesaler, distributor branch or factory branch and said dealer for any reason including but not limited to failure to meet performance standards.

(d) To unfairly, without just cause and due regard to the equities of such dealer, cancel the franchise of any licensee. Failure to meet performance standards based on a survey of sales penetration in a regional, national, territorial, or other geographic area shall not be the sole cause for cancellation of a franchise. The nonrenewal of a franchise or selling agreement with such dealer or his successor without just provocation or cause, or the refusal to approve a qualified transferee or qualified successor to the dealer-operator as provided for in the franchise or selling agreement, or solely for failure to meet performance standards based on a survey of sales penetration in a regional, national, territorial, or other geographic area, shall be deemed an evasion of this Paragraph and shall constitute an unfair cancellation, regardless of the terms or provisions of such franchise or selling agreement. However, at least ninety-days notice shall be given to the dealer of any cancellation or nonrenewal of a franchise except for a cancellation arising out of the financial default of the motor vehicle dealer or fraudulent activity of the dealer principal which results in the conviction of a crime punishable by imprisonment. The provisions of this Subsection relating to performance standards shall not apply to recreational products dealers.

(e) To refuse to extend to a licensee the privilege of determining the mode or manner of available transportation facility that such dealer desires to be used or employed in making deliveries of vehicles to him or it.

(f) To resort to or use any false or misleading advertisement in connection with his business as such manufacturer of motor vehicles, distributor, wholesaler, distributor branch or factory branch, or officer,

agent, or other representative thereof.

(g) To delay, refuse, or fail to deliver motor vehicles in reasonable quantities relative to the licensee's facilities and sales potential in the relevant market area. This Subparagraph shall not be valid, however, if such failure is caused by acts or causes beyond the control of the manufacturer, distributor, or other such party.

(h) To ship or sell motor vehicles or recreational products to a licensee prior to the licensee having been granted a license by the commission to sell such vehicles.

(i) To unreasonably withhold consent to the sale, transfer, or exchange of the franchise to a qualified transferee capable of being licensed as a dealer in this state, provided the transferee meets the criteria generally applied by the manufacturer in approving new dealers and agrees to be bound by all the terms and conditions of the standard franchises.

(j) To fail to respond in writing to a written request for consent as specified in Subparagraph (l) of this Paragraph within sixty days of receipt of a written request on the forms, if any, generally utilized by the manufacturer or distributor for such purposes and containing the information required therein. Failure to respond shall be deemed to be consent to the request.

(k) (i) To sell or offer to sell a new or unused motor vehicle directly to a consumer except when any one of the following conditions is met:

(aa) Operating an existing, licensed, and franchised motor vehicle dealership for a reasonable period, not to exceed two years.

(bb) Operating an existing, licensed, and franchised motor vehicle dealership which is for sale to any qualified independent person at a fair and reasonable price, not to exceed two years.

(cc) Operating in a bona fide relationship in which a person independent of a manufacturer has made a significant investment subject to loss in the dealership, and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions.

(ii) After any of the conditions have been met under Subitems (aa) and (bb) of Item (i) of this Subparagraph, the commission may allow the manufacturer to continue operating an existing, licensed, and franchised motor vehicle dealership for longer than two years when, in the discretion of the commission, the best interest of the manufacturer, consuming public, and licensees are best served.

(l) To condition the renewal or extension of a franchise on a new motor vehicle dealer's substantial renovation of the dealer's place of business or on the construction, purchase, acquisition, or rental of a new place of business by the new motor vehicle dealer, unless the manufacturer has advised the new motor vehicle dealer in writing of its intent to impose such a condition within a reasonable time prior to the effective date of the proposed date of renewal or extension, but in no case less than one hundred eighty days, and provided the manufacturer demonstrates the need for such demand in view of the need to service the public and the economic conditions existing in the motor vehicle industry at the time such action would be required of the new motor vehicle dealer. As part of any such condition the manufacturer shall agree, in writing, to supply the dealer with an adequate supply and marketable model mix of motor vehicles to meet the sales levels necessary to support the increased overhead incurred by the dealer by reason of such renovation, construction, purchase, or rental of a new place of business.

(m) To fail to compensate its dealers for the work and services they are required to perform in connection with the dealer's delivery and preparation obligations according to the terms of compensation. The commission shall find the compensation to be reasonable or the manufacturer shall remedy any deficiencies.

(n) To fail to designate and provide to the commission in writing either the community or territory assigned to a licensee. The provisions of this Subparagraph shall not apply to trailers.

(o) To fail or refuse to sell or offer to sell to all motor vehicle franchisees in a line make, every motor vehicle sold or offered for sale under a franchise to any motor vehicle franchisee of the same-line make, or to unreasonably require a motor vehicle dealer to pay an extra fee, purchase unreasonable advertising displays or any other materials, or to remodel, renovate, or recondition its existing facilities as a prerequisite to receiving a certain model or series of vehicles. However, the failure to deliver any such motor vehicle shall not be considered a violation of this Section if the failure is due to a lack of manufacturing capacity or to a strike or labor difficulty, a shortage of materials, a freight embargo or other cause of which the franchisor has no control. This Subparagraph shall not apply to recreational product manufacturers.

(p) To unreasonably discriminate among competing, similarly situated, same-line make dealers in the sales of vehicles, in the availability of such vehicles, in the terms of incentive programs or sales promotion plans, or in other similar programs.

(q) To terminate, cancel, or refuse to continue any franchise agreement based upon the fact that the motor vehicle dealer owns, has an investment in, participates in the management, or holds a franchise agreement for the sale or service of another make or line of new motor vehicles at a different dealership location, or intends to or has established another make or line of new motor vehicles in the same dealership facilities of the manufacturer or distributor.

(r) To demand compliance with facilities requirements that include any requirements that a motor vehicle dealer establish or maintain exclusive office, parts, service or body shop facilities, unless the requirements would be reasonable and justified by business considerations. The burden of proving that the requirements are reasonable and justified by business considerations is on the manufacturer. If the franchise agreement of the manufacturer or distributor requires the approval of the manufacturer or distributor for facility uses or modifications, the manufacturer or distributor shall approve or disapprove such a request in writing within sixty days of receipt of such request.

(s) To use any subsidiary, affiliate, or any other controlled person or entity, or to employ the services of a third party, to accomplish what would otherwise be illegal conduct under this Chapter on the part of the manufacturer or distributor.

(t)(i) To operate a satellite warranty and repair center, to authorize a person to perform warranty repairs, including emergency repairs, who is not a motor vehicle dealer, fleet owner, or an emergency services company or emergency services related company, or to authorize a motor vehicle dealer to operate a satellite warranty and repair center within the community or territory of a same-line or make motor vehicle dealer. This Subparagraph shall not apply to recreational product manufacturers. For the purposes of this Subparagraph, "fleet owner" means a person, including a governmental entity, who is approved and authorized by a manufacturer to perform warranty repairs and owns or leases vehicles for its own use or a renting or leasing company that rents, maintains, or leases vehicles to a third party. For the purposes of this Subparagraph, "emergency services company or emergency services related company" means a person who operates any vehicle designated and authorized to respond to an emergency. An emergency vehicle includes but is not limited to police and security vehicles, fire and rescue vehicles, medical vehicles, and civil emergency vehicles, including public utility crews dealing with gas, electricity, or water, or the repair of defective equipment on a scene.

(ii) The manufacturer may authorize a fleet owner to perform warranty repairs if the manufacturer determines that the fleet owner has the same basic level of requirements for special tools, technician certification, and training that are required of a franchise dealer but only those as determined by the manufacturer, in its sole discretion, that are necessary to perform the specified limited type of warranty repairs on the makes and models of motor vehicles for which the fleet owner is authorized to perform warranty repairs.

(iii) A manufacturer who authorizes a fleet owner to perform warranty repairs shall give notification of the authorization to the dealer located in the same area of responsibility where the fleet owner intends to perform the authorized warranty repairs.

(iv) The provisions of Items (ii) and (iii) of the Subparagraph shall not apply to manufacturers who authorize fleet owners whose commercial vehicles are used for the movement of property,

freight, or goods in intrastate or interstate commerce.

(v) The commission has no authority over a fleet owner or an emergency services company or emergency services related company with respect to the requirements of this Subparagraph.

(vi) A repair facility of a fleet owner authorized pursuant to this Subparagraph to perform warranty repairs shall not be deemed a satellite warranty and repair center as defined in R.S. 32:1252 and shall not be required to be licensed by the commission pursuant to R.S. 32:1254.

(u) To make a change in the area of responsibility described in the franchise agreement or sales and service agreement of a dealer, without the franchisor, converter, or manufacturer giving said dealer and the commission no less than sixty days prior written notice by certified or registered mail.

(v) To attempt to induce or coerce, or to induce or coerce, any motor vehicle dealer to enter into any agreement with such manufacturer, distributor, wholesaler, distributor branch or factory branch or representative thereof, or to do any other act unfair to said dealer.

(w)(i) To coerce or attempt to coerce any retail motor vehicle dealer or prospective retail motor vehicle dealer to offer to sell or sell any extended service contract or extended maintenance plan or gap product offered, sold, backed by, or sponsored by the manufacturer or distributor or affiliate or sell, assign, or transfer any retail installment sales contract or lease obtained by the dealer in connection with the sale or lease by him of motor vehicles manufactured or sold by the manufacturer or distributor, to a specified finance company or class of finance companies, leasing company or class of leasing companies, or to any other specified persons by any of the following:

(aa) By any statement, promise, or threat that the manufacturer or distributor will in any manner benefit or injure the dealer, whether the statement, suggestion, threat, or promise is express or implied or made directly or indirectly.

(bb) By any act that will benefit or injure the dealer.

(cc) By any contract, or any express or implied offer of contract, made directly or indirectly to the dealer, for handling the motor vehicle on the condition that the dealer shall offer to sell or sell any extended service contract or extended maintenance plan offered, sold, backed by, or sponsored by the manufacturer or distributor or that the dealer sell, assign, or transfer his retail installment sales contract on or lease of the vehicle, to a specified finance company or class of finance companies, leasing company or class of leasing companies, or to any other specified person.

(dd) Any such statements, threats, promises, acts, contracts, or offers of contracts, when their effect may be to lessen or eliminate competition.

(ii) Nothing contained in this Subparagraph shall prohibit a manufacturer or distributor from offering or providing incentive benefits or bonus programs to a retail motor vehicle dealer or prospective retail motor vehicle dealer who makes the voluntary decision to offer to sell or sell any extended service contract or extended maintenance plan offered, sold, backed, or sponsored by the manufacturer or distributor or to sell, assign, or transfer any retail installment sale or lease by him of motor vehicles manufactured or sold by the manufacturer or distributor to a specified finance company or leasing company.

(x) To charge back, deny vehicle allocation, withhold payments, or take any other adverse actions against a motor vehicle dealer because of a sale of a new motor vehicle that is exported from the United States, unless it is shown that the dealer knew or reasonably should have known on the date of the sale that the new motor vehicle was to be exported. A motor vehicle dealer shall be rebuttably presumed to have no knowledge of the export if the motor vehicle is sold by the dealer to a resident of the United States who titles and registers the motor vehicle in any state within the United States.

(y) To disqualify a manufacturer's sales or service satisfaction survey that pertains to a dealership employee's personal motor vehicle or specialty vehicle solely because it was mailed or communicated electronically from a dealership.

(2) For a motor vehicle dealer, specialty vehicle dealer, recreational product dealer, used motor vehicle dealer, or a motor vehicle salesman:

(a) To require a purchaser of a vehicle, as a condition of sale and delivery thereof, to also purchase special features, appliances, accessories, or equipment not desired or requested by the purchaser; however, this prohibition shall not apply as to special features, appliances, accessories, or equipment which are permanently affixed to the vehicle.

(b) To represent and sell as a new vehicle any vehicle, the legal title of which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

(c) To resort to or use any false or misleading advertisement in connection with his business as such vehicle dealer or motor vehicle salesman.

(d) To sell or offer to sell makes, models, or classifications of new vehicles for which no franchise and license to sell is held.

(e) Except as otherwise approved by the commission, to sell or offer to sell a vehicle from an unlicensed location.

(f) To deliver to a prospective purchaser a new or a used vehicle on a sale conditioned on financing, i.e., a spot delivery, except on the following terms and conditions which shall be in writing and shall be a part of the conditional sales contract or other written notification signed by the purchaser:

(i) That if the sale is not concluded by the financing of the sale to the purchaser within twenty-five days of the delivery, the sale contract shall be null and void.

(ii) That the vehicle being offered for trade-in by the purchaser shall not be sold by the dealer until the conditional sale is complete.

(iii) That there shall be no charge to the purchaser should the conditional sale not be completed, including but not limited to mileage charges or charges to refurbish the vehicle offered for trade-in. However, the purchaser shall be responsible for any and all damages to the vehicle or other vehicles damaged by the fault of the purchaser and any and all liability incurred by the purchaser during the purchaser's custody of the vehicle to the extent provided for in R.S. 22:1296.

(iv) That if the conditional sale is not completed, the dealer shall immediately refund to the purchaser upon return of the vehicle all sums placed with the dealership as a deposit or any other purpose associated with the attempted sale of the vehicle.

(v) That the prospective purchaser shall return the vehicle to the dealership within forty-eight hours of notification by the dealer that the conditional sale will not be completed. If the prospective purchaser does not return the vehicle to the dealership within forty-eight hours of notification by the dealer, an authorized agent of the dealer shall have the right to recover the vehicle without the necessity of judicial process, provided that such recovery can be accomplished without unauthorized entry into a closed dwelling, whether locked or unlocked and without a breach of peace.

(g) To pay a fee to any person in return for the solicitation, procurement, or production by that person of prospective purchasers for new and used vehicles, except to a salesman licensed under the provisions of this Chapter.

(h) To fail to fully and completely explain each charge listed on a retail buyer's order or vehicle invoice prior to the purchase of a vehicle.

(l) When selling a vehicle to a consumer, to assess any consumer services fees, which shall include fees for treating the interior upholstery of the vehicle, oil changes, roadside assistance, dealer inspections, or any other service offered by the dealer, without allowing the buyer to refuse such services and be exempt from payment for such services. The provisions of this Subparagraph shall not apply to dealer-

added options or accessories which are permanently affixed to the vehicle.

(j) To fail to disclose to a purchaser, in writing, which components of a specialty vehicle are subject to a manufacturer's or distributor's warranty agreement and which components are subject to a specialty vehicle dealer's or other warranty agreement. The specialty vehicle dealer shall identify in writing the location of the two nearest authorized manufacturer or distributor warranty service providers. School bus warranty repair work, except for engine and transmission repair work, may also be performed by repair facilities, authorized by the manufacturer or distributor, which are not school bus dealers. Further, nothing in this Chapter shall prohibit a manufacturer of school buses licensed by the Louisiana Motor Vehicle Commission from authorizing warranty and other repair or maintenance services to be performed at any location of a motor vehicle dealer licensed under this Chapter which holds a franchise from any affiliate or subsidiary of the school bus manufacturer.

(k) (i) To fail to disclose to a purchaser in writing on the sales contract, buyer's order, or any other document that the dealer may be participating in finance charges associated with the sale.

(ii) To participate in a finance charge that would result in a difference between the buy rate and the contract rate of more than three percentage points.

(iii) The provisions of this Subparagraph shall apply only to transactions subject to the Louisiana Motor Vehicle Sales Finance Act.

(3) For a motor vehicle or recreational product lessor or motor vehicle lessor agent:

(a) To represent and sell as a new vehicle any vehicle which has been used or intended to be used and operated for leasing and rental purposes.

(b) To resort to or use any false or misleading advertising in connection with the business of leasing or renting vehicles.

(c) To lease, rent, sell, or offer to sell a vehicle from a location not licensed for such activity.

