RE: LSA-R.S. 32:1260 Damage Disclosure

With regard to LSA-R.S. 32:1260, the Commission has determined that the 6% damage disclosure required to be made to a consumer is to be based upon the MSRP and the written estimate, based on the retail cost, of all repairs, including glass, to the vehicle as a result of the incident causing the damage. The use of your dealer cost for the repairs in determining the 6% disclosure will not meet the requirement.
