Executive Director Casey announced that a discussion and vote was needed to decide the Per Diem for the Commissioners that make up the Dispute Resolution Panel. Chairman Lala explained that this Per Diem will be for the new Commissioners that will hear all formal hearings at the Commission. He suggested paying each Commissioner \$600 per case. Counselor Reggie advised that typically retired judges and attorneys who participate in administrative hearings are paid on a per day basis. Commissioner LeBlanc made a motion to pay each Commissioner on the Dispute Resolution Panel a \$600 a day Per Diem and reimburse for travel expenses in accordance with General Service Administration Guidelines. Commissioner Lane seconded the motion, and it was unanimously approved.

Executive Director Casey reported that the Commission needed to vote on the contract signature authority, which will give Chairman Lala the authority to sign contracts on behalf of the Commission. Commissioner Hocevar made a motion to give the authority to Chairman Lala. Commissioner McCants seconded the motion, and it was unanimously approved.

Executive Director Casey announced that the 2024 – 2025 fiscal audit report is still in draft. The report needs to be approved by the Commission; so, it can be submitted to the Legislative Auditor. She stated that the Commission is challenging the auditor’s increase in liability. Commissioner Lala explained the increase in a specific liability referred to as “OPEB.” There was a brief discussion regarding the “OPEB” liability and the status of the Commission being self-funded. It was expressed to the Commission that the current draft is the worst-case scenario, and the liability could possibly be reduced due to Executive Director Casey’s inquiry, challenging the substantial increase of this liability, year over year. Commissioner LeBlanc asked what the variations of liability were every year and what are the formulas that are used to determine the numbers. Accountant Flannery advised that she would email Commissioner LeBlanc the requested information. Accountant Flannery advised that the final Fiscal Audit Report must be submitted to the Legislative Auditor by February 1, 2026. Commissioner Lane made a motion to accept the Fiscal Audit Report. Commissioner Favre seconded the motion, and it was unanimously approved.

At this time, Executive Director Casey asked the Commission to approve the budget for the 2026 – 2027 fiscal year. Commissioner McCants made a motion to approve the budget. Commissioner Lane seconded the motion, and it was unanimously approved.

Chairman Lala announced to the Commission that the Task Force created to study the potential merger of the Louisiana Motor Vehicle Commission and the Louisiana Used Motor Vehicle Commission submitted the report within the required timeframe to the Legislature. The Task Force recommended that the two Commissions should merge and that the unified Commission would eventually operate out of the Louisiana Motor Vehicle Commission office in Metairie. Through the public records process, a public record request can be submitted to review the LMVC/LUMVC Merger Study Task Force report.

Counselor LaPeyronnie reported on a settlement between the Commission and MaxPro, LLC. MaxPro, LLC was levied civil penalties by the Commission as a result of a formal hearing in January of 2025. Counselor LaPeyronnie also reported on a separate formal hearing regarding Cortes Campers, LLC and civil penalties. In an attempt to collect the civil penalties, the judgment rendered by the Commission in that matter was made executory in District Court.

Executive Director Casey presented to the members of the Commission the annual statistics on the number of licenses issued, investigations and reports completed, notices sent, audits completed, and offsite display request processed. She stated that the goal for 2026 is to conduct more audits and be more proactive in compliance investigations. Chairman Lala asked if the stats could be compared to last year’s stats. Executive Director Casey provided that information as requested.

Executive Director Casey reported to the Commission that the Governor, per Executive Order 25-038, has directed all Boards and Commissions to review all their rules. She announced that Commission staff has started the process of review. The annual report, in accordance with this Executive Order and statues, was submitted prior to the deadline.

Executive Director Casey advised the Commission Members a pre-hearing had been held on November 17, 2025, pursuant to LA-R.S. 49:977.3(C), regarding Hearing #2025-202, Shreveport Dodge, LLC DBA Landers Dodge Chrysler Jeep Ram Fiat, 2701 Benton, Road, Bossier City, LA 71111, for alleged violations of LA-R.S. 32:1261.