(d) To rent or lease any vehicle which has been located within this state for a period of thirty days or more, unless such vehicle has been issued a Louisiana license plate by, and all license fees and taxes have been paid to, this state.

(e) To pay a fee to any person in return for the solicitation, procurement, or production by that person of prospective lessees of vehicles, unless the person receiving the fee is a lease facilitator who holds a valid license as provided by this Chapter and a valid appointment from the motor vehicle lessor as provided by R.S. 32:1266(B)(1). (f) To act in the capacity of or engage in the business of a lease facilitator without a valid appointment from a motor vehicle lessor to act on behalf of the motor vehicle lessor in soliciting prospective lease clients or customers as provided by this Chapter.

(5) For a broker:

(a) To hold himself out to any person as a "broker", "purchasing company", "sales agent", or similar title, engaged in the business of broker, or otherwise engaged in the solicitation or procurement of prospective purchasers for vehicles not titled in the name of and registered to the broker, unless the broker holds a valid broker license and is in compliance with the terms of this Chapter.

(m) To fail to advise the consumer, prior to accepting any money, that a full refund will be given if the motor vehicle ordered through the broker is not obtained for the consumer.

(6) For any person or other licensee:

(a) To modify a franchise during the term of the agreement or upon its renewal if the modification substantially and adversely affects the franchisee's rights, obligations, investment, or return on investment without giving sixty-day written notice of the proposed modification to the licensee and the commission which includes the grounds upon which the modification is based, unless the modification is required by law, court order, or the commission. Within the sixty-day notice period the licensee may file with the commission a complaint for a determination whether there is good cause for permitting the proposed modification. The party seeking to modify or replace an agreement shall demonstrate by a preponderance of the evidence that there is good cause for the modification or replacement. The commission shall schedule a hearing within sixty days to decide the matter. Multiple complaints pertaining to the same proposed modifications shall be consolidated for hearing. The proposed modification may not take effect pending the determination of the matter.

(ii) Repealed.

(b) In making a determination of whether there is good cause for permitting a proposed modification, the commission may consider any relevant factor including:

(i) The reasons for the proposed modification.

(ii) Whether the proposed modification is applied to or affects all licensees in a nondiscriminating manner.

(iii) The degree to which the proposed modification will have a substantial and adverse effect upon the licensee's investment or return on investment.

(iv) Whether the proposed modification is in the public interest.

(v) The degree to which the proposed modification is necessary to the orderly and profitable distribution of vehicles and other services by the licensee.

(vi) Whether the proposed modification is offset by other modifications beneficial to the licensee.

(c) The decision of the commission shall be in writing and shall contain findings of fact and a determination of whether there is good cause for permitting the proposed modification. The commission shall deliver copies of the decision to the parties personally or by registered mail.

§1261.1. Indemnification of franchised dealers

A. Notwithstanding the terms of any franchise agreement, each manufacturer or converter shall indemnify and hold harmless its franchised dealers against any judgment for damages, including but not limited to court costs and reasonable attorney fees of the dealer, arising out of complaints, claims, or lawsuits including but not limited to strict liability, negligence, misrepresentation, express or implied warranty, or rescission of sale to the extent that the judgment arises out of alleged defective or negligent manufacture, assembly, or design of motor vehicles, specialty vehicle, recreational product, parts, or accessories, or other functions by the manufacturer of converter, which are beyond the control of the dealer.

B. The provisions of this Section shall not apply to a franchised recreational vehicle dealer, marine dealer, or motorcycle or all-terrain vehicle dealer.

§1261.2. Payment to dealers; penalties

It shall be a violation of this Chapter for a motor vehicle manufacturer, distributor, wholesaler, distributor branch, factory branch, officer, agent or other representative thereof, to fail to pay a dealer all monies due the dealer, except manufacturer hold-back amounts, within thirty days of the date of completion of the transactions or submissions of the claims giving rise to the payments to the dealers. Failure to make payments shall subject the manufacturer, distributor, wholesaler, distribution branch, factory branch, officer, agent, or other representative thereof, to a penalty of the one and one-half percent interest per month, or fraction thereof, until sums due the dealer are fully paid.

Acts 2009, No. 403, §1, eff. July 7, 2009.

§1262. Warranty; compensation; audits of dealer records

A. (1) It shall be a violation of this Chapter for a manufacturer, a distributor, a wholesaler, distributor branch or factory branch, or officer, agent or other representative thereof to fail to adequately and fairly compensate its dealers for labor, parts, and other expenses incurred by such dealer to perform under and comply with a manufacturer's or a distributor's warranty agreement.

(2) In no event shall any manufacturer or distributor pay its dealers at a price or rate for warranty work that is less than that charged by the dealer to the retail customers of the dealer for nonwarranty work of like kind.

(3) Warranty work includes parts and labor performed.

(4) All claims made by the dealer for compensation under this Subsection shall be paid within thirty days after approval and shall be approved or disapproved within thirty days after receipt. When any claim is disapproved, the dealer shall be notified in writing of the grounds for disapproval.

(5) The obligations in this Subsection as they relate to recreational products may be modified by contract.

B. (1) Notwithstanding the terms of any franchise agreement, warranty and sales incentive audits of dealer records may be conducted by the manufacturer, distributor, distributor branch, or factory branch. Any audit for warranty parts or service compensation shall be for the twelve-month period immediately following the date of the payment of the claim by the manufacturer or distributor. However, a dealer shall not be held liable by virtue of an audit for failure to retain parts for a period in excess of six months. Any audit for sales incentives, service incentives, rebates, or other forms of incentive compensation shall only be for the twelve-month period immediately following the date of the final payment to the dealer under a promotion, event, program, or activity. In no event shall the manufacturer, distributor, distributor branch, or factory branch fail to allow the dealer to make corrections to the sales data in less than one hundred twenty days from the program period. Additionally, no penalty other than amounts advanced on a vehicle reported incorrectly shall be due in connection with the audit. With respect to vehicles sold during the time period subject to the audit, but submitted incorrectly to the manufacturer, distributor, or wholesale distributor branch or factory branch, the dealer shall be charged back for the amount reported incorrectly and credited with the amount due, if anything, on the actual sale date.

(2) No claim which has been approved and paid may be charged back to the dealer unless it can be shown that one or all of the following applies:

(a) The claim was false or fraudulent.

(b) The repairs were not properly made.

(c) The repairs were unnecessary to correct the defective condition under generally accepted standards of workmanship.

(d) The dealer failed to reasonably substantiate the repair in accordance with reasonable written requirements of the manufacturer or distributor, if the dealer was notified of the requirements prior to the time the claim arose and if the requirements were in effect at the time the claim arose.

(3) A manufacturer or distributor shall not deny a claim solely based on a dealer's incidental failure to comply with a specific claim processing requirement, or a clerical error, or other administrative technicality.

(4)(a) A dealer shall not be charged back on a claim when a dealer performs a repair covered by the manufacturer's or distributor's warranty, and the dealer reasonably demonstrates that the repair resolved the condition which the customer presented for resolution, and the dealer documents what has been repaired and the process utilized to accomplish the repair.

(b) The provisions of Subparagraph (a) of this Paragraph shall not apply to recreational products dealers.

(5) Limitations on warranty parts or service compensation, sales incentive audits, rebates, or other forms of compensation, chargebacks for warranty parts or service compensation, and service incentives and chargebacks for sales compensation only shall not be effective in the case of intentionally false or fraudulent claims.

(6) It shall be deemed an unfair act pursuant to this Chapter to audit a dealer more frequently than two sales-related and two service-related audits in a twelve-month period. Nothing in this Subsection shall limit a manufacturer's or distributor's ability to perform routine claim reviews in the normal course of business.

(7) No claim may be rejected as late if it has been submitted within sixty days of the date the repair order was written.

(8) The dealer shall not be charged back for any rebate paid to a consumer pursuant to a manufacturer's rebate program, provided the dealer acted in good faith when relying on the consumer's qualifying information and otherwise complied with the program guidelines and documentation requirements. A manufacturer's rebate program shall include but not limited to a rebate program that targets college graduates, military personnel, first-time buyers, owner loyalty, family relationships, and any other similar program.

C. The provisions of this Section shall not apply to a dealer, manufacturer, distributor, wholesaler, distributor branch, or factory branch of marine products, motorcycles or all-terrain vehicles, or recreational vehicles, or any officer, agent, or other representative thereof.

§1263. Motor vehicle repairs

A. Suppliers of mechanical repairs and services for any vehicle subject to regulation pursuant to this Chapter shall provide each consumer with an itemized bill indicating repairs and services performed, parts replaced, or materials used, the total labor charge, and the identity of the mechanic, repairman, or supplier who performed the work. However, nothing in this Section shall prohibit a supplier of mechanical repairs and services from charging a service fee for the use of shop supplies such as rags, fender covers, small amounts of fluid, or other items which are not itemized, provided that such fee does not exceed five percent of the total invoice for mechanical repairs or thirty-five dollars, whichever is less.

B. The provisions of this Section shall not apply to suppliers of mechanical repairs and services for any recreational vehicle subject to regulation of this Chapter.

§1264. Damage disclosure

A. Whenever a new motor vehicle subject to regulation pursuant to this Chapter is sold to any person, the seller shall notify the purchaser of any body damage or mechanical damage which the vehicle has sustained that exceeds six percent of the manufacturer's suggested retail price. The notice shall be in writing and a copy thereof shall be delivered to the purchaser prior to or simultaneous with transfer of the vehicle title.

B. This Section shall apply to all instances of vehicular body or mechanical damage to vehicles and to all actions involving such damage, notwithstanding the application of other codal, statutory, or regulatory provisions, including but not limited to Civil Code Articles 2520 et seq.

§1264.1. Notice regarding recalls

It shall be a violation of this Chapter for a motor vehicle dealer to sell a new motor vehicle without first supplying a prospective buyer with the following notice: "A new motor vehicle may have been subject to a National Highway Traffic Safety Administration required recall which would be repaired in accordance with manufacturer standards approved by the National Highway Traffic Safety Administration. If such a repair is a concern before you purchase, please ask for a copy of the recall notice, if applicable, to the vehicle being sold." This notice shall be included on the buyer's order in a box and in bold print which is signed by the buyer and the seller or his representative next to the box. If the buyer requests the recall notice, the recall notice

shall be included in the sales transaction. If the selling dealer performed the repair, the documents supporting the repair shall also be included in the sales transaction.

Acts 2010, No. 1046, §1, eff. August 15, 2010.

§1264.2 Recall repairs; compensation

A. As used in this Section:

(1) “Stop sale order” means a notification issued by a manufacturer, distributor, factory branch, or distributor branch to its franchised new motor vehicle dealers stating that certain used vehicles in inventory shall not be sold or leased, at either retail or wholesale, due to a federal safety recall for a defect or a noncompliance, or a federal emissions recall.

(2) “Do not drive order” means a notification issued by a manufacturer, distributor, factory branch, or distributor branch stating that certain used vehicles shall not be driven due to a federal safety recall for a defect or a noncompliance, or a federal emissions recall. Such notification shall include an unconditional instruction to the recipient not to drive the vehicle until the remedy for the recall is complete.

B. (1) (a) A manufacturer shall compensate its new motor vehicle dealers for all labor and parts required by the manufacturer to perform recall repairs. Compensation for recall repairs shall be reasonable.

(b) If parts or a remedy are not reasonably available to perform a recall service or repair on an affected used vehicle held for sale by a dealer authorized to sell and service new vehicles of the same line-make or authorized to perform recall work on an affected vehicle within forty-five days of the manufacturer issuing the initial notice of recall, and the manufacturer has issued a stop sale order or do not drive order on the vehicle, the manufacturer shall compensate the dealer at a prorated rate of at least one and one-quarter percent of the value of the vehicle per month.

(i) When a stop sale order or do not drive order has been issued and repair parts or remedy remain unavailable on an affected used vehicle, compensation shall begin forty-five days after either of the following occurrences:

(aa) The date on which the stop sale order or do not drive order was provided to the dealer, if the affected used vehicle is in the dealer’s inventory at the time the stop sale or do not drive order was issued to the dealer.

(bb) The date on which the dealer takes the affected used vehicle into the dealer’s inventory as a trade-in incident to the customer’s purchase of a new vehicle.

(ii) Compensation shall cease when one of the following events occurs:

(aa) The date the recall remedy or parts are made available.

(bb) The date the stop sale order or do not drive order is withdrawn.

(cc) The date the dealer disposes of the affected used vehicle.

(2) For the purposes of this Section, the value of a used vehicle shall be the average trade-in value for used vehicles as indicated in an independent third-party guide for the year, make, and model of the recalled vehicle.

C. (1) Subject to the audit provisions of R.S. 32:1262, it shall be a violation of this Section for

a manufacturer to reduce the amount of compensation otherwise owed to an individual new motor vehicle dealer solely because the new motor vehicle dealer has submitted a claim for reimbursement under this Section. This prohibition shall include reduction through a chargeback, surcharge, removal of the individual dealer from an incentive program, or reduction in amount owed under an incentive program.

(2) This Subsection shall not apply to an action by a manufacturer to any prospective change, modification, cancellation, or elimination of any incentive program that is applied uniformly among all dealers of the same line-make in the state.

D. Pursuant to the provisions of this Section, all reimbursement claims made by new motor vehicle dealers for recall remedies or repairs, or for compensation where no part or repair is reasonably available and the vehicle is subject to a stop sale order or do not drive order shall be subject to the same limitations and requirements as a warranty reimbursement claim made under R.S. 32:1262. However, a manufacturer may compensate its franchised dealers under a national recall compensation program provided the compensation under the program is equal to or greater than the compensation provided in Paragraph (B)(1) of this Section or as the manufacturer and dealer otherwise agree.

E. A manufacturer may direct the manner and method in which a dealer shall demonstrate the inventory status of an affected used motor vehicle to determine eligibility under this Section, provided such manner and method may not be unduly burdensome and may not require information that is unduly burdensome to provide.

F. Nothing in this Section shall require a manufacturer to provide total compensation to a dealer that would exceed the total average trade-in value of an affected used motor vehicle as originally determined in Paragraph (B)(2) of this Section.

G. Any remedy provided to a dealer under this Section is exclusive and shall not be combined with any other state or federal recall compensation remedy or other federal law.

Acts 2018, No. 142, §1, effective August 1, 2018.

§1265. Sale of water-damaged vehicles

A. No person shall sell, transfer, or convey any new or used motor vehicle or recreational product to any person without notifying the buyer or receiver of the motor vehicle or recreational product in writing of the extent of any water damage from flooding which occurred to the motor vehicle or recreational product prior to the transaction.

B. If a sale, transfer, or conveyance of a new or used motor vehicle or recreational product occurs in violation of Subsection A of this Section, the person receiving ownership and title to the motor vehicle or recreational product who is not otherwise aware of the damage at the time of the transaction may bring an action to set aside the transaction within one year from the date of the transaction and receive all monies or other property given as consideration for the vehicle less a reasonable assessment for miles drive.

C. For the purposes of this Section, a "water-damaged vehicle" means any motor vehicle or recreational product whose power train, computer, or electrical system has been damaged by flooding.

§1266. Motor vehicle lessors; appointment of motor vehicle lease facilitators

A. (1) Except as otherwise provided by this Chapter, a motor vehicle lessor franchisor may not

terminate a franchise prior to the expiration of its term, except for good cause. Good cause shall include but not be limited to the failure of the franchisee to comply with any lawful requirement of the franchise, after being given notice thereof, and a reasonable opportunity, which in no event need be more than thirty days, to cure the failure. Nothing herein shall permit the cancellation of a franchise solely for failure to meet performance standards based on a survey of sales penetration in a regional, national, territorial, or other geographic area.

(2) If during the period in which the franchise granted by a motor vehicle lessor franchisor is in effect, there occurs any of the following events, which is relevant to the franchise, immediate notice of termination without opportunity to cure shall be reasonable:

(a) The franchisee abandons the franchise by failing to operate the business for five consecutive days during which the franchisee is required to operate the business under the terms of the franchise, unless such failure to operate is due to fire, flood, or storms beyond the franchisee's control.

(b) The motor vehicle lessor franchisor and the franchisee agree in writing to terminate the franchise.

(c) The franchisee fails, for a period of ten days following notification of noncompliance, to comply with any federal, state, or local law or regulation applicable to the operation of the franchise.

(e) The franchisee fails to pay any franchise fees or other amounts due to the franchisor within ten days of receiving written notice that such fees are overdue.

(3)(a) No motor vehicle lessor franchisor shall fail to renew a franchise unless the franchisor provides the following:

(i) Written notice to the franchisee at least one hundred eighty days prior to his intention not to renew.

(ii) The franchisee with an opportunity to sell his business, during the one hundred eighty days prior to the expiration of the franchise, to a purchaser meeting the franchisor's then current requirements for granting new franchises, or if not granting a significant number of new franchises, then the current requirements for granting renewal franchises.

(iii) That the refusal not to renew is not for the purpose of converting the franchisee's business premises to operation by employees or agents of the franchisor for such franchisor's own account, provided that nothing in this Section shall prohibit a franchisor from exercising a right of first refusal to purchase a franchisee's business.

(iv) That upon expiration of the franchise, the franchisor agrees not to seek to enforce any covenant of the unrenewed franchisee not to compete with the franchisor or franchisees of the franchisor.

(b) Termination of a franchise shall be permitted pursuant to Paragraphs (1) and (2) of this Subsection, or if the franchisee and the franchisor agree not to renew the franchise.

B. (1) A motor vehicle lessor may appoint one or more facilitators licensed pursuant to the terms of this Chapter to represent the motor vehicle lessor in obtaining prospective lease customers. An appointment complies with the requirements of this Subsection if it is in writing, discloses its terms, and otherwise complies with the rules of the commission.

(2) In a lease contract or agreement between a motor vehicle lessor and a lessee solicited, procured, or produced by a lease facilitator, the motor vehicle lessor shall disclose to the lessee that a fee was paid, or will be paid to the lease facilitator for the solicitation, procurement, or production of the lessee or the lease. (3) Nothing in this Section shall prohibit a lease facilitator from representing a lessor or lessee in the acquisition of a motor vehicle for the purpose of leasing the vehicle to another person.

Acts 2005, No. 500, §1, eff. July 12, 2005.

§1267. Succession; right of first refusal

A. (1) The terms of the franchise notwithstanding, any dealer may appoint by will, or other written instrument, a designated successor to succeed in the ownership interest of the dealer in the dealership upon the death or incapacity of the dealer.

(2) Unless good cause exists for refusal to honor the succession on the part of the manufacturer or distributor, any designated successor of a deceased or incapacitated dealer of a dealership may succeed to the ownership of the dealership under the existing franchise if:

(i) The designated successor gives the manufacturer or distributor written notice of his or her intention to succeed to the ownership of the dealer within sixty days of the dealer's death or incapacity.

(ii) The designated successor agrees to be bound by all the terms and conditions of the franchise.

(3) The manufacturer or distributor may request, and the designated successor shall provide, promptly upon such request, personal and financial data reasonably necessary to determine whether the succession should be honored.

(4) If a manufacturer or distributor believes that good cause exists for refusing to honor the succession of a deceased or incapacitated dealer, the manufacturer or distributor may, not more than sixty days following receipt of notice of the designated successor's intent to succeed and receipt of such personal or financial data, serve upon the designated successor notice of its refusal to honor the succession and of its intent to discontinue the existing franchise with the dealer not earlier than six months from the date such notice is served.

(5) The notice must state the specific grounds for the refusal to honor the succession.

(6) If notice of refusal and discontinuance is not timely served upon the designated successor, the franchise shall continue in effect subject to termination only as otherwise permitted by this Chapter.

(7) In determining whether good cause for the refusal to honor the succession exists, the manufacturer or distributor has the burden of proving that the designated successor is not of good moral character or does not otherwise meet the manufacturer's or distributor's reasonable standards as a franchisee.

(8) If a manufacturer or distributor refuses to honor the succession to the ownership interest of a deceased or incapacitated owner for good cause, then and in such event:

(i) The manufacturer or distributor shall allow the designated successor a reasonable period of time which shall not be less than six months in which to consummate a sale of the dealership. Any such sale shall be subject to R.S. 32:1261(A)(1)(d).

(ii) Upon termination of the franchise pursuant to such refusal, the provisions of R.S. 32:1268 shall apply.

B. In the event of a proposed sale or transfer of a dealership and if the franchise agreement has a right of first refusal in favor of the manufacturer or distributor, then, notwithstanding the terms of the franchise agreement, the manufacturer or distributor shall be permitted to exercise a right of first refusal to acquire the motor vehicle dealer's assets or ownership if all of the following requirements are met:

(1) In order to exercise its right of first refusal, the manufacturer or distributor shall notify the motor vehicle dealer in writing within sixty days of his receipt of the completed proposal for the proposed sale or transfer and all related agreements.

(2) The applicability of R.S. 32:1261(A)(1)(l) shall not be expanded or changed.

(3) The exercise of the right of first refusal will result in the dealer receiving the same or greater consideration as he has contracted to receive in connection with the proposed change of ownership or transfer.

(4) The proposed sale or transfer of the dealership's assets does not involve the transfer or sale to a member or members of the family of one or more dealers, or to a qualified manager with at least two years management experience at the dealership of one or more of these dealers, or to a partnership or corporation controlled by such persons.

(5)(a) The manufacturer or distributor agrees to pay the reasonable expenses, including attorney fees which do not exceed the usual, customary, and reasonable fees charged for similar work done for other clients, incurred by the proposed owner or transferee prior to the manufacturer's or distributor's exercise of its right of first refusal in negotiating and implementing the contract for the proposed sale or transfer of the dealership or dealership assets. Such expenses and attorney fees shall be paid to the proposed new owner or transferee at the time of closing of the sale or transfer for which the manufacturer or distributor exercised its right of first refusal.

(b) No payment of such expenses and attorney fees shall be required if the new owner or transferee has not submitted or caused to be submitted an accounting of those expenses within thirty days of the dealer's receipt of the manufacturer's or distributor's written request for such an accounting. A manufacturer or distributor may request such accounting before exercising his right of first refusal.

(6) The dealer shall not have any liability to any person as a result of a manufacturer's exercising its right of first refusal and the manufacturer or distributor shall assume the defense of the selling dealer for any claim by the proposed owner or transferee arising from the exercise of the right of first refusal.

C. The provisions of this Section shall not apply to the succession of any marine dealer, motorcycle or all-terrain vehicle, or recreational vehicle.

§1268. Requirements upon termination; penalty; indemnity

A. (1) In the event the licensee ceases to engage in the business of being a motor vehicle, recreational products, or specialty vehicle dealer, or ceases to sell a particular make of motor vehicle, recreational products, or specialty vehicle and after notice to the manufacturer, converter, distributor, or representative by certified mail or commercial delivery service with verification of receipt, within thirty days of the receipt of the notice by the manufacturer, converter, distributor, or representative, the manufacturer, converter, distributor, or representative shall repurchase:

(a) All new motor vehicles, recreational products, and specialty vehicles of the current and last prior model year delivered to the licensee and parts on hand purchased in the ordinary course of business that have not been damaged or substantially altered to the prejudice of the manufacturer while in the possession of the licensee. As to recreational products dealers, the repurchase of parts shall be limited to those listed in the manufacturer's price book. The motor vehicles, recreational products, and specialty vehicles and parts shall be repurchased at the cost to the licensee which shall include without limitation freight and advertising costs, less all allowances paid to the dealer, except that new automobiles shall be purchased on the schedule as follows:

(i) Vehicles with 0 - 1,000 miles at the cost to the licensee.

(ii) Vehicles with 1,001 - 6,000 miles at the cost to the licensee reduced by the net discount value of each mile in excess of 1,000 miles, where "net discount value" is determined according to the following formula: cost to the licensee multiplied by total mileage in excess of 1,000 miles divided by 100,000, and where "net cost" equals the dealer cost plus any charges by the manufacturer, distributor, or representative for distribution, delivery, advertising, and taxes, less all allowances paid to the dealer by the manufacturer, distributor, or representative for new, unsold, undamaged, and complete motor vehicles.

(iii) Vehicles with 6,001 miles or over - no obligation to repurchase.

(iv) Any mileage recorded by a manufacturer in distributing a motor vehicle to a motor vehicle dealer shall not be included in the calculation as provided in this Subparagraph.

(b) At fair market value, each undamaged sign owned by the dealer which bears a trademark or trade name used or claimed by the manufacturer, converter, distributor, or representative if the sign was purchased from or purchased at the request of the manufacturer, distributor, or representative. Fair market value shall be no less than cost of acquisition of the sign by the dealer.

(c) At fair market value, all special tools and automotive service equipment owned by the dealer which were recommended in writing and designated as special tools and equipment and purchased in the ordinary course of business from or at the request of the manufacturer, converter, distributor, or representative, if the tools and equipment are in usable and good condition except for reasonable wear and tear. Fair market value shall be no less than cost of acquisition of special tools and automotive service equipment by the dealer.

(d) The manufacturer, converter, distributor, or representative shall pay to the dealer the costs of transporting, handling, packing, and loading of recreational product, motor and specialty vehicles, or parts, signs, tools, and equipment subject to repurchase.

(2)(a) After a motor vehicle dealer terminates his franchise, the manufacturer or converter shall make required repurchases within thirty days after such dealer has satisfied all of the following conditions:

(i) The motor vehicle dealer submits to the manufacturer, by certified mail, return receipt requested, or commercial delivery service with verification of receipt, a final inventory of motor vehicles and parts, special tools, and automotive services on hand.

(ii) The motor vehicle dealer tenders the parts, special tools, and automotive service equipment to the manufacturer.

(b) After a specialty vehicle dealer terminates his franchise, the manufacturer or converter shall make required repurchases within thirty days after such dealer has submitted to the manufacturer by certified mail, return receipt requested, or commercial delivery service with verification of receipt, a final inventory of vehicles and parts on hand.

(c) After a recreational products dealer terminates his franchise, the manufacturer or converter shall make required repurchases within sixty days after such dealer has submitted to the manufacturer by certified mail, return receipt requested, or commercial delivery service with verification of receipt, a final inventory of vehicles and parts on hand. This Subparagraph shall not apply to the repurchase of marine

products and related items.

B. Failure to make such repurchase without just cause shall subject the manufacturer or converter to a penalty of one and one-half percent per month, or fraction thereof, of the inventory value or returnable recreational product, specialty and motor vehicles and parts, signs, special tools, and automotive service equipment, payable to the dealer, as long as the repurchase is not made.

C. (1) Upon the involuntary termination, nonrenewal, or cancellation of any franchise by the manufacturer or converter, except for termination, nonrenewal, or cancellation resulting from a felony conviction, notwithstanding the terms of any franchise, whether entered into before or after the enactment of this Chapter or any of its provisions, the new motor vehicle or specialty vehicle dealer shall be allowed fair and reasonable compensation by the manufacturer or converter as agreed by the parties, or lacking agreement, as determined by the commission, for the dealership facilities if the facilities were required to be purchased or constructed as a precondition to obtaining the franchise or to its renewal; provided that if such facilities were leased and the lease were required as a precondition to obtaining the franchise or to its renewal, then the manufacturer or converter shall be liable for one year's payment of the rent or the remainder of the term of the lease, whichever is less.

(2) Payment under this Section shall entitle the manufacturers, converters, or distributors to possession and use of the facility.

(3) As used in this Section, "manufacturer" shall include a manufacturer, a converter, a distributor, a factory branch, distributor branch, or other subsidiary thereof.

(4) The obligation of the manufacturer or converter to purchase a dealership facility, pursuant to this Section, is equally applicable if an entity or person affiliated with the dealer is the owner or lessor of the facility.

D. Notwithstanding any provision of law to the contrary, the provisions of this Section shall not apply to a marine dealer, motorcycle or all-terrain vehicle dealer, or recreational vehicle dealer.

§1268.1. Repealed.

Acts 2012, No. 326, §2, eff. August 1, 2012.

§1268.2. Manufacturer termination of line-make; manufacturer bankruptcy; license

Notwithstanding the terms of any franchise or other provision of law, if the termination, cancellation, or nonrenewal of a licensee's franchise is the result of the termination, elimination, or cessation of a line-make by the manufacturer, distributor, or factory branch, whether by bankruptcy or otherwise, the license issued by the commission may remain in effect at the discretion of the commission pursuant to its rules.

Acts 2009, No. 403, §1, eff. July 7, 2009.

§1269. Venue and choice of law for litigation or arbitration

A provision contained in a franchise agreement requiring that arbitration or litigation be conducted outside this state or a provision that seeks to apply any law other than Louisiana law to disputes between the parties to a franchise agreement, is void and unenforceable.

Acts 2005, No. 500, §1, eff. July 12, 2005.

PART II. PROVISIONS SPECIFIC TO MARINE PRODUCTS

§1270. Establishment of new marine dealerships or relocations; protests; procedure

A. Whenever the commission receives an application for a recreational products dealer's license that would add a new marine dealership, it shall first notify the existing licensed marine dealership or dealerships selling the same-line makes, models, or classifications if the new dealership's proposed location is within the existing dealer's area of responsibility. Any same-line makes, models, or classifications dealership whose area of responsibility includes the location of the proposed new marine dealership may object to the granting of the license.

B. Whenever the commission receives an application for a recreational products dealer's license which would relocate an existing marine dealership, it shall first notify the existing licensed marine dealership or dealerships selling the same-line makes, models, or classifications if the dealership's proposed new location is within the existing dealer's area of responsibility. The existing same-line makes, models, or classifications dealership or dealerships shall have the right to object to the granting of the license only if the proposed relocation is within a radius of seven miles of its facility. However, without regard to distance, whenever the commission receives an application for the relocation of a marine dealership which would add an additional marine dealership to an existing same-line makes, models, or classifications dealership's area of responsibility, the affected dealership shall have the right to object.

C. The objection shall be in writing and shall be received by the commission within a fifteen-day period after receipt of the notice. The fifteen-day objection period shall be waived upon written notification to the commission from all licensees entitled to object that the licensees have no objections to the proposed change or addition for which the notice of intent was issued. If timely objection is lodged, and prior to the issuance of the license, the commission shall hold a hearing within thirty days after receipt of the objection and issue its decision within ninety days after date of the hearing. Notice of hearing and an opportunity to participate therein shall be given to the manufacturer or distributor, the applicant for the license as a marine dealer, and to the protesting dealership or dealerships.

D. Whenever the commission receives an objection pursuant to the provisions of Subsection A of this Section, or whenever the commission receives an objection pursuant to the assignment of the marine dealer's area of principal sales and service responsibility, the commission shall consider the following and may consider any other relevant factors in determining whether there is good cause to approve or reject the assignment of the marine dealer's area of principal sales and service responsibility, or to issue a license:

(1) Whether the community or territory can support an additional marine dealership.

(2) The financial impact on both the applicant and the existing marine dealership or dealerships.

(3) Whether the existing marine dealerships of the same-line makes, models, or classifications in the dealership's area of responsibility are providing adequate representation, competition, and convenient consumer care for the marine products of the same-line makes, models, or classifications located within that area.

(4) Whether the issuance of the license would increase competition, be in the public interest, or both.

E. In disputes between the marine dealers and manufacturers and distributors regarding the execution of an agreement that would add a new same-line make marine dealership or would add the same product line regardless of brand name within the area of responsibility of an existing marine dealer, the name brand of the boat determines whether a dealer may enter into a franchise for a particular boat package or boat package line. The marine motor, marine engine, boat trailer, or any accessory made a part of a boat package shall not be the subject of, or a consideration in, an area of responsibility dispute for violation involving the boat package.

F. A manufacturer or distributor of a marine motor or marine engine may, in its discretion, enter into a warranty service agreement with a marine dealer of a boat package that is packaged with its particular brand marine motor or engine without violating the area of responsibility of any other marine dealer that has a franchise of that brand marine motor or engine. However, the warranty service agreement shall not be construed to permit the marine dealer to sell the marine motor or engine separate from the boat package, and the marine dealer shall not hold itself out to be a full-line or loose marine motor or engine dealership.

G. The provisions of this Section shall not apply when the marine products consist of a trolling motor, boat trailer or watercraft trailer.

Acts 2012, No. 326, §1, eff. August 1, 2012, Acts 2014, No. 111, §1, eff. August 1, 2014.

§1270.1. Unauthorized acts; marine products

It shall be a violation of this Part:

(1) For a manufacturer, a distributor, a wholesaler, distributor branch, or factory branch of marine products or any officer, agent, or other representative thereof:

(a) To induce or coerce, or attempt to induce or coerce, any licensee.

(i) To order or accept delivery of any marine product, appliances, equipment, parts or accessories therefor, or any other commodity or commodities which shall not have been voluntarily ordered.

(ii) To order for any person any parts, accessories, equipment, machinery, tools, appliances, or any commodity whatsoever.

(iii) To assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by law, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation involving a manufacturer, distributor, wholesaler, distributor branch or factory branch, or officer, agent, or other representative thereof.

(iv) To enter into a franchise with a licensee or during the franchise term, use any written instrument, agreement, release, assignment, novation, estoppel, or waiver, to attempt to nullify or modify any provision of this Chapter, or to require any controversy between a marine dealer and a manufacturer to be referred to any person or entity other than the commission, or duly constituted courts of this state or the United States, if such referral would be binding upon the dealer. Such instruments are null and void, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation.

(v) To waive the right to a jury trial.

(vi) To participate in an advertising group or to participate monetarily in an advertising campaign or contest or to purchase any promotional materials, showroom, or other display decorations or materials at the expense of such marine dealer.

(vii) To adhere to performance standards that are not applied uniformly to other similarly situated marine dealers. Any such performance standards shall be fair, reasonable, equitable, and based on accurate information. If marine dealership performance standards are based on a survey, the manufacturer, distributor, wholesaler, distributor branch, or factory branch shall establish the objectivity of the survey process and provide this information to any marine dealer of the same-line make covered by the survey request. Each response to a survey used by a manufacturer in preparing an evaluation or performance-rating of a marine dealer shall be made available to that marine dealer, or it cannot be used by the manufacturer. However, if a customer requests that the manufacturer or distributor not disclose the consumer's identity to the dealer, the manufacturer may withhold the consumer's identity in providing the survey response to the dealer, and the manufacturer may use the response. Any survey used must have the following characteristics:

(aa) It was designed by experts.

(bb) The proper universe was examined.

(cc) A representative sample was chosen.

(dd) The data was accurately reported.

(viii) To release, convey, or otherwise provide customer information, if to do so is unlawful or if the customer objects in writing. This does not include information that is necessary for the manufacturer to meet its obligations to the marine dealer or consumers in regard to contractual responsibilities, marine product recalls, or other requirements imposed by state or federal law. The manufacturer is further prohibited from providing any consumer information received from the marine dealer to any unaffiliated third party.

(ix) To pay the attorney fees of the manufacturer or distributor related to hearings and appeals brought under this Chapter.

(x) To order or accept delivery of any vehicle with special features, appliances, accessories, or equipment not included in the list price of the vehicle as publicly advertised.

(b) To refuse to deliver to any licensee having a franchise or contractual arrangement for the retail sale of marine products sold or distributed by such manufacturer, distributor, wholesaler, distributor branch or factory branch, any marine product, publicly advertised for immediate delivery, within sixty days after such marine dealer's order shall have been received.

(c) To threaten to cancel any franchise existing between such manufacturer, distributor, wholesaler, distributor branch or factory branch and the marine dealer for any reason.

(d) To unfairly, without just cause and due regard to the equities of the marine dealer, cancel the franchise of the licensee. The nonrenewal of a franchise with a marine dealer or his successor without just provocation or cause, or the refusal to approve a qualified transferee or qualified successor to the dealer-operator as provided for in the selling agreement, shall be deemed a violation of this Subparagraph and shall constitute an unfair cancellation, regardless of the terms or provisions of such franchise. However, at least ninety days notice shall be given to the dealer of a cancellation or nonrenewal of a franchise except for a cancellation arising out of fraudulent activity of the dealer principal which results in the conviction of a crime punishable by imprisonment.

(e) To refuse to extend to a licensee the privilege of determining the mode or manner of available transportation facility that such marine dealer desires to be used or employed in making deliveries of marine products to him or it.

(f) To ship or sell marine products to a licensee prior to the licensee having been granted a license by the commission to sell such products.

(g) To unreasonably withhold consent to the sale, transfer, or exchange of the dealership to a qualified transferee capable of being licensed as a marine dealer in this state, provided the transferee meets the criteria generally applied by the manufacturer in approving new marine dealers and agrees to be bound by all the terms and conditions of the standard franchises.

(h) To fail to respond in writing to a written request for consent as specified in Subparagraph (g) of this Paragraph within sixty days of receipt of a written request on the forms, if any, generally utilized by the manufacturer or distributor for such purposes and containing the information required therein. Failure to respond shall be deemed to be consent to the request.

(i) To sell or offer to sell a new or unused marine product directly to a consumer except as provided in this Chapter.

(j) Repealed.

(k) To fail to designate and provide to the commission in writing the community or territory assigned to a licensee. The provisions of this Subparagraph shall not apply when the marine products consist of a trolling motor, boat trailer or watercraft trailer.

(l) To unreasonably discriminate among competing, similarly situated, same-line make dealers in the sales of the marine products, in the availability of such marine products, in the terms of incentive programs or sales promotion plans, or in other similar programs.

(m) To use any subsidiary, affiliate, or any other controlled person or entity, or to employ the services of a third party, to accomplish what would otherwise be illegal conduct under this Chapter on the part of the manufacturer or distributor.

(n) To make a change in the area of responsibility described in the franchise or sales and service agreement of a dealer, without the manufacturer or distributor giving the marine dealer and the commission no less than sixty days prior written notice by certified or registered mail.

(2) For a marine dealer, used marine product dealer, marine product salesman:

(a) To require a purchaser of a marine product, as a condition of sale and delivery thereof, to also purchase special features, appliances, accessories, or equipment not desired or requested by the purchaser; however, this prohibition shall not apply as to special features, appliances, accessories, or equipment which are permanently affixed to the marine product.

(b) To represent and sell as a new marine product any marine product, the legal title of which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

(c) To use any false or misleading advertisement in connection with his business as such marine dealer or marine product salesman.

(d) To sell or offer to sell makes, models, or classifications of new marine products for which no franchise and license to sell is held.

(e) Except as otherwise approved by the commission, to sell or offer to sell a marine product from an unlicensed location.

(f) To deliver to a prospective purchaser a new or a used marine product on a sale conditioned on financing, i.e., a spot delivery, except on the following terms and conditions which shall be in writing and shall be a part of the conditional sales contract or other written notification signed by the purchaser:

(i) That if the sale is not concluded by the financing of the sale to the purchaser within twenty-five days of the delivery, the sale contract shall be null and void.

(ii) That the marine product being offered for trade-in by the purchaser shall not be sold by the marine dealer until the conditional sale is complete.

(iii) That there shall be no charge to the purchaser should the conditional sale not be completed, including but not limited to mileage charges or charges to refurbish the marine product offered for trade-in. However, the purchaser shall be responsible for any and all damages to the marine product or other marine products damaged by the fault of the purchaser and any and all liability incurred by the purchaser during the purchaser's custody of the marine product to the extent provided for in R.S. 22:1296.

(iv) That if the conditional sale is not completed, the marine dealer shall immediately refund to the purchaser upon return of the marine product all sums placed with the dealership as a deposit or any other purpose associated with the attempted sale of the marine product.

(v) That the prospective purchaser shall return the marine product to the dealership within

forty-eight hours of notification by the marine dealer that the conditional sale will not be completed. If the prospective purchaser does not return the marine product to the dealership within forty-eight hours of notification by the marine dealer, an authorized agent of the marine dealer shall have the right to recover the marine product without the necessity of judicial process, provided that such recovery can be accomplished without unauthorized entry into a closed dwelling, whether locked or unlocked and without a breach of peace.

(g) To pay a fee to any person in return for the solicitation, procurement, or production by that person of prospective purchasers for new and used marine products, except to a salesman licensed under the provisions of this Chapter.

(h) To fail to fully and completely explain each charge listed on a retail buyer's order or marine product invoice prior to the purchase of a marine product.

(i) When selling a marine product to a consumer, to assess any consumer services fees, which shall include fees for treating the interior upholstery of the marine product, oil changes, roadside assistance, dealer inspections, or any other service offered by the dealer, without allowing the buyer to refuse such services and be exempt from payment for such services. The provisions of this Subparagraph shall not apply to dealer-added options or accessories which are permanently affixed to the marine product.

(3)(a) For any person or other licensee to modify a franchise during the term of the agreement or upon its renewal if the modification substantially and adversely affects the dealer's rights, obligations, investment, or return on investment without giving a sixty-day written notice of the proposed modification to the licensee and the commission unless the modifications are required by law, court order, or the commission. Within the sixty-day notice period, the licensee may file with the commission a complaint for a determination whether there is good cause for permitting the proposed modification. The party seeking to modify or replace an agreement shall demonstrate by a preponderance of the evidence that there is good cause for the modification or replacement. The commission shall schedule a hearing within sixty days to decide the matter. Multiple complaints pertaining to the same proposed modifications shall be consolidated for hearing. The proposed modification may not take effect pending the determination of the matter.

(b) In making a determination of whether there is good cause for permitting a proposed modification, the commission may consider any relevant factor including:

(i) The reasons for the proposed modification.

(ii) Whether the proposed modification is applied to or affects all licensees in a nondiscriminating manner.

(iii) The degree to which the proposed modification will have a substantial and adverse effect upon the licensee's investment or return on investment.

(iv) Whether the proposed modification is in the public interest.

(v) The degree to which the proposed modification is necessary to the orderly and profitable distribution of marine products and other services by the licensee.

(vi) Whether the proposed modification is offset by other modifications beneficial to the licensee.

(c) The decision of the commission shall be in writing and shall contain findings of fact and a determination of whether there is good cause for permitting the proposed modification. The commission shall deliver copies of the decision to the parties personally or by registered mail.

(4) For any employee of a licensee while acting in the scope of his employment, to accept any payment, commission, fee, or compensation of any kind from any person other than the employing licensee, unless such payment is fully disclosed to and approved by the employing licensee.

Acts 2012, No. 326, §1, eff. August 1, 2012, Acts 2014, No. 111, §1, eff. August 1, 2014, Acts 2014, No. 770

§2, eff. August 1, 2014; Acts 2016, No. 530 §1, eff. August 1, 2016.

§1270.2. Warranty; compensation; audits of marine dealer records

A.(1) It shall be a violation of this Chapter for a manufacturer, distributor, wholesaler, distributor branch, or factory branch of marine products or any officer, agent or other representative thereof to fail to adequately and fairly compensate its marine dealer for labor, parts, and other expenses incurred by such dealer to perform under and comply with a manufacturer's or a distributor's warranty agreement.

(2) In no event shall any manufacturer or distributor pay its marine dealer at a price or rate for warranty work that is less than that charged by the marine dealer to the retail customers of the marine dealer for nonwarranty work of like kind.

(3) Warranty work includes parts and labor performed.

(4) All claims made by the marine dealer for compensation under this Subsection shall be paid within thirty days after approval and shall be approved or denied within thirty days after receipt. When any claim is denied, the marine dealer shall be notified in writing of the grounds for denial.

(5) The obligations set forth in this Subsection may be modified by contract.

B.(1) Notwithstanding the terms of any franchise, warranty and sales, incentive, audits of marine dealer records may be conducted by the manufacturer, distributor, distributor branch, or factory branch. Any audit for warranty parts or service compensation shall be for the twelve-month period immediately following the date of the payment of the claim by the manufacturer or distributor. However, a marine dealer shall not be held liable by virtue of an audit for failure to retain parts for a period in excess of six months. Any audit for sales incentives, service incentives, rebates, or other forms of incentive compensation shall be only for the twelve-month period immediately following the date of the final payment to the marine dealer under a promotion, event, program, or activity. In no event shall the manufacturer, distributor, distributor branch, or factory branch fail to allow the marine dealer to make corrections to the sales data in less than one hundred twenty days from the program period. Additionally, no penalty other than amounts advanced on a marine product reported incorrectly shall be due in connection with the audit. With respect to marine products sold during the time period subject to the audit, but submitted incorrectly to the manufacturer, distributor, or wholesale distributor branch or factory branch, the marine dealer shall be charged back for the amount reported incorrectly and credited with the amount due, if anything, on the actual sale date.

(2) No claim which has been approved and paid may be charged back to the marine dealer unless it can be shown that one of the following applies:

(a) The claim was false or fraudulent.

(b) The repairs were not properly made.

(c) The repairs were unnecessary to correct the defective condition under generally accepted standards of workmanship.

(d) The marine dealer failed to reasonably substantiate the repair in accordance with reasonable written requirements of the manufacturer or distributor, if the marine dealer was notified of the requirements prior to the time the claim arose and if the requirements were in effect at the time the claim arose.

(3) A manufacturer or distributor shall not deny a claim solely based on a marine dealer's incidental failure to comply with a specific claim processing requirement, or a clerical error, or other administrative technicality.

(4) Limitations on warranty parts or service compensation, sales incentive audits, rebates, or other

forms of incentive compensation, chargebacks for warranty parts or service compensation, and service incentives and chargebacks for sales compensation only shall not be effective in the case of intentionally false or fraudulent claims.

(5) It shall be deemed an unfair act pursuant to this Chapter to audit a marine dealer more frequently than two sales-related and two service-related audits in a twelve-month period. Nothing in this Subsection shall limit a manufacturer's or distributor's ability to perform routine claim reviews in the normal course of business.

(6) No claim may be rejected as late if it has been submitted within sixty days of the date the repair order was written.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.3. Sale of water-damaged marine products

A. No person shall sell, transfer, or convey any new or used marine product to any person without notifying the buyer or receiver of the marine product in writing of the extent of any water damage from flooding which occurred to the marine product prior to the transaction.

B. If a sale, transfer, or conveyance of a new or used marine product occurs in violation of Subsection A of this Section, the person receiving ownership and title to the marine product who is not otherwise aware of the damage at the time of the transaction may bring an action to set aside the transaction within one year from the date of the transaction and receive all monies or other property given as consideration for the marine product less a reasonable assessment for wear and tear.

C. For the purposes of this Section, a "water-damaged marine product" means any marine product whose power train, computer, or electrical system has been damaged by flooding.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.4. Succession; right of first refusal; marine dealers

A. The terms of the franchise notwithstanding, any marine dealer may appoint by will, or other written instrument, a designated successor to succeed in the ownership interest of the marine dealer in the marine dealership upon the death or incapacity of the marine dealer.

B. Unless good cause exists for refusal to honor the succession on the part of the manufacturer or distributor, any designated successor of a deceased or incapacitated marine dealer of a marine dealership may succeed to the ownership of the marine dealership under the existing franchise if:

(1) The designated successor gives the manufacturer or distributor written notice of his intention to succeed to the ownership of the marine dealer within sixty days of the marine dealer's death or incapacity.

(2) The designated successor agrees to be bound by all the terms and conditions of the franchise.

C. The manufacturer or distributor may request, and the designated successor shall provide, promptly upon such request, personal and financial data reasonably necessary to determine whether the succession should be honored.

D. If a manufacturer or distributor believes that good cause exists for refusing to honor the succession of a deceased or incapacitated marine dealer, the manufacturer or distributor may, not more than sixty days following receipt of notice of the designated successor's intent to succeed and receipt of such personal or financial data, serve upon the designated successor notice of its refusal to honor the succession and of its intent to discontinue the existing franchise with the marine dealer not earlier than six months from the date

such notice is served.

E. The notice must state the specific grounds for the refusal to honor the succession.

F. If notice of refusal and discontinuance is not timely served upon the designated successor, the franchise shall continue in effect subject to termination only as otherwise permitted by this Part.

G. In determining whether good cause for the refusal to honor the succession exists, the manufacturer or distributor has the burden of proving that the designated successor is not of good moral character or does not otherwise meet the manufacturer's or distributor's reasonable standards as a marine dealer.

H. If a manufacturer or distributor refuses to honor the succession to the ownership interest of a deceased or incapacitated owner for good cause, then and in such event the manufacturer or distributor shall allow the designated successor a reasonable period of time which shall not be less than six months in which to consummate a sale of the marine dealership. Any such sale shall be subject to R.S. 32:1270.1(2)(d).

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.5. Manufacturer, distributor, or wholesaler repurchase; marine dealer; products

A. If any marine dealer enters into a franchise with a manufacturer, distributor, or wholesaler wherein the marine dealer agrees to maintain an inventory of marine products or repair parts, the manufacturer, distributor, or wholesaler shall not terminate or fail to renew the franchise unless there is a breach of the franchise by the marine dealer and until ninety days after notice of the intention to terminate, including the breach of the franchise, has been sent by certified mail, return receipt requested, or commercial delivery service with verification of receipt, to the marine dealer and the commission and the marine dealer has failed to correct the breach within such period.

B. If the franchise is terminated as a result of any action by the marine dealer and the manufacturer, distributor, or wholesaler has not given due cause, as provided in this Section, for termination of such franchise, the manufacturer, distributor, or wholesaler shall not be required to repurchase the inventory as provided in this Section; however, if the franchise is terminated as a result of any action by the marine dealer and the manufacturer, distributor, or wholesaler has given the marine dealer due cause, as provided in this Section, to terminate the franchise, the manufacturer, distributor, or wholesaler shall be required to repurchase that inventory previously purchased from them, including any new and unused marine products of the current and immediate prior model or program year and new and unused parts inventory as provided in this Section.

C.(1) It shall be unlawful for the manufacturer, wholesaler, or distributor, without due cause and pursuant to its own initiating action, to terminate or fail to renew a franchise, unless the manufacturer, wholesaler, or distributor repurchases the new and unused inventory as provided for in this Section.

(2) In the event the marine dealer has new and unused inventory not eligible for repurchase, the license issued by the commission may remain in effect pursuant to the provisions of R.S. 32:1268.2.

D. It shall not be unlawful for the marine dealer with due cause and pursuant to the marine dealer's own initiating action to terminate or fail to renew a franchise with a manufacturer, wholesaler, or distributor, and the manufacturer, wholesaler, or distributor shall repurchase inventory as provided pursuant to this Section. To determine what constitutes due cause for a marine dealer to terminate or fail to renew a franchise, the following factors regarding the manufacturer, wholesaler, distributor or representative of one of the so named shall include whether the manufacturer, wholesaler, distributor, or representative of one of the so named:

(1) Has made a material misrepresentation in accepting or acting under the franchise.

(2) Has engaged in an unfair business practice.

- (3) Has engaged in conduct which is injurious or detrimental to public welfare.
- (4) Has failed to comply with any applicable Section of this Chapter.
- (5) Has been convicted of a crime, the effect of which would be detrimental to the marine dealership or dealer.
- (6) Has violated the Louisiana marine dealers area of responsibility.
- (7) Has failed to operate in the normal course of business for thirty consecutive days.
- (8) Has failed to comply with the terms of the franchise with the marine dealer.
- (9) Has materially misrepresented the performance or fitness for sale or use of a product line or products covered by the franchise.

E. If a manufacturer, distributor, or wholesaler does not intend to renew a franchise, the manufacturer, distributor, or wholesaler shall give the marine dealer and the commission ninety days written notice prior to the effective date by certified mail, return receipt requested, or commercial delivery service with verification of receipt.

F. As required by this Section, the manufacturer, distributor, or wholesaler shall repurchase the inventory which can be verified as previously purchased from them, including all new and unused marine products of the current and immediate prior model or program year and new and unused parts on hand and held by the marine dealer on the date of termination of the contract. The manufacturer, distributor, or wholesaler shall pay an amount equivalent to the cost actually paid by the marine dealer, including discounts given and rebates paid per unit for any new, unused, undamaged, and unaltered from original invoice and delivery, and complete marine product. The manufacturer, distributor, or wholesaler shall also pay an amount equal to the price paid by the marine dealer for any new, unused, and undamaged repair parts and accessories which are listed in the manufacturer's, distributor's, or wholesaler's prevailing parts list or were delivered in the past forty-eight months and are in their original packaging.

G. The provisions of this Section shall not require the repurchase from a marine dealer of:

- (1) Any repair part which has a limited storage life or is otherwise subject to deterioration.
- (2) Any single repair part which is priced and packaged as a set of two or more items.
- (3) Any repair part which, because of its condition, is not resalable as a new part without repackaging or reconditioning.
- (4) Any inventory for which the marine dealer cannot provide good title, free and clear of all claims, liens, and encumbrances.
- (5) Any inventory which the marine dealer desires to keep, provided that the marine dealer has a contractual right to do so.
- (6) Any marine product which is not in new, unused, undamaged, and complete condition.
- (7) Any repair parts which are not in new, unused, and undamaged condition.
- (8) Any inventory which was ordered by the marine dealer on or after the date of receipt of the notification of termination of the franchise.
- (9) Any inventory which was acquired by the marine dealer from any source other than the manufacturer, distributor, or wholesaler, or its immediate predecessor.
- (10) Any marine product that has been altered substantially from original delivery.

H. Upon termination of the franchise, the marine dealer shall submit a final inventory of marine products and parts on hand to the manufacturer, distributor, or wholesaler by certified mail, return receipt requested, or commercial delivery service with verification of receipt. If a manufacturer, distributor, or wholesaler fails or refuses to repurchase as required by this Section within thirty days of the receipt of the inventory, without just cause, the manufacturer, distributor, or wholesaler shall be subjected to a penalty of the marine dealer's reasonable attorney fees, court costs, and interest on the inventory value of returnable marine products and parts required to be purchased computed at the rate of one and one-half percent per month from the thirty-first day, as long as such repurchase is not made.

I. Notwithstanding any other provision of law to the contrary, it shall be unlawful for a manufacturer, distributor, or wholesaler, either by contract or practice, to assess repurchase or restocking charges, freight charges except for return charges, reimbursement of interest charges paid, and any similar charges to the marine dealer.

J. If a marine dealer completes a bona fide, orderly, and permanent closure of the marine dealership, which does not involve a sale of the dealership, and provides at least ninety days notice to the manufacturer, wholesaler, distributor, and the commission, the marine products and parts inventory shall be repurchased by the manufacturer, wholesaler, or distributor in the manner provided pursuant to this Section.

K. In the event of the death or incapacity of the marine dealer or the majority owner of a person operating as a marine dealer, the manufacturer, distributor, or wholesaler shall, at the option of the heirs, if the marine dealer died intestate, or the legatees or transferees under the terms of the deceased marine dealer's last will and testament if the marine dealer died testate, repurchase the inventory from the heirs, legatees, or transferees as if the manufacturer, distributor, or wholesaler had terminated the contract, and the inventory repurchase provisions of this Section shall apply. The heirs or legatees shall have until the end of the contract term or one year from the date of the death of the marine dealer or majority owner of a person, whichever comes first, to exercise their option pursuant to this Section. However, nothing in this Section shall require the repurchase of inventory if the heirs, legatees, or transferees and the manufacturer, distributor, or wholesaler enter into a new franchise to operate the marine dealership.

§1270.6. Manufacturer termination of line-make; manufacturer bankruptcy; license

Notwithstanding the terms of any franchise or provision of law, if the termination, cancellation, or nonrenewal of a licensee's selling agreement is the result of the termination, elimination, or cessation of a line-make by the manufacturer, distributor, or factory branch, whether by bankruptcy or otherwise, the license issued by the commission may remain in effect at the discretion of the commission pursuant to its rules.

§1270.7. Indemnification of marine dealers

Notwithstanding the terms of any franchise agreement, each manufacturer or converter shall indemnify and hold harmless its franchised marine dealers against any judgment for damages, including but not limited to court costs and reasonable attorney fees of the marine dealer, arising out of complaints, claims, or lawsuits including but not limited to strict liability, negligence, misrepresentation, express or implied warranty, or rescission of sale to the extent that the judgment arises out of alleged defective or negligent manufacture, assembly, or design of marine products, parts, or accessories, or other functions by the manufacturer or converter, which are beyond the control of the marine dealer.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.8. Marine products repairs

Suppliers of mechanical repairs and services for any marine product subject to regulation pursuant to this Part shall provide each consumer with an itemized bill indicating repairs and services performed, parts replaced, or materials used, the total labor charge, and the identity of the mechanic, repairman, or supplier who performed the work. However, nothing in this Section shall prohibit a supplier of mechanical repairs and services from charging a service fee for the use of shop supplies such as rags, fender covers, small amounts of fluid, or other items which are not itemized, provided that such fee does not exceed five percent of the total invoice for mechanical repairs or thirty-five dollars, whichever is less.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.9. Damage disclosure

A. Whenever a new marine product subject to regulation pursuant to this Chapter is sold to any person, the seller shall notify the purchaser of any body damage or mechanical damage which the marine product has sustained that exceeds six percent of the manufacturer's suggested retail price. Such notice shall be in writing and a copy thereof shall be delivered to the purchaser prior to or simultaneous with transfer of the vehicle title.

B. This Section shall apply to all instances of vehicular body or mechanical damage to marine products and to all actions involving such damage, notwithstanding the application of other codal, statutory, or regulatory provisions, including but not limited to Civil Code Articles 2520 et seq.

PART III. PROVISIONS SPECIFIC TO MOTORCYCLES AND ALL-TERRAIN VEHICLES

§1270.10. Establishment of new motorcycle or all-terrain vehicle dealerships or relocations; protests; procedure

A. Whenever the commission receives an application for a recreational products dealer's license which would add a new motorcycle or all-terrain vehicle dealership, it shall first notify the existing licensed motorcycle or all-terrain vehicle dealership or dealerships selling the same-line makes, models, or classifications within a thirty-mile radius of the proposed dealership, and such dealer or dealers may object to the granting of the license.

B. Whenever the commission receives an application for a recreation products dealer's license which would relocate an existing motorcycle or all-terrain vehicle dealership, it shall first notify any existing licensed motorcycle or all-terrain vehicle dealership selling the same-line makes, models, or classifications within a thirty-mile radius of the proposed dealership, and such dealer or dealers. Any existing same-line makes, models, or classifications dealership shall have the right to object to the granting of the license only if the proposed relocation is within a radius of seven miles of its facility. However, without regard to distance, whenever the commission receives an application for the relocation of a motorcycle or all-terrain vehicle dealership which would add an additional franchise to an existing same-line makes, models, or classifications dealership's area of responsibility, the affected motorcycle or all-terrain vehicle dealership shall have the right to object.

C. The objection shall be in writing and shall be received by the commission within a fifteen-day period after receipt of the notice. The fifteen-day objection period shall be waived upon written notification to the commission from all licensees entitled to object that the licensees have no objections to the proposed change or addition for which the notice of intent was issued. If a timely objection is lodged, and prior to the issuance of the license, the commission shall hold a hearing within thirty days after receipt of the objection and issue its decision within ninety days after date of the hearing. Notice of hearing and an opportunity to participate

therein shall be given to the manufacturer or distributor, the applicant for the license as a motorcycle or all-terrain vehicle dealer, and to the protesting motorcycle or all-terrain vehicle dealership or dealerships.

D. Whenever the commission receives an objection pursuant to the provisions of Subsection A of this Section, the commission shall consider the following and may consider any other relevant factors in determining whether there is good cause to issue a license:

(1) Whether the community or territory can support an additional motorcycle or all-terrain vehicle dealership.

(2) The financial impact on both the applicant and the existing motorcycle or all-terrain vehicle dealership or dealerships.

(3) Whether the existing motorcycle or all-terrain vehicle dealerships of the same-line makes, models, or classifications in the dealership's area of responsibility are providing adequate representation, competition, and convenient consumer care for the motorcycle or all-terrain vehicles of the same-line makes, models, or classifications located within that area.

(4) Whether the issuance of the license would increase competition, or be in the public interest, or both.

Acts 2012, No. 326, §1, eff. August 1, 2012, Acts 2013, No. 53, § , eff. August 1, 2013.

§1270.11. Unauthorized acts

It shall be a violation of this Part:

(1) For a manufacturer, distributor, wholesaler, distributor branch, factory branch, converter or officer, agent, or other representative thereof:

(a) To induce or coerce, or attempt to induce or coerce, any licensee:

(i) To order or accept delivery of any motorcycle or all-terrain vehicle, appliances, equipment, parts or accessories therefor, or any other commodity or commodities which shall not have been voluntarily ordered.

(ii) To order or accept delivery of any motorcycle or all-terrain vehicle with special features, appliances, accessories, or equipment not included in the list price of the vehicle as publicly advertised.

(iii) To order for any person any parts, accessories, equipment, machinery, tools, appliances, or any commodity whatsoever.

(iv) To assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by law, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation between a manufacturer, distributor, wholesaler, distributor branch or factory branch, or officer, agent, or other representative thereof.

(v) To enter into a franchise with a licensee or during the franchise term, use any written instrument, agreement, release, assignment, novation, estoppel, or waiver, to attempt to nullify or modify any provision of this Chapter, or to require any controversy between a dealer and a manufacturer to be referred to any person or entity other than the commission, or duly constituted courts of this state or the United States, if such referral would be binding upon the motorcycle or all-terrain vehicle dealer. Such instruments are null and void, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation.

(vi) To waive the right to a jury trial.

(vii) To release, convey, or otherwise provide customer information, if to do so is unlawful or if the customer objects in writing. This does not include information that is necessary for the manufacturer to meet its obligations to the motorcycle or all-terrain vehicle dealer or consumers in regard to contractual responsibilities, motorcycle or all-terrain vehicle recalls, or other requirements imposed by state or federal law. The manufacturer is further prohibited from providing any consumer information received from the motorcycle or all-terrain vehicle dealer to any unaffiliated third party.

(viii) To pay the attorney fees of the manufacturer or distributor related to hearings and appeals brought under this Chapter.

(b) To threaten to cancel any franchise or any contractual agreement existing between such manufacturer, distributor, wholesaler, distributor branch or factory branch and the motorcycle or all-terrain vehicle dealer for any reason.

(c) To unfairly, without just cause and due regard to the equities of the motorcycle or all-terrain vehicle dealer, cancel the franchise of the licensee. The nonrenewal of a franchise with such dealer or his successor without just provocation or cause, or the refusal to approve a qualified transferee or qualified successor to the dealer-operator as provided for in the franchise shall be deemed a violation of this Subparagraph and shall constitute an unfair cancellation, regardless of the terms or provisions of such franchise. However, at least ninety days notice shall be given to the dealer of a cancellation or nonrenewal of franchise except for a cancellation arising out of fraudulent activity of the dealer principal which results in the conviction of a crime punishable by imprisonment.

(d) To refuse to extend to a licensee the privilege of determining the mode or manner of available transportation facility that the motorcycle or all-terrain vehicle dealer desires to be used or employed in making deliveries of motorcycles or all-terrain vehicles to him or it.

(e) To ship or sell motorcycles or all-terrain vehicles to a licensee prior to the licensee having been granted a license by the commission to sell motorcycles or all-terrain vehicles.

(f) To unreasonably withhold consent to the sale, transfer, or exchange of the franchise to a qualified transferee capable of being licensed as a motorcycle or all-terrain vehicle dealer in this state, provided the transferee meets the criteria generally applied by the manufacturer in approving new motorcycle or all-terrain vehicle dealers and agrees to be bound by all the terms and conditions of the standard franchises.

(g) To fail to respond in writing to a written request for consent as specified in Subparagraph (f) of this Paragraph within sixty days of receipt of a written request on the forms, if any, generally utilized by the manufacturer or distributor for such purposes and containing the information required therein. Failure to respond shall be deemed to be consent to the request.

(h)(i) To sell or offer to sell a new or unused motorcycle or all-terrain vehicle directly to a consumer except as provided in this Chapter, or to compete with a licensee in the same-line makes, models, or classifications operating under an agreement or franchise from the aforementioned manufacturer. A manufacturer shall not, however, be deemed to be competing when any one of the following conditions are met:

(aa) Operating a motorcycle or all-terrain vehicle dealership temporarily for a reasonable period, not to exceed two years.

(bb) Operating a bona fide retail dealership which is for sale to any qualified independent person at a fair and reasonable price, not to exceed two years.

(cc) Operating in a bona fide relationship in which a person independent of a manufacturer has made a significant investment subject to loss in the dealership, and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions.

(ii) After any of the conditions have been met under Subitems (i)(aa) and (bb) of this

Subparagraph, the commission shall allow the manufacturer to compete with licensees of the same-line makes, models, or classifications under an agreement or franchise from the manufacturer for longer than two years when, in the discretion of the commission, the best interest of the manufacturer, consuming public, and licensees are best served.

(i) Repealed.

(j) To fail to designate and provide to the commission in writing the community or territory assigned to a licensee.

(k) To unreasonably discriminate among competing, similarly situated, same-line make dealers in the sales of motorcycles or all-terrain vehicles, in the availability of motorcycles or all-terrain vehicles, in the terms of incentive programs or sales promotion plans, or in other similar programs.

(l) To use any subsidiary, affiliate, or any other controlled person or entity, or to employ the services of a third party, to accomplish what would otherwise be illegal conduct under this Chapter on the part of the manufacturer or distributor.

(m) To make a change in the area of responsibility described in the franchise agreement or sales and service agreement of a motorcycle or all-terrain vehicle dealer, without the franchisor, converter, or manufacturer giving the motorcycle or all-terrain vehicle dealer and the commission no less than sixty days prior written notice by certified or registered mail.

(n) To refuse to deliver to any licensee having a franchise or contractual arrangement for the retail sale of motorcycles or all-terrain vehicles sold or distributed by such manufacturer, distributor, wholesaler, distributor branch or factory branch, any motorcycle or all-terrain vehicle, publicly advertised for immediate delivery, within sixty days after such dealer's order shall have been received.

(2) For a motorcycle or all-terrain vehicle dealer, used motorcycle or all-terrain vehicle dealer, or a motorcycle or all-terrain vehicle salesman:

(a) To require a purchaser of a motorcycle or all-terrain vehicle, as a condition of sale and delivery thereof, to also purchase special features, appliances, accessories, or equipment not desired or requested by the purchaser; however, this prohibition shall not apply as to special features, appliances, accessories, or equipment which are permanently affixed to the motorcycle or all-terrain vehicle.

(b) To represent and sell as a new motorcycle or all-terrain vehicle any motorcycle or all-terrain vehicle, the legal title of which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

(c) To use any false or misleading advertisement in connection with his business as a motorcycle or all-terrain vehicle dealer or motorcycle or all-terrain vehicle salesman.

(d) To sell or offer to sell makes, models, or classifications of new motorcycles or all-terrain vehicles for which no franchise and license to sell is held.

(e) Except as otherwise approved by the commission, to sell or offer to sell a motorcycle or all-terrain vehicle from an unlicensed location.

(f) To deliver to a prospective purchaser a new or a used motorcycle or all-terrain vehicle on a sale conditioned on financing, i.e., a spot delivery, except on the following terms and conditions which shall be in writing and shall be a part of the conditional sales contract or other written notification signed by the purchaser:

(i) That if the sale is not concluded by the financing of the sale to the purchaser within twenty-five days of the delivery, the sale contract shall be null and void.

(ii) That the motorcycle or all-terrain vehicle being offered for trade-in by the purchaser shall not be sold by the motorcycle or all-terrain vehicle dealer until the conditional sale is complete.

(iii) That there shall be no charge to the purchaser should the conditional sale not be completed, including but not limited to mileage charges or charges to refurbish the motorcycle or all-terrain vehicle offered for trade-in. However, the purchaser shall be responsible for any and all damages to the motorcycle or all-terrain vehicle or other motorcycles or all-terrain vehicles damaged by the fault of the purchaser and any and all liability incurred by the purchaser during the purchaser's custody of the vehicle to the extent provided for in R.S. 22:1296.

(iv) That if the conditional sale is not completed, the motorcycle or all-terrain vehicle dealer shall immediately refund to the purchaser upon return of the motorcycle or all-terrain vehicle all sums placed with the dealership as a deposit or any other purpose associated with the attempted sale of the motorcycle or all-terrain vehicle.

(v) That the purchaser shall return the motorcycle or all-terrain vehicle to the dealership within forty-eight hours of notification by the dealer that the conditional sale will not be completed. If the prospective purchaser does not return the motorcycle or all-terrain vehicle to the dealership within forty-eight hours of notification by the motorcycle or all-terrain vehicle dealer, an authorized agent of the motorcycle or all-terrain vehicle dealer shall have the right to recover the motorcycle or all-terrain vehicle without the necessity of judicial process, provided that such recovery can be accomplished without unauthorized entry into a closed dwelling, whether locked or unlocked and without a breach of peace.

(g) To pay a fee to any person in return for the solicitation, procurement, or production by that person of prospective purchasers for new and used motorcycles or all-terrain vehicles, except to a motorcycle or all-terrain vehicle salesman licensed under the provisions of this Chapter.

(h) To fail to fully and completely explain each charge listed on a retail buyer's order or motorcycle or all-terrain vehicle invoice prior to the purchase of a motorcycle or all-terrain vehicle.

(i) When selling a motorcycle or all-terrain vehicle to a consumer, to assess any consumer services fees, which shall include fees for treating the interior upholstery of the vehicle, oil changes, roadside assistance, dealer inspections, or any other service offered by the dealer, without allowing the buyer to refuse such services and be exempt from payment for such services. The provisions of this Subparagraph shall not apply to dealer-added options or accessories which are permanently affixed to the motorcycle or all-terrain vehicle.

(j) (i) To fail to disclose to a purchaser in writing on the sales contract, buyer's order, or any other document that the motorcycle or all-terrain vehicle dealer may be participating in finance charges associated with the sale.

(ii) To participate in a finance charge that would result in a difference between the buy rate and the contract rate of more than three percentage points.

(iii) The provisions of this Subparagraph shall apply only to transactions subject to the Louisiana Motor Vehicle Sales Finance Act.

(3) (a) For any person or other licensee to modify a franchise during the term of the agreement or upon its renewal if the modification substantially and adversely affects the franchisee's rights, obligations, investment, or return on investment without giving a sixty-day written notice of the proposed modification to the licensee and the commission unless the modifications are required by law, court order, or the commission. Within the sixty-day notice period the licensee may file with the commission a complaint for a determination of whether there is good cause for permitting the proposed modification. The party seeking to modify or replace an agreement shall demonstrate by a preponderance of the evidence that there is good cause for the modification or replacement. The commission shall schedule a hearing within sixty days to decide the matter. Multiple complaints pertaining to the same proposed modifications shall be consolidated for hearing. The proposed modification may not take effect pending the determination of the matter.

(b) In making a determination of whether there is good cause for permitting a proposed modification, the commission may consider any relevant factor including:

(i) The reasons for the proposed modification.

(ii) Whether the proposed modification is applied to or affects all licensees in a nondiscriminating manner.

(iii) The degree to which the proposed modification will have a substantial and adverse effect upon the licensee's investment or return on investment.

(iv) Whether the proposed modification is in the public interest.

(v) The degree to which the proposed modification is necessary to the orderly and profitable distribution of vehicles and other services by the licensee.

(vi) Whether the proposed modification is offset by other modifications beneficial to the licensee.

(c) The decision of the commission shall be in writing and shall contain findings of fact and a determination of whether there is good cause for permitting the proposed modification. The commission shall deliver copies of the decision to the parties personally or by registered mail.

(4) For any employee of a licensee while acting in the scope of his employment, to accept any payment, commission, fee, or compensation of any kind from any person other than the employing licensee, unless such payment is fully disclosed to and approved by the employing licensee.

Acts 2012, No. 326, §1, eff. August 1, 2012, Acts 2014, No. 770, §2, eff. August 1, 2014.

§1270.12. Indemnification of motorcycle and all-terrain vehicle franchised dealers

Notwithstanding the terms of any franchise agreement, each manufacturer or converter shall indemnify and hold harmless its franchised motorcycle or all-terrain vehicle dealers against any judgment for damages, including but not limited to court costs and reasonable attorney fees of the motorcycle or all-terrain vehicle dealer, arising out of complaints, claims, or lawsuits including but not limited to strict liability, negligence, misrepresentation, express or implied warranty, or rescission of sale to the extent that the judgment arises out of alleged defective or negligent manufacture, assembly, or design of motorcycles or all-terrain vehicles, parts, or accessories, or other functions by the manufacturer or converter, which are beyond the control of the motorcycle or all-terrain vehicle dealer.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.13. Warranty; compensation; audits of motorcycle or all-terrain vehicle dealer records

A.(1) It shall be a violation of this Chapter for a manufacturer, a distributor, a wholesaler, distributor branch or factory branch of motorcycles or all-terrain vehicles, or officer, agent, or other representative thereof to fail to adequately and fairly compensate its motorcycle or all-terrain vehicle dealers for labor, parts, and other expenses incurred by such motorcycle or all-terrain vehicle dealer to perform under and comply with a manufacturer's or a distributor's warranty agreement.

(2) In no event shall any manufacturer or distributor pay its motorcycle or all-terrain vehicle dealers at a price or rate for warranty work that is less than that charged by the motorcycle or all-terrain vehicle dealer to the retail customers of the motorcycle or all-terrain vehicle dealer for nonwarranty work of like kind.

(3) Warranty work includes parts and labor performed.

(4) All claims made by the motorcycle or all-terrain vehicle dealer for compensation under this

Subsection shall be paid within thirty days after approval and shall be approved or denied within thirty days after receipt. When any claim is denied, the motorcycle or all-terrain vehicle dealer shall be notified in writing of the grounds for denial.

(5) The obligations in this Subsection as they relate to motorcycles or all-terrain vehicles may be modified by contract.

B.(1) Notwithstanding the terms of any franchise, warranty, and sales incentive, audits of motorcycle or all-terrain vehicle dealer records may be conducted by the manufacturer, distributor, distributor branch, or factory branch. Any audit for warranty parts or service compensation shall be for the twelve-month period immediately following the date of the payment of the claim by the manufacturer or distributor. However, a motorcycle or all-terrain vehicle dealer shall not be held liable by virtue of an audit for failure to retain parts for a period in excess of six months. Any audit for sales incentives, service incentives, rebates, or other forms of incentive compensation shall be only for the twelve-month period immediately following the date of the final payment to the motorcycle or all-terrain vehicle dealer under a promotion, event, program, or activity. In no event shall the manufacturer, distributor, distributor branch, or factory branch fail to allow the motorcycle or all-terrain vehicle dealer to make corrections to the sales data in less than one hundred twenty days from the program period. Additionally, no penalty other than amounts advanced on a motorcycle or all-terrain vehicle reported incorrectly shall be due in connection with the audit. With respect to motorcycles or all-terrain vehicles sold during the time period subject to the audit, but submitted incorrectly to the manufacturer, distributor, or wholesale distributor branch or factory branch, the motorcycle or all-terrain vehicle dealer shall be charged back for the amount reported incorrectly and credited with the amount due, if anything, on the actual sale date.

(2) No claim which has been approved and paid may be charged back to the motorcycle or all-terrain vehicle dealer unless it can be shown that one of the following applies:

(a) The claim was false or fraudulent.

(b) The repairs were not properly made.

(c) The repairs were unnecessary to correct the defective condition under generally accepted standards of workmanship.

(d) The motorcycle or all-terrain vehicle dealer failed to reasonably substantiate the repair in accordance with reasonable written requirements of the manufacturer or distributor, if the motorcycle or all-terrain vehicle dealer was notified of the requirements prior to the time the claim arose and if the requirements were in effect at the time the claim arose.

(3) A manufacturer or distributor shall not deny a claim solely based on a motorcycle or all-terrain vehicle dealer's incidental failure to comply with a specific claim processing requirement, or a clerical error, or other administrative technicality.

(4) Limitations on warranty parts or service compensation, sales incentive audits, rebates, or other forms of incentive compensation, chargebacks for warranty parts or service compensation, and service incentives and chargebacks for sales compensation only shall not be effective in the case of intentionally false or fraudulent claims.

(5) It shall be deemed an unfair act pursuant to this Chapter to audit a motorcycle or all-terrain vehicle dealer more frequently than two sales-related and two service-related audits in a twelve-month period. Nothing in this Subsection shall limit a manufacturer's or distributor's ability to perform routine claim reviews in the normal course of business.

(6) No claim may be rejected as late if within sixty days of the date the repair order was written.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.14. Damage disclosure

A. Whenever a new motorcycle or all-terrain vehicle subject to regulation pursuant to this Chapter is sold to any person, the seller shall notify the purchaser of any body damage or mechanical damage which the motorcycle or all-terrain vehicle has sustained that exceeds six percent of the manufacturer's suggested retail price or, in the case of recreational vehicles, six percent of the manufacturer's wholesale price. Such notice shall be in writing and a copy thereof shall be delivered to the purchaser prior to or simultaneous with transfer of the motorcycle or all-terrain vehicle title.

B. This Section shall apply to all instances of vehicular body or mechanical damage to motorcycles or all-terrain vehicles and to all actions involving such damage, notwithstanding the application of other codal, statutory, or regulatory provisions, including but not limited to Civil Code Articles 2520 et seq.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.15. Sale of water-damaged motorcycles or all-terrain vehicles

A. No person shall sell, transfer, or convey any new or used motorcycle or all-terrain vehicle to any person without notifying the buyer or receiver of the motorcycle or all-terrain vehicle in writing of the extent of any water damage from flooding which occurred to the motorcycle or all-terrain vehicle prior to the transaction.

B. If a sale, transfer, or conveyance of a new or used motorcycle or all-terrain vehicle occurs in violation of Subsection A of this Section, the person receiving ownership and title to the motorcycle or all-terrain vehicle who is not otherwise aware of the damage at the time of the transaction may bring an action to set aside the transaction within one year from the date of the transaction and receive all monies or other property given as consideration for the motorcycle or all-terrain vehicle less a reasonable deduction for miles driven.

C. For the purposes of this Section, a "water-damaged motorcycle or all-terrain vehicle" means any motorcycle or all-terrain vehicle whose power train, computer, or electrical system has been damaged by flooding.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.16. Succession; right of first refusal

A. The terms of the franchise notwithstanding, any motorcycle or all-terrain vehicle dealer may appoint by will, or other written instrument, a designated successor to succeed in the ownership interest of the motorcycle or all-terrain vehicle dealer in the dealership upon the death or incapacity of the motorcycle or all-terrain vehicle dealer.

B. Unless good cause exists for refusal to honor the succession on the part of the manufacturer or distributor, any designated successor of a deceased or incapacitated motorcycle or all-terrain vehicle dealer of a dealership may succeed to the ownership of the dealership under the existing franchise if:

(1) The designated successor gives the manufacturer or distributor written notice of his intention to succeed to the ownership of the motorcycle or all-terrain vehicle dealer within sixty days of the motorcycle or all-terrain vehicle dealer's death or incapacity.

(2) The designated successor agrees to be bound by all the terms and conditions of the franchise.

C. The manufacturer or distributor may request, and the designated successor shall provide, promptly upon such request, personal and financial data reasonably necessary to determine whether the succession should be honored.

D. If a manufacturer or distributor believes that good cause exists for refusing to honor the succession of a deceased or incapacitated motorcycle or all-terrain vehicle dealer, the manufacturer or distributor may, not more than sixty days following receipt of notice of the designated successor's intent to succeed and receipt of such personal or financial data, serve upon the designated successor notice of its refusal to honor the succession and of its intent to discontinue the existing franchise with the motorcycle or all-terrain vehicle dealer not earlier than six months from the date such notice is served.

E. The notice must state the specific grounds for the refusal to honor the succession.

F. If notice of refusal and discontinuance is not timely served upon the designated successor, the franchise shall continue in effect subject to termination only as otherwise permitted by this Chapter.

G. In determining whether good cause for the refusal to honor the succession exists, the manufacturer or distributor has the burden of proving that the designated successor is not of good moral character or does not otherwise meet the manufacturer's or distributor's reasonable standards as a franchisee.

H. If a manufacturer or distributor refuses to honor the succession to the ownership interest of a deceased or incapacitated owner for good cause, then and in such event:

(1) The manufacturer or distributor shall allow the designated successor a reasonable period of time which shall not be less than six months in which to consummate a sale of the dealership. Any such sale shall be subject to R.S. 32:1270.11(1)(c).

(2) Upon termination of the franchise pursuant to such refusal, the provisions of R.S. 32:1270.17 shall apply.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.17. Requirements upon termination; penalty; indemnity; motorcycle or all-terrain vehicle dealers

A.(1) In the event the licensee ceases to engage in the business of being a motorcycle dealer or all-terrain vehicle dealer, or ceases to sell a particular make of motorcycle or all-terrain vehicle and after notice to the manufacturer, converter, distributor, or representative by certified mail or commercial delivery service with verification of receipt, within thirty days of the receipt of the notice by the manufacturer, converter, distributor, or representative, the manufacturer, converter, distributor, or representative shall repurchase:

(a) All new motorcycles or all-terrain vehicles of the current and last prior model year delivered to the licensee and parts on hand that have not been damaged or substantially altered to the prejudice of the manufacturer while in the possession of the licensee. As to motorcycle or all-terrain vehicle dealers, the repurchase of parts shall be limited to those listed in the manufacturer's price book. The motorcycle or all-terrain vehicles and parts shall be repurchased at the cost to the licensee which shall include without limitation freight and advertising costs, less all allowances paid to the motorcycle or all-terrain vehicle dealer.

(b) At fair market value, each undamaged sign owned by the motorcycle or all-terrain vehicle dealer which bears a trademark or trade name used or claimed by the manufacturer, converter, distributor, or representative if the sign was purchased from or purchased at the request of the manufacturer, distributor, or representative. Fair market value shall be no less than cost of acquisition of the sign by the motorcycle or all-terrain vehicle dealer.

(c) At fair market value, all special tools and service equipment owned by the motorcycle dealer or all-terrain vehicle dealer which were recommended in writing and designated as special tools and equipment and purchased from or purchased at the request of the manufacturer, converter, distributor, or representative, if the tools and equipment are in usable and good condition except for reasonable wear and tear. Fair market value shall be no less than cost of acquisition of special tools and service equipment by the motorcycle dealer or all-terrain vehicle dealer.

(2) The manufacturer, converter, distributor, or representative shall pay to the motorcycle or all-

terrain vehicle dealer the costs of transporting, handling, packing, and loading of motorcycles or all-terrain vehicles, or parts, signs, tools, and equipment subject to repurchase.

(3) The manufacturer or converter shall make the required repurchase after the dealer terminates his franchise and within sixty days of the submission to it, by certified mail, return receipt requested, or commercial delivery service with verification of receipt, of a final inventory of motorcycles, all-terrain vehicles, and parts on hand.

B. Failure to make the repurchase without just cause shall subject the manufacturer or converter to a penalty of one and one-half percent per month, or fraction thereof, of the inventory value or returnable motorcycles or all-terrain vehicles, and parts, signs, special tools, and service equipment, payable to the dealer, as long as the repurchase is not made.

§1270.18. Manufacturer termination of line-make; manufacturer bankruptcy; license; motorcycle or all-terrain vehicle franchise

Notwithstanding the terms of any franchise or provision of law, if the termination, cancellation, or nonrenewal of a licensee's franchise is the result of the termination, elimination, or cessation of a line-make by the manufacturer, distributor, or factory branch, whether by bankruptcy or otherwise, the license issued by the commission may remain in effect at the discretion of the commission pursuant to its rules.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.19. Motorcycle or all-terrain vehicle repairs

Suppliers of mechanical repairs and services for any motorcycle or all-terrain vehicle subject to regulation pursuant to this Chapter shall provide each consumer with an itemized bill indicating repairs and services performed, parts replaced, or materials used, the total labor charge, and the identity of the mechanic, repairman, or supplier who performed the work. However, nothing in this Section shall prohibit a supplier of mechanical repairs and services from charging a service fee for the use of shop supplies such as rags, fender covers, small amounts of fluid, or other items which are not itemized, provided that such fee does not exceed five percent of the total invoice for mechanical repairs or thirty-five dollars, whichever is less.

Acts 2012, No. 326, §1, eff. August 1, 2012.

PART IV. PROVISIONS SPECIFIC TO RECREATIONAL VEHICLES

§1270.20. Unauthorized acts; recreational vehicles

It shall be a violation of this Chapter:

(1) For a manufacturer, a distributor, a wholesaler, factory branch, or officer, agent, or other representative thereof:

(a) To induce or coerce, or attempt to induce or coerce, any licensee:

(i) To order or accept delivery of any recreational vehicles, appliances, equipment, parts or accessories therefor, or any other commodity or commodities which shall not have been voluntarily ordered.

(ii) To order or accept delivery of any recreational vehicle with special features, appliances, accessories, or equipment not included in the list price of the recreational vehicles as publicly advertised.

(iii) To order for any person any parts, accessories, equipment, machinery, tools, appliances, or any commodity whatsoever.

(iv) To assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by law, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation between a manufacturer, distributor, wholesaler, or factory branch, or officer, agent, or other representative thereof.

(v) To enter into a franchise with a licensee or during the franchise term, use any written instrument, agreement, release, assignment, novation, estoppel, or waiver, to attempt to nullify or modify any provision of this Chapter, or to require any controversy between a recreational vehicle dealer and a manufacturer to be referred to any person or entity other than the commission, or duly constituted courts of this state or the United States, if such referral would be binding upon the recreational dealer. Such instruments are null and void, unless done in connection with a settlement agreement to resolve a matter pending a commission hearing or pending litigation.

(vi) To waive the right to a jury trial.

(vii) To participate in an advertising group or to participate monetarily in an advertising campaign or contest or to purchase any promotional materials, showroom, or other display decorations or materials at the expense of such recreational vehicle dealer.

(viii) To release, convey, or otherwise provide customer information, if to do so is unlawful or if the customer objects in writing. This does not include information that is necessary for the manufacturer to meet its obligations to the recreational vehicle dealer or consumers in regard to contractual responsibilities, recreational vehicle recalls, or other requirements imposed by state or federal law. The manufacturer is further prohibited from providing any consumer information received from the recreational vehicle dealer to any unaffiliated third party.

(ix) To pay the attorney fees of the manufacturer or distributor related to hearings and appeals brought under this Chapter.

(b) To refuse to deliver to any licensee having a franchise or contractual arrangement for the retail sale of recreational vehicles sold or distributed by such manufacturer, distributor, wholesaler, or factory branch, any recreational vehicle, publicly advertised for immediate delivery, within sixty days after such recreational vehicle dealer's order shall have been received.

(c) To threaten to cancel any franchise or any contractual agreement existing between such manufacturer, distributor, wholesaler, or factory branch and the recreational vehicle dealer for any reason.

(d) To unfairly, without just cause and due regard to the equities of such recreational vehicle dealer, cancel the franchise of any licensee. The nonrenewal of a franchise with such recreational vehicle dealer or his successor without just provocation or cause, or the refusal to approve a qualified transferee or qualified successor to the dealer-operator as provided for in the franchise agreement, shall be deemed a violation of this Paragraph and shall constitute an unfair cancellation, regardless of the terms or provisions of such franchise. However, at least ninety-days notice shall be given to the recreational vehicle dealer of any cancellation or nonrenewal of a franchise except for a cancellation arising out of the financial default of the recreational vehicle dealer or fraudulent activity of the recreational vehicle dealer principal which results in the conviction of a crime punishable by imprisonment.

(e) To refuse to extend to a licensee the privilege of determining the mode or manner of available transportation facility that such recreational vehicle dealer desires to be used or employed in making deliveries of recreational vehicles to him or it.

(f) To use any false or misleading advertisement in connection with his business as such manufacturer of recreational vehicles, distributor, wholesaler, or factory branch, or officer, agent, or other representative thereof.

(g) To delay, refuse, or fail to deliver recreational vehicles in reasonable quantities relative to the licensee's facilities and sales potential in the relevant market area. This Subparagraph shall not be valid, however, if such failure is caused by acts or causes beyond the control of the manufacturer, distributor, or other such party.

(h) To ship or sell recreational vehicles to a licensee prior to the licensee having been granted a license by the commission to sell such recreational vehicles.

(i) To unreasonably withhold consent to the sale, transfer, or exchange of the franchise to a qualified transferee capable of being licensed as a recreational vehicle dealer in this state, provided the transferee meets the criteria generally applied by the manufacturer in approving new recreational vehicle dealers and agrees to be bound by all the terms and conditions of the standard franchises.

(j) To fail to respond in writing to a written request for consent as specified in Subparagraph (i) of this Paragraph within sixty days of receipt of a written request on the forms, if any, generally utilized by the manufacturer or distributor for such purposes and containing the information required therein. Failure to respond shall be deemed to be consent to the request.

(k)(i) To sell or offer to sell a new or unused recreational vehicle directly to a consumer except as provided in this Chapter, or to compete with a licensee in the same-line makes, models, or classifications operating under an agreement or franchise from the aforementioned manufacturer. A manufacturer shall not, however, be deemed to be competing when any one of the following conditions are met:

(aa) Operating a dealership temporarily for a reasonable period, not to exceed two years.

(bb) Operating a bona fide retail dealership which is for sale to any qualified independent person at a fair and reasonable price, for a period not to exceed two years.

(cc) Operating in a bona fide relationship in which a person independent of a manufacturer has made a significant investment subject to loss in the dealership, and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions.

(ii) After any of the conditions have been met under Subitems (i)(aa) and (bb) of this Subparagraph, the commission shall allow the manufacturer to compete with licensees of the same-line makes, models, or classifications under an agreement or franchise from the manufacturer for longer than two years when, in the discretion of the commission, the best interest of the manufacturer, consuming public, and licensees are best served.

(l) To condition the renewal or extension of a franchise on a new recreational vehicle dealer's substantial renovation of the recreational vehicle dealer's place of business or on the construction, purchase, acquisition, or rental of a new place of business by the new recreational vehicle dealer, unless the manufacturer has advised the new recreational vehicle dealer in writing of its intent to impose such a condition within a reasonable time prior to the effective date of the proposed date of renewal or extension, but in no case less than one hundred eighty days, and provided the manufacturer demonstrates the need for such demand in view of the need to service the public and the economic conditions existing in the recreational vehicle industry at the time such action would be required of the new recreational vehicle dealer. As part of any such condition, the manufacturer shall agree, in writing, to supply the recreational vehicle dealer with an adequate supply and marketable model mix of recreational vehicles to meet the sales levels necessary to support the increased overhead incurred by the recreational vehicle dealer by reason of such renovation, construction, purchase, or rental of a new place of business.

(m) To fail to compensate its recreational vehicle dealers for the work and services they are required to perform in connection with the recreational vehicle dealer's delivery and preparation obligations according to the terms of compensation. The commission shall find the compensation to be reasonable or the manufacturer shall remedy any deficiencies.

(n) To fail to designate and provide to the commission in writing the community or territory

assigned to a licensee.

(o) To unreasonably discriminate among competing, similarly situated, same-line make dealers in the sales of recreational vehicles, in the availability of such recreational vehicles, in the terms of incentive programs or sales promotion plans, or in other similar programs.

(p) To terminate, cancel, or refuse to continue any franchise agreement based upon the fact that the recreational vehicle dealer owns, has an investment in, participates in the management of, or holds a franchise agreement for the sale or service of another make or line of new recreational vehicles at a different dealership location, or intends to or has established another make or line of new recreational vehicles in the same dealership facilities of the manufacturer or distributor.

(q) To demand compliance with facilities requirements that include any requirements that a recreational vehicle dealer establish or maintain exclusive offices, parts, service or body shop facilities, unless such requirements would be reasonable and justified by business considerations. The burden of proving that such requirements are reasonable and justified by business considerations is on the manufacturer. If the franchise agreement of the manufacturer or distributor requires the approval of the manufacturer or distributor for facility uses or modifications, the manufacturer or distributor shall approve or deny the request in writing within sixty days of receipt of such request.

(r) To use any subsidiary, affiliate, or any other controlled person or entity, or to employ the services of a third party, to accomplish what would otherwise be illegal conduct under this Chapter on the part of the manufacturer or distributor.

(s) To make a change in the area of responsibility described in the franchise agreement or sales and service agreement of a recreational vehicle dealer, without the franchisor or manufacturer giving the recreational vehicle dealer and the commission no less than sixty days prior written notice by certified or registered mail.

(t) To induce or coerce, or attempt to induce or coerce, any recreational vehicle dealer to enter into any agreement with such manufacturer, distributor, wholesaler, distributor branch or factory branch or representative thereof, or to do any other act unfair to the recreational vehicle dealer.

(u)(i) To coerce or attempt to coerce any retail recreational vehicle dealer or prospective retail recreational vehicle dealer to offer to sell or sell any extended service contract or extended maintenance plan or gap product offered, sold, backed by, or sponsored by the manufacturer or distributor or affiliate or sell, assign, or transfer any retail installment sales contract or lease obtained by the dealer in connection with the sale or lease by him of recreational vehicles manufactured or sold by the manufacturer or distributor, to a specified finance company or class of finance companies, leasing company or class of leasing companies, or to any other specified persons by any of the following:

(aa) By any statement, promise, or threat that the manufacturer or distributor will in any manner benefit or injure the dealer, whether the statement, suggestion, threat, or promise is express or implied or made directly or indirectly.

(bb) By any act that will benefit or injure the dealer.

(cc) By any contract, or any express or implied offer of contract, made directly or indirectly to the dealer, for handling the recreational vehicle on the condition that the recreational vehicle dealer shall offer to sell or sell any extended service contract or extended maintenance plan offered, sold, backed by, or sponsored by the manufacturer or distributor or that the dealer sell, assign, or transfer his retail installment sales contract on or lease of the recreational vehicle, to a specified finance company or class of finance companies, leasing company or class of leasing companies, or to any other specified person.

(dd) Any statements, threats, promises, acts, contracts, or offers of contracts, when their effect may be to lessen or eliminate competition.

(ii) Nothing contained in this Subparagraph shall prohibit a manufacturer or distributor

from offering or providing incentive benefits or bonus programs to a retail recreational vehicle dealer or prospective retail recreational vehicle dealer who makes the voluntary decision to offer to sell or sell any extended service contract or extended maintenance plan offered, sold, backed, or sponsored by the manufacturer or distributor or to sell, assign, or transfer any retail installment sale or lease by him of recreational vehicles manufactured or sold by the manufacturer or distributor to a specified finance company or leasing company.

(2) For a recreational vehicle dealer or a recreational vehicle salesman:

(a) To require a purchaser of a recreational vehicle, as a condition of sale and delivery thereof, to also purchase special features, appliances, accessories, or equipment not desired or requested by the purchaser; however, this prohibition shall not apply as to special features, appliances, accessories, or equipment which are permanently affixed to the recreational vehicle.

(b) To represent and sell as a new recreational vehicle any vehicle, the legal title of which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

(c) To use any false or misleading advertisement in connection with his business as such recreational vehicle dealer or recreational vehicle salesman.

(d) To sell or offer to sell makes, models, or classifications of new recreational vehicles for which no franchise and license to sell is held.

(e) Except as otherwise approved by the commission, to sell or offer to sell a recreational vehicle from an unlicensed location.

(f) To deliver to a prospective purchaser a new recreational vehicle on a sale conditioned on financing, i.e., a spot delivery, except on the following terms and conditions which shall be in writing and shall be a part of the conditional sales contract or other written notification signed by the purchaser:

(i) That if the sale is not concluded by the financing of the sale to the purchaser within twenty-five days of the delivery, the sale contract shall be null and void.

(ii) That the recreational vehicle being offered (ii) for trade-in by the purchaser shall not be sold by the recreational vehicle dealer until the conditional sale is complete.

(iii) That there shall be no charge to the purchaser should the conditional sale not be completed, including but not limited to mileage charges or charges to refurbish the recreational vehicle offered for trade-in. However, the purchaser shall be responsible for any and all damages to the recreational vehicle or other vehicles damaged by the fault of the purchaser and any and all liability incurred by the purchaser during the purchaser's custody of the recreational vehicle to the extent provided for in R.S. 22:1296.

(iv) That if the conditional sale is not completed, the recreational vehicle dealer shall immediately refund to the purchaser upon return of the recreational vehicle all sums placed with the dealership as a deposit or any other purpose associated with the attempted sale of the vehicle.

(v) That the prospective purchaser shall return the recreational vehicle to the dealership within forty-eight hours of notification by the recreational vehicle dealer that the conditional sale will not be completed. If the prospective purchaser does not return the recreational vehicle to the dealership within forty-eight hours of notification by the recreational vehicle dealer, an authorized agent of the recreational vehicle dealer shall have the right to recover the recreational vehicle without the necessity of judicial process, provided that such recovery can be accomplished without unauthorized entry into a closed dwelling, whether locked or unlocked, and without a breach of peace.

(g) To pay a fee to any person in return for the solicitation, procurement, or production by that person of prospective purchasers for new and used recreational vehicles, except to a recreational vehicle salesman licensed under the provisions of this Chapter.

(h) To fail to fully and completely explain each charge listed on a retail buyer's order or recreational vehicle invoice prior to the purchase of a recreational vehicle.

(i) When selling a recreational vehicle to a consumer, to assess any consumer services fees, which shall include fees for treating the interior upholstery of the recreational vehicle, oil changes, roadside assistance, dealer inspections, or any other service offered by the recreational vehicle dealer, without allowing the buyer to refuse such services and be exempt from payment for such services. The provisions of this Subparagraph shall not apply to dealer-added options or accessories which are permanently affixed to the recreational vehicle.

(j) (i) To fail to disclose to a purchaser in writing on the sales contract, buyer's order, or any other document that the recreational vehicle dealer may be participating in finance charges associated with the sale.

(ii) To participate in a finance charge that would result in a difference between the buy rate and the contract rate of more than three percentage points.

(iii) The provisions of this Subparagraph shall apply only to transactions subject to the Louisiana Motor Vehicle Sales Finance Act.

(3)(a) For any person or other licensee to modify a franchise during the term of the agreement or upon its renewal if the modification substantially and adversely affects the franchisee's rights, obligations, investment, or return on investment without giving a sixty-day written notice of the proposed modification to the licensee and the commission unless the modifications are required by law, court order, or the commission. Within the sixty-day notice period, the licensee may file with the commission a complaint for a determination whether there is good cause for permitting the proposed modification. The party seeking to modify or replace an agreement shall demonstrate by a preponderance of the evidence that there is good cause for the modification or replacement. The commission shall schedule a hearing within sixty days to decide the matter. Multiple complaints pertaining to the same proposed modifications shall be consolidated for hearing. The proposed modification may not take effect pending the determination of the matter.

(b) In making a determination of whether there is good cause for permitting a proposed modification, the commission may consider any relevant factor including:

(i) The reasons for the proposed modification.

(ii) Whether the proposed modification is applied to or affects all licensees in a nondiscriminating manner.

(iii) The degree to which the proposed modification will have a substantial and adverse effect upon the licensee's investment or return on investment.

(iv) Whether the proposed modification is in the public interest.

(v) The degree to which the proposed modification is necessary to the orderly and profitable distribution of recreational vehicles and other services by the licensee.

(vi) Whether the proposed modification is offset by other modifications beneficial to the licensee.

(c) The decision of the commission shall be in writing and shall contain findings of fact and a determination of whether there is good cause for permitting the proposed modification. The commission shall deliver copies of the decision to the parties personally or by registered mail.

(4) For any employee of a licensee while acting in the scope of his employment, to accept any payment, commission, fee, or compensation of any kind from any person other than the employing licensee, unless such payment is fully disclosed to and approved by the employing licensee.

Acts 2012, No. 326, §1, eff. August 1, 2012, Acts 2014, No. 770, §1, eff. August 1, 2014.

§1270.21. Indemnification of franchised recreational vehicle dealers

Notwithstanding the terms of any franchise agreement, each manufacturer or converter shall indemnify and hold harmless its franchised recreational vehicle dealers against any judgment for damages, including but not limited to court costs and reasonable attorney fees of the recreational vehicle dealer, arising out of complaints, claims, or lawsuits including but not limited to strict liability, negligence, misrepresentation, express or implied warranty, or rescission of sale to the extent that the judgment arises out of alleged defective or negligent manufacture, assembly, or design of recreational vehicles, parts, or accessories, or other functions by the manufacturer or converter, which are beyond the control of the recreational vehicle dealer.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.22. Payment to recreational vehicles dealers; penalties

It shall be a violation of this Chapter for a recreational vehicle manufacturer, distributor, wholesaler, factory branch, officer, agent or other representative thereof, to fail to pay a recreational vehicle dealer all monies due the recreational vehicle dealer, except manufacturer hold-back amounts, within thirty days of the date of completion of the transactions or submissions of the claims giving rise to the payments to the recreational vehicle dealers. Failure to make payments shall subject the manufacturer, distributor, wholesaler, factory branch, officer, agent, or other representative thereof, to a penalty of the one and one-half percent interest per month, or fraction thereof, until sums due the recreational vehicle dealer are fully paid.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.23. Warranty; compensation; audits of recreational vehicle dealer records

A.(1) It shall be a violation of this Chapter for a manufacturer, a distributor, a wholesaler, or factory branch, or officer, agent or other representative thereof, to fail to adequately and fairly compensate its recreational vehicle dealers for labor, parts, and other expenses incurred by such dealer to perform under and comply with a manufacturer's or a distributor's warranty agreement.

(2) In no event shall any manufacturer or distributor pay its recreational vehicle dealers at a price or rate for warranty work that is less than that charged by the recreational vehicle dealer to the retail customers of the recreational vehicle dealer for nonwarranty work of like kind.

(3) Warranty work includes parts and labor performed.

(4) All claims made by the recreational vehicle dealer for compensation under this Subsection shall be paid within thirty days after approval and shall be approved or denied within thirty days after receipt. When any claim is denied, the recreational vehicle dealer shall be notified in writing of the grounds for denial.

(5) The obligations in this Subsection may be modified by contract.

B.(1) Notwithstanding the terms of any franchise agreement, warranty, and sales incentive, audits of recreational vehicle dealer records may be conducted by the manufacturer, distributor, or factory branch. Any audit for warranty parts or service compensation shall be for the twelve-month period immediately following the date of the payment of the claim by the manufacturer or distributor. However, a recreational vehicle dealer shall not be held liable by virtue of an audit for failure to retain parts for a period in excess of six months. Any audit for sales incentives, service incentives, rebates, or other forms of incentive compensation shall be only for the twelve-month period immediately following the date of the final payment to the recreational vehicle dealer under a promotion, event, program, or activity. In no event shall the manufacturer, distributor, or factory branch fail to allow the recreational vehicle dealer to make corrections to the sales data in less than one hundred twenty days from the program period. Additionally, no penalty other than amounts advanced on a

recreational vehicle reported incorrectly shall be due in connection with the audit. With respect to recreational vehicles sold during the time period subject to the audit, but submitted incorrectly to the manufacturer, distributor, or wholesale distributor branch or factory branch, the recreational vehicle dealer shall be charged back for the amount reported incorrectly and credited with the amount due, if anything, on the actual sale date.

(2) No claim which has been approved and paid may be charged back to the recreational vehicle dealer unless it can be shown that one or all of the following applies:

(a) The claim was false or fraudulent.

(b) The repairs were not properly made.

(c) The repairs were unnecessary to correct the defective condition under generally accepted standards of workmanship.

(d) The recreational vehicle dealer failed to reasonably substantiate the repair in accordance with reasonable written requirements of the manufacturer or distributor, if the recreational vehicle dealer was notified of the requirements prior to the time the claim arose and if the requirements were in effect at the time the claim arose.

(3) A manufacturer or distributor shall not deny a claim solely based on a recreational vehicle dealer's incidental failure to comply with a specific claim processing requirement, or a clerical error, or other administrative technicality.

(4) Limitations on warranty parts or service compensation, sales incentive audits, rebates, or other forms of incentive compensation, chargebacks for warranty parts or service compensation, and service incentives and chargebacks for sales compensation only shall not be effective in the case of intentionally false or fraudulent claims.

(5) It shall be deemed an unfair act pursuant to this Chapter to audit a recreational vehicle dealer more frequently than two sales-related and two service-related audits in a twelve-month period. Nothing in this Subsection shall limit a manufacturer's or distributor's ability to perform routine claim reviews in the normal course of business.

(6) No claim may be rejected as late if it has been submitted within sixty days of the date the repair order was written.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.24. Recreational vehicle repairs

Suppliers of mechanical repairs and services for any recreational vehicle subject to regulation pursuant to this Chapter shall provide each consumer with an itemized bill indicating repairs and services performed, parts replaced, or materials used, the total labor charge, and the identity of the mechanic, repairman, or supplier who performed the work. However, nothing in this Section shall prohibit a supplier of mechanical repairs and services from charging a service fee for the use of shop supplies such as rags, fender covers, small amounts of fluid, or other items which are not itemized, provided that such fee does not exceed five percent of the total invoice for mechanical repairs or thirty-five dollars, whichever is less.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.25. Damage disclosure; recreational vehicles

A. Whenever a new recreational vehicle subject to regulation pursuant to this Part is sold to any person, the seller shall notify the purchaser of any body damage or mechanical damage which the recreational

vehicle has sustained that exceeds six percent of the manufacturer's wholesale price. Such notice shall be in writing and a copy thereof shall be delivered to the purchaser prior to or simultaneous with transfer of the recreational vehicle title.

B. Replacement of a new recreational vehicle's instrument panels, appliances, furniture, cabinetry, televisions, audio equipment, or similar residential components shall not be deemed "damage" pursuant to this Section if such items are replaced with original manufacturers' parts and materials.

C. This Section shall apply to all instances of vehicular body or mechanical damage to recreational vehicles and to all actions involving such damage, notwithstanding the application of other codal, statutory, or regulatory provisions, including but not limited to Civil Code Articles 2520 et seq.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.26. Notice regarding recalls; recreational vehicles

It shall be a violation of this Part for a recreational vehicle dealer to sell a new recreational vehicle without first supplying a prospective buyer with the following notice: "A new recreational vehicle may have been subject to a National Highway Traffic Safety Administration required recall which would be repaired in accordance with manufacturer standards approved by the National Highway Traffic Safety Administration. If such a repair is a concern before you purchase, please ask for a copy of the recall notice, if applicable, to the recreational vehicle being sold." This notice shall be included on the buyer's order in a box and in bold print which is signed by the buyer and the seller or his representative next to the box. If the buyer requests the recall notice, the recall notice shall be included in the sales transaction. If the selling recreational vehicle dealer performed the repair, the documents supporting the repair shall also be included in the sales transaction.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.27. Sale of water-damaged recreational vehicles

A. No person shall sell, transfer, or convey any new or used recreational vehicle to any person without notifying the buyer or receiver of the recreational vehicle in writing of the extent of any water damage from flooding which occurred to the recreational vehicle prior to the transaction.

B. If a sale, transfer, or conveyance of a new or used recreational vehicle occurs in violation of Subsection A of this Section, the person receiving ownership and title to the recreational vehicle who is not otherwise aware of the damage at the time of the transaction may bring an action to set aside the transaction within one year from the date of the transaction and receive all monies or other property given as consideration for the vehicle less a reasonable assessment for miles driven.

C. For the purposes of this Section, a "water-damaged vehicle" means any recreational vehicle whose power train, computer, or electrical system has been damaged by flooding.

Acts 2012, No. 326, §1, eff. August 1, 2012.

§1270.28. Succession; right of first refusal; recreational vehicle dealer

A.(1) The terms of the franchise notwithstanding, any recreational vehicle dealer may appoint by will, or other written instrument, a designated successor to succeed in the ownership interest of the recreational vehicle dealer in the dealership upon the death or incapacity of the recreational vehicle dealer.

(2) Unless good cause exists for refusal to honor the succession on the part of the manufacturer or distributor, any designated successor of a deceased or incapacitated recreational vehicle dealer of a

dealership may succeed to the ownership of the dealership under the existing franchise if:

(a) The designated successor gives the manufacturer or distributor written notice of his intention to succeed to the ownership of the recreational vehicle dealer within sixty days of the recreational vehicle dealer's death or incapacity.

(b) The designated successor agrees to be bound by all the terms and conditions of the franchise.

(3) The manufacturer or distributor may request, and the designated successor shall provide, promptly upon such request, personal and financial data reasonably necessary to determine whether the succession should be honored.

(4) If a manufacturer or distributor believes that good cause exists for refusing to honor the succession of a deceased or incapacitated recreational vehicle dealer, the manufacturer or distributor may, not more than sixty days following receipt of notice of the designated successor's intent to succeed and receipt of such personal or financial data, serve upon the designated successor notice of its refusal to honor the succession and of its intent to discontinue the existing franchise with the dealer not earlier than six months from the date such notice is served.

(5) The notice must state the specific grounds for the refusal to honor the succession.

(6) If notice of refusal and discontinuance is not timely served upon the designated successor, the franchise shall continue in effect subject to termination only as otherwise permitted by this Chapter.

(7) In determining whether good cause for the refusal to honor the succession exists, the manufacturer or distributor has the burden of proving that the designated successor is not of good moral character or does not otherwise meet the manufacturer's or distributor's reasonable standards as a franchisee.
